DATE FEB 21 2001
HEARING DATE MAR 06 2001

TO: Honorable Board of Supervisors
FROM: Timothy B. McMurdo, Director, Hospital and Clinics Division
SUBJECT: Acceptance of the Peninsula Community Foundation Health Fund Grant

RECOMMENDATION

- 1 Adopt a Resolution authorizing the President of the Board to accept a Peninsula Community Foundation Health Fund grant in the amount of \$50,000
- 2 Approve an Appropriation Transfer Request (ATR) accepting \$25,000 for Fiscal Year 2000-2001

Background

The Peninsula Community Foundation Health Fund (PCFHF) is supported by the Peninsula Community Foundation and private donors concerned about the availability of quality health care for low-income San Mateo County residents. The purpose of the PCFHF is to increase and improve the accessibility and affordability of health care to medically underserved and uninsured populations. Public agencies and other non-profit entities that provide medical, dental and/or mental health services to these at-risk populations in San Mateo County are eligible to apply for PCFHF grants.

Discussion

The Community Health Clinics received a grant to expand community based outreach and education in the Filipino, Pacific Islander, and other Asian communities and to enroll uninsured residents in Medi-Cal, Healthy Families and the WELL program. The funds are specifically designated to secure consulting contracts with two community-based organizations, Pacific Islander Outreach (PIO) and the California Health Initiative (CHI), to bolster their capacity to reach the targeted communities. This grant is part of Health Services' overall strategy to increase enrollment in Medi-Cal, Healthy Families, and other insurance programs, and to reduce the numbers of uninsured residents in the County. Specific performance measures for this grant will be included in the contracts with the community-based organizations.

Fiscal Impact

The grant period is January 1, 2001 through December 31, 2001. Total funding from the Peninsula Community Foundation Health Fund equals \$50,000, which will be paid in two installments. The first installment is \$25,000. The remaining balance of \$25,000 will be paid in 2001-2002 and will be included in the 2001-2002 Community Health Clinics' recommended budget.

Dear Mr. Robinson:

I am pleased to notify you that the Community Advisory Board of the Peninsula Community Foundation Health Fund has awarded a grant of \$50,000 to San Mateo County Health Services Agency. The grant is for support to expand community-based outreach and education in the Filipino, Pacific Islander, and other Asian communities and enroll uninsured residents in the WELL program, Medi-Cal, and Healthy Families. The funds are specifically designated to secure consulting contracts with the Pacific Islander Outreach (PIO) and California Health Initiatives (CHI) to bolster their capacity to reach the targeted communities. The Community Advisory Board requires that the Health Services Agency assign a staff person to coordinate this project to assist PIO and CHI meet the project goals. The grant was approved by the Community Advisory Board at its November 29, 2000 meeting.

Enclosed you will find a grant agreement. Please review it carefully, and sign, date and return it to the Foundation as soon as possible. Upon the Foundation's receipt of the executed Grant Agreement and documentation identifying a staff person to serve as project coordinator, we will forward the first of two grant payments. Upon submission, and staff review and approval of the completed interim report, your second payment will be released and mailed to you. Interim and final report forms are enclosed with this letter.

Please be advised that the Peninsula Community Foundation requires mention of its name regarding this grant in support of your program. We request that you submit the text of any public or in-house announcement for approval by the Foundation prior to publication or release.

The Peninsula Community Foundation takes an active role in making other nonprofit organizations aware of the successful projects that result from our grants. We may place a copy of your proposal on reference at the Peninsula Nonprofit Center for other grantseekers to read. If, for any reason, you would prefer us not to have your proposal available for review, please let us know.

We are pleased to be able to support the San Mateo County Health Services Agency, and look forward to hearing from you about the progress of the program and about any impact the Peninsula Community Foundation's support may have. Please feel free to contact me at (650) 358-9369 if you have any questions or comments.

Sincerely,

Srija Srinivasan
