

# **PRINCETON CARETAKER UNIT RANDOM DRAWING**

**6:00 PM, WEDNESDAY, NOVEMBER 4, 2009**

**MAVERICKS LODGE GARDEN ROOM  
346 Princeton Ave  
Half Moon Bay, CA 94019**

On **Wednesday, November 4, 2009 at 6:00 PM**, the San Mateo County Planning and Building Department will hold a random drawing at the above location to allocate opportunities to apply for permits to construct caretaker units in the Princeton Waterfront District. The drawing will be used to assign two existing application opportunities, and create a waiting list that will determine the order of future applications. The purpose of the drawing is to create a fair system for administering the limit on the number of caretaker units in the Waterfront District established by the Local Coastal Program, which is currently set at 20% of the number of developed lots.

This event is open to the public, and will include all entries submitted during the application period, which began on July 21, 2009 and ended on September 25, 2009. You are receiving this notice because you submitted an entry form that will be included in the random drawing. Attendance at the drawing is **not** mandatory and you do not need to be present for your entry to be selected. The results of the drawing will be posted on the Planning and Building Department's website, and applicants will be notified by mail and email when they become eligible to apply to construct a caretaker unit.

For additional information on the drawing and the procedures and standards regarding the construction of caretaker units in the Princeton Waterfront District, please see the information posted on the Planning and Building Department's website under the Plan and Regulation Updates tab, or contact William Gibson at [wgibson@co.sanmateo.ca.us](mailto:wgibson@co.sanmateo.ca.us) or (650) 363-1816.
