Meeting Evaluation and Adjourn	Armstrong	5 Minutes

Prenatal to 5 Partnership Goals

1. To maintain collaboration among agencies:
 - a) To provide a forum for group projects and to combine resources;
 - b) To provide a more compelling case to funders to demonstrate systems integration;
2. To maintain a systems-level view of services in the county through the sharing of data and program findings, and;
3. To avoid duplication of services and to prevent families from "falling through the cracks."
