

COUNTY OF SAN MATEO
Departmental Correspondence

DATE: **SEP 7 2001**
HEARING DATE: **SEP 25 2001**

TO: Honorable Board of Supervisors

FROM: Gale Bataille, Director, Mental Health Services 

SUBJECT: Agreement with Pleasant Care Corporation, dba Emmanuel Residential
of Millbrae

RECOMMENDATION

Adopt a resolution authorizing the President of the Board to execute an agreement with Pleasant Care Corporation, dba Emmanuel Residential of Millbrae.

Background

Since December 17, 1985, your Board has approved a resolution authorizing expenditures for residential care facilities serving mentally ill clients.

Consistent with the Mental Health Services Division Plan, contracts are offered to any qualified provider. As required in this process, a public notice will be published every year to solicit applications for new providers.

Discussion

This contractor operates a board and care facility, totaling 12 beds, for difficult-to-place clients. The facility has been assessed and certified by the Mental Health Services Division. There are 2 levels of service provided to clients, namely the Augmented Service Level and the Step Down Service Level.

The Augmented Service Level requires a higher degree of service and supervision for clients who are seriously mentally ill. These clients need more intensive mental health services, social skills training and assistance with activities of daily living. Clients at the Step Down Service Level are more independent, require less supervision, are more stable and require less intensive services. The reimbursement rate for Augmented Level clients is \$375 per month for FY2001-02. The reimbursement rate for Step Down Level clients is \$100 per month for FY2001-02. The

County Program Coordinator will determine the specific service level required for each client. The rates for FY2001-02 year reflect a 3% increase over last year.

The 2001-02 objectives are as follows:

Performance Measure	2001-02 Objectives
Percent of clients satisfied with their living situation	85%
Minimum percent of clients discharged to a lower level care	10%
Maximum percent of clients discharged to acute care in less than six months	10%

Term

The term of the agreement is July 1, 2001 through June 30, 2004. The agreement carries the usual relationship of parties and hold harmless and insurance clauses and has been reviewed and approved by Risk Management and County Counsel.

Fiscal Impact

The agreement provides for a maximum obligation of \$136,971 for three years (if all beds are utilized). The contractor is only paid for the actual number of beds used. An estimated cost of \$44,325 for the first year of the contract term has been included in the FY2001-02 Mental Health Services' approved budget. Sales tax provided through realignment will cover 82% of the cost or \$36,347. The remaining \$7,978 represents the net county cost. A similar arrangement will be in place for fiscal years 2002-03 and 2003-04.

3. Relationship of Parties

It is expressly understood that this is an agreement between two (2) independent contractors and that no agency, employee, partnership, joint venture or other relationship is established by this Agreement. County and its officers, agents, employees and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that the insurance afforded thereby to County, its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy, and that if County or its officers and employees have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only. Said certificate(s) of insurance is (are) attached hereto and incorporated by reference herein as Attachment II (and III).

are dismissed or otherwise unfounded. Such notification shall include the name of the complainant, a copy of such complaint, and a description of the circumstance. Contractor shall provide County with a copy of its response to the complaint when filed.
