We have reviewed the Contract documents and have determined that the Affirmative Action program submitted by **El Camino Paving, Inc.** is in accordance with the current Affirmative Action Guidelines.

Fiscal Impact

The total estimated cost for construction and contingencies is **\$278,000**, which includes a ten percent (10%) contingency as the work is bid on a unit price basis (i.e., per ton for asphalt concrete placed, square yard of pavement fabric, etc.). The contingency is used to pay the Contractor for any additional material placed as the actual tonnage used depends on the unit weight of the asphalt and the tolerances for the actual thickness of the pavement placed.

There is no impact to the General Fund.

A form of Resolution has been approved by County Counsel.
