### Notice of Committee Opening for Architects

#### *San Mateo County Design Review Committee Membership*

Please consider using your professional expertise to benefit our communities by serving on the County Design Review Committee

The County has two Design Review Committees – a “Bayside” and a “Coastside” Committee. Each is comprised of two licensed architects and a community member appointed by the Board of Supervisors. The committees meet once a month (or as needed) to review development projects for compliance with the county’s design review standards. Service on the committee typically involves a time commitment of approximately 5 to 10 hours per month, and meetings are held on Wednesday afternoons in Redwood City (Bayside) or Thursday afternoons in Moss Beach (Coastside).

We have at least one opening on each committee for either a licensed architect or landscape architect who is a San Mateo County resident. For more information, please contact Lisa Aozasa, County Planning and Building Department at [laozasa@smcgov.org](mailto:laozasa@smcgov.org) or 650-363-4852. For applications, please contact Marie Peterson, County Manager’s Office at [mpeterson@smcgov.org](mailto:mpeterson@smcgov.org) or 650-363-4123.

**Thank you.**
