

Living with Mountain Lions

National Park Service
U.S. Department of the Interior

Photo courtesy Michael Macor / SF Chronicle

Mountain Lions have recently been seen at Milagra Ridge, Mori Point, Rancho Corral de Tierra, and San Pedro Valley County Park. Please join mountain lion expert Zara McDonald of Felidae (www.felidaefund.org) as she discusses mountain lion ecology and how to safely coexist with these important parts of our natural ecosystem.

Wednesday, February 1 at 6PM

Pacifica Sharp Park Library

104 Hilton Way

Pacifica, CA 94044

No RSVP necessary, but for more info please contact call Felidae at (415) 229-9335, email info@felidaefund.org, or the Pacifica Sharp Park Library (650) 355-5196.
