

# Notice of Public Meeting

## FITZGERALD MARINE RESERVE

## PROPOSED PARKING LOT IMPROVEMENTS

### COMMUNITY MEETING

**March 26, 2012      7:00 - 9:00 PM**

San Mateo County Parks proposes rebuilding the existing parking lot at the Fitzgerald Marine Reserve main entrance for congestion management purposes. The parking lot improvements are proposed to: 1) improve the overall circulation of automobiles and buses entering and exiting from California Avenue and North Lake Street, 2) provide a slight increase in parking spaces, 3) relocate existing bus parking further away from San Vicente Creek, and 4) improve safety of children disembarking from buses. The intent is for a sustainable, permeable parking surface parking lot. The purpose of this meeting is to inform the community about the project goals and timeline, and receive public input at this conceptual stage.

**LOCATION:** Cypress Meadows Inn, 343 Cypress Avenue, Moss Beach

**SCHEDULE:**

7:00 – 7:10 pm	Welcome and Introductions
7:10 – 7:15 pm	Project Background
7:15 – 7:45 pm	Presentation of Conceptual Plan
7:45 – 9:00 pm	Public Input, Questions and Answers
