

# COUNTY OF SAN MATEO SHERIFF'S OFFICE

Interdepartmental Correspondence

**Date:** August 13, 2001  
**Agenda Date:** September 11, 2001

**TO:** Honorable Board of Supervisors

**FROM:** Don Horsley, Sheriff *DH*

**SUBJECT:** Agreement with the San Mateo County Office of Education for prevocational and remedial education programs within the County's detention facilities.

**Recommendation:** Adopt a Resolution authorizing the President of the Board to waive the Request for Proposals (RFP) process and to execute an Agreement between the County of San Mateo and San Mateo County Office of Education for the period July 1, 2001 through June 30, 2002, in the amount of \$179,232, funded through the Inmate Welfare Fund.

## **Background**

The Inmate Welfare Committee has annually elected to contract with the San Mateo County Office of Education for instruction, GED testing, vocational counseling, information and referral services, and follow-up services to inmates in San Mateo County's correctional facilities. Presently, the program provides instruction in basic skills improvement and GED preparation to a minimum of 370 inmates at any given time. Provision of these services is encouraged under Title XV and by the State Board of Corrections during their annual jail inspection.

The Inmate Welfare Fund consists of monies held and expended for the welfare of inmates. It is unique for two reasons: inmates and their families provide income for the fund through commissary sales and telephone call charges, disbursements from the fund must be used for the benefit, welfare and education of inmates and their families, pursuant to statute.

The Inmate Education Project's principal mission is to work with inmates who have not graduated from high school by preparing them for the GED test. Services are geared toward preparing the inmates to make a successful transition to employment or occupational programs upon their release.

## **Discussion**

In Fiscal 2000-01, the Inmate Welfare Fund committee contributed \$150,120.00 to the inmate education program, via contract with the Office of Education. The proposed

Agreement for Fiscal 2001-02 is for \$179,232, an increase of \$29,112 or 19.4%. The primary reason for the increase is to cover negotiated wage increases for Office of Education personnel who provide instructional services under the Agreement.

The San Mateo County Office of Education successfully supports the educational needs of inmates at the Men's and Women's Correctional facilities. The Inmate Welfare Trust Fund Committee met in May of this year and carefully considered and approved their request to continue providing educational services to the inmates.

The Office of Education provides educational programs in detention facilities including classes in English, Math, Social Studies, Literature/Arts, Science, and Reading. At any given time, approximately 85-100 inmates participate in the program, which operates five (5) days a week, Monday through Friday. The sentenced inmate population has steadily utilized instructional classes that concentrate on GED preparation. The challenge in recent years has been to encourage greater participation by pre-trial inmates who now comprise about 60% of the main jail population. Because many of the pre-trial inmates may return to the community sooner, they can benefit significantly from GED and follow-up vocational placements. However, pre-trial inmates are also generally less likely to make a long-term commitment to an educational program while their future status is in transition. During 2001-02, methods of increasing enrollment and developing collaborative models to continue services outside the institution will be explored. Also, the Office of Education and the Inmate Welfare Trust Fund Committee will continue to explore options to increase the number of inmates who participate in this beneficial and voluntary education program.

The Office of Education is the lead education agency in San Mateo County who coordinate all special educational programs such as in-custody GED course work. Therefore, we feel it is in the County's best interest to waive the requirement of request for proposals.

#### **County Counsel**

County Counsel had reviewed and approved this resolution and Agreement as to form.

#### **Fiscal Impact**

The \$179,232 cost of the proposed Agreement is funded by the Inmate Welfare Fund for the 2001-02 Fiscal Year. Therefore, there is no impact upon the County's General Fund.

This Agreement entered this \_\_\_\_\_ of \_\_\_\_\_ 2001, by and between the **COUNTY OF SAN MATEO** a political subdivision of the State of California, hereinafter called "COUNTY" and **SAN MATEO COUNTY OFFICE OF EDUCATION**, hereinafter called "CONTRACTOR."

