

**COUNTY OF SAN MATEO**

**Inter-Departmental Correspondence**

**Date:** May 25, 2001

**Board Meeting Date:** June 5, 2001

**TO:** Honorable Board of Supervisors  
**FROM:** Neil R. Cullen, Director of Public Works  
**SUBJECT:** **Resurfacing Project for Various Roads in the Burlingame/San Mateo Area**

**RECOMMENDATION**

Adopt a resolution awarding and authorizing execution of a contract for the Resurfacing of Skyline Boulevard, Canyon Road, Crystal Springs Road, Ascension Drive, Valley View Court, and Bel Aire Road.

**Previous Board Action**

Adopted Resolution No. 64403 on April 24, 2001, adopting Plans and Specifications, determining prevailing wage scales, and calling for sealed proposals for the above referenced project.

**Discussion**

On May 22, 2001, bids were accepted for this project and subsequently referred to this office for checking and recommendation. The bids have been checked and the bid of.

**Interstate Grading and Paving, Inc.  
128 So. Maple Avenue  
South San Francisco, CA 94080**

at **\$909,158.90**, was the lowest bid received

The Engineer's estimate was \$789,000. A summary of the bids received is as follows:

1.	<b>Interstate Grading and Paving, Inc.</b>	<b>\$ 909,158.90</b>
2	O'Grady Paving, Inc	\$ 917,002 30
3	C.F. Archibald Paving, Inc.	\$1,003,586.40
4.	Granite Construction Company	\$1,062,229 30
5	G. Bortolotto and Co.	\$1,197,486 65

The low bid is approximately \$120,000 (15%) over the Engineer's estimate. We have reviewed the bid prices of the low bidder as well as the other bidders and the bids are higher than our estimates for maintaining traffic, pavement repair and per ton of asphalt concrete. We believe that the bids reflect the contractor's estimated cost for doing labor intensive work on either relatively busy or narrow roads, and the increase cost of the

energy necessary to heat the asphalt to the required application temperature (over 225 degrees Fahrenheit) We believe that the bid prices are reasonable and compare favorably to the other bidders and are therefore recommending that a contract be awarded to the low bidder

We have also reviewed the contract documents and have determined the Affirmative Action Program submitted by **Interstate Grading and Paving, Inc.** is in accordance with the current Affirmative Action Guidelines

**Fiscal Impact**

The total overall estimated cost of this project, including construction and contingencies is \$1,000,000, which includes a ten percent (10%) contingency as the work is bid on a unit price basis (i.e., ton of asphalt placed, square yard of pavement fabric, etc.). The contingency is used to pay the contractor for any additional material placed as the actual tonnage used depends on the unit weight of the asphalt and the tolerances for the actual thickness of the pavement placed

An appropriation for the project was approved in the Fiscal Year 2000-01 Road Fund budget and is proposed to be financed with Road Funds and funds deposited in the Road Fund that were made available to the County by the passage of AB 2928. There is no impact to the General Fund.

A form of Resolution has been approved by County Counsel.
