Supervisors to Discuss Garbage Collection and Recycling

REDWOOD CITY, Calif. – The Board of Supervisors Environmental Quality and Finance and Operations committees will meet Thursday to discuss the future of trash hauling and recycling in central and southern San Mateo County.

The meeting will be at 4:30 p.m. Thursday, Oct. 16, in the Board of Supervisors Chambers, 400 County Center, Redwood City. Elected representatives of the 12 public agencies that comprise the South Bayside Waste Management Authority are invited. Members of the public will have the opportunity to speak.

The purpose of the meeting is to:

- Review the history of the South Bayside Waste Management Authority
- Discussion of Recommendation Following Request for Proposals for Garbage Collection
- Discussion of Proposed Capital Improvement Projects and Financing for Projects at the Materials Recycling Facility
- Discussion of Recommendation Following Requests for Proposals for Materials Recovery Facility
- Discussion of Possible Amendment to JPA to Change Composition of South Bayside Waste Management Authority Governing Board

For more information, please visit www.co.sanmateo.ca.us and click on “Board of Supervisors,” then “Board Standing Committees.”

Metered parking is available in a garage at Middlefield Road and Veterans Boulevard and on the street. The County Center complex is reachable by SamTrans bus service and Caltrain.

Please note visitors to 400 County Center are required to pass through airport-style security screening.