**WITNESSETH:**

**WHEREAS**, it is necessary and desirable that Contractor be engaged by County for the purpose of performing the professional services hereinafter described for prevocational and remedial education programs within the County's detention facilities described in this agreement; and

**WHEREAS**, pursuant to Government Code Section 31000, County may contract with independent contractors for the furnishing of special services to or for County or any Department thereof; and

**NOW, THEREFORE, IT IS HEREBY AGREED BY THE PARTIES AS FOLLOWS:**

1. Services to be performed by Contractor. In consideration of the payments hereinafter set forth, a description of services provided by Contractor is attached hereto and incorporated into the agreement by this reference as Exhibit A.
2. Payments.
  - A. Maximum Amount. In full consideration of Contractor's performance of the services described in Exhibit A, the amount that County shall be obligated to pay Contractor for such services rendered under this Agreement shall not exceed \$179,232.00.
  - B. Rate of Payment. The rate and terms of payment shall be as specified in Exhibit A. Any rate increase is subject to the approval of the Sheriff or his designee, and shall not be binding on County unless so approved in writing. In no event may the rates established in Exhibit A be increased to the extent that the maximum County obligation shall exceed the total specified in paragraph 2A above. Each payment shall be conditioned on the performance of the services described in Exhibit A to the full satisfaction of the Sheriff or his designee.
  - C. Time Limit for Submitting Invoices. Contractor shall submit an invoice for services to County for payment in accordance with the provisions of Exhibit A. County shall not be obligated to pay Contractor for the services covered by any invoice if Contractor presents the invoice to County more than one hundred eight (180) days after the date Contractor renders the services, or more than ninety days after this Agreement terminates, whichever is earlier.
3. Relationship of the Parties. It is expressly understood that this is an Agreement by and between two (2) Independent Contractors and that no agency, employee,

partnership, joint venture or other relationship is established by this Agreement. The intent by both County and Contractor is to create an independent contractor relationship. Contractor expressly acknowledges and accepts his/her tax status and the tax consequences of a Independent Contractor. Further, as an Independent Contractor, Contractor expressly acknowledges and accepts that he/she has no rights, benefits, privileges and/or claims in any form whatsoever under, from, through and/or pursuant to the San Mateo County Civil Services Rules.

4. Non-Assignability. Contractor shall not assign this Agreement or any portion thereof to a third party without the prior written consent of County, and any attempted assignment without such prior written consent in violation of this Section automatically shall terminate this Agreement.

5. Hold Harmless.

- (a) It is agreed that Contractor shall defend, hold harmless and indemnify County, its officers, agents, and/or employees from any and all claims for injuries to persons and/or damage to property which arise out of the terms and conditions of this Agreement and which result from the negligent acts or omissions of Contractor, its officers, agents and/or employees.
- (b) It is further agreed that County shall defend, hold harmless and indemnify Contractor, its officers, agents and/or employees from any and all claims for injuries to persons and/or damage to property, which arise out of the terms and conditions of this Agreement and which result from the negligent acts or omissions of County, its officers, agents, an/or employee or which arise out of Contractor's good faith and responsible enforcement of Policies and procedures promulgated by the Sheriff's Department.
- (c) In the event of the concurrent negligence of Contractor, its officers, agents and/or employees, and County, its officers, agents and/or employees, then the liability for any and all claims for injuries or damages which arise out of the terms and conditions of this Agreement shall be apportioned under California's Theory of Comparative negligence as presently established or may be hereafter modified.

The duty of the parties to indemnify and save harmless as set forth herein, shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

6. Insurance. The Contractor shall not commence work under this Agreement until all insurance required under this section has been obtained and such insurance has been approved by the County of San Mateo. The Contractor shall furnish the County with Certificates of Insurance evidencing the required coverage and there shall be a specific contractual liability endorsement extending the Contractor's coverage to include the contractual liability assumed by the Contractor pursuant to this Agreement. These Certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of non-renewal, cancellation, or modification of the policy. New Certificate of Insurance shall be provided to County on a timely basis upon each occasion that Contractor's insurance is renewed for an additional term.

In the event of the breach of any provision of this section, or in the event any notice is received which indicates any required insurance coverage will be diminished or cancelled, the County of San Mateo at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work pursuant to this Agreement.

- A. Worker's Compensation and Employer Liability Insurance. The Contractor shall have in effect, during the entire life of this Agreement, Workers' Compensation and Employer Liability Insurance providing full statutory coverage. In signing this Agreement, the Contractor makes the following certification, required by Section 1861 of the California Labor Code:

I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of the Code, and I will comply with such provisions before commencing the performance of this work of the Agreement.

- B. Liability Insurance. The Contractor shall take out and maintain during the life of this Agreement such Bodily Injury Liability and Property Damage Liability Insurance as shall protect him while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all operations under this Agreement, whether such operations be by himself or by any sub-contractor or by anyone directly or indirectly employed by either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall be not less than the amount specified below.

*Such insurance shall include:*

(1) Comprehensive General Liability	\$ <u>1,000,000</u>
(2) Motor Vehicle Liability Insurance	\$ <u>1,000,000</u>
(3) Professional Liability	\$ <u>1,000,000</u>

If this Agreement remains in effect more than one (1) year from the date of its original execution, County may, at its sole discretion, require an increase in the amount of liability insurance to the level then customary in similar County Agreements by giving sixty (60) days notice to Contractor.

The County and its officers, agents, employees and servants shall be named as additional insured on any such policies of insurance, with respect to any vicarious liability imposed on them on account of the negligence of Contractor which policies shall contain a provision or endorsement that the insurance afforded thereby to the County, its officers, agents, employees and servants shall be primary insurance to the limits stated above, such other insurance shall be excess insurance only. Said certificate(s) of insurance is (are) attached hereto and incorporated by reference herein as Attachment I (and II).

7. Non-discrimination. No person shall be excluded from participation in, denied benefits of, or be subject to discrimination under this Agreement on the basis of their race, color, religion, national origin, age, sex, sexual orientation, pregnancy, childbirth or related conditions, medical condition, mental or physical disability or veteran's status. Contractor shall ensure full compliance with federal, state and local laws, directives and executive orders regarding non-discrimination for all employees and Subcontractors under this Agreement.

Violation of the non-discrimination provisions of this Agreement shall be considered a breach of this Agreement and subject the Contractor to penalties, to be determined by the County Manager, including but not limited to: i) termination of this Agreement; ii) disqualification of the Contractor from bidding on or being awarded a County contract for a period of up to 3 years; iii) liquidated damages of \$2,500 per violation; iv) imposition of other appropriate contractual and civil remedies and sanctions, as determined by the County Manager.

To effectuate the provisions of this paragraph, the County Manager shall have the authority to: i) examine Contractor's employment records with respect to compliance with this paragraph; ii) set off all or any portion of the amount described in this paragraph against amounts due to Contractor under the Contract or any other Contract between Contractor and County.

Contractor shall report to the County Manager the filing by any person in any court of any complaint of discrimination or the filing by any person of any and all charges with the Equal Employment Opportunity Commission, the Fair Employment and Housing Commission or any other entity charged with the investigation of allegations within 30 days of such filing, provided that within such 30 days such entity has not notified Contractor that such charges are dismissed or otherwise unfounded. Such notification shall include the name of the complainant, a copy of such complaint and a description of the circumstance. Contractor shall provide County with a copy of its response to the Complaint when filed.

With respect to the provision of employee benefits, Contractor shall comply with the County Ordinance which prohibits Contractors from discriminating in the provision of employee benefits between an employee with a domestic partner and an employee with a spouse.

8. Records. Contractor agrees to provide to County, to any federal or state department having monitoring or reviewing authority, to County's authorized representatives and/or their appropriate audit agencies upon reasonable notice, access to and the right to examine and audit records and documents necessary to determine compliance with relevant federal, state, and local statutes, rules, and regulations, and this Agreement, and to evaluate the quality, appropriateness and timeliness of services performed.

Contractor shall maintain and preserve all financial records relating to this Agreement for a period of four (4) years from the termination date of this Agreement, or until audit findings are resolved, whichever is greater.

9. Compliance with Applicable Laws. All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable federal, state, county, and municipal laws, including, but not limited to, the Americans with

Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination on the basis of handicap in programs and activities receiving any federal or county financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including, but not limited to, appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations.
