EXHIBIT A  
SCOPE OF WORK

1. As one of thirteen participating VLT Laboratories, the Contractor will provide VLT services for AIDS Drug Assistance Program (ADAP)-eligible clients from Early Intervention Program (EIP) sites and Local Health Jurisdiction (LHJ) sites herein (See this Exhibit, provision 2). VLT services include the following activities which are reimbursable under this contract: measuring HIV-1 RNA in blood samples, participating in both statewide and national proficiency testing programs, purchasing additional equipment if needed upon prior authorization, and conducting additional viral load related tests if needed upon prior authorization.
2. The overall Viral Load Testing (VLT) program will be coordinated by the State Viral and Rickettsial Disease Laboratory (VRDL) and will be funded and administered by the California State Office of AIDS (OA).
3. The Contractor shall perform VLT to measure the amount of HIV-1 (RNA copies/ml) in blood samples from ADAP-eligible clients in the following three categories.
  - a) Early Intervention Program (EIP) clients at Office of AIDS (OA) funded EIP sites.
  - b) Non-EIP clients in non-Title I areas.
  - c) Non-EIP clients in Title I areas.
4. The number of tests performed is not to exceed 500. This number has been determined by the Office of AIDS based on the number of tests requested by and awarded to EIP and LHJ sites. The client's medical provider will determine the number of tests per individual and the frequency of testing. However, the EIP or LHJ may, in response to local demand, establish a limit or guideline for the number of free, pre-paid tests a client may receive each year through the VLT program. The Office of AIDS may adjust the number of tests awarded to each EIP/LHJ upward or downward during the term of the contract.
5. After authorization by the Office of AIDS, participating EIP and LHJ sites will submit specimens to the Local Public Health Laboratory in their county. The Contractor will make all necessary arrangements for specimen processing (only if processing is not currently implemented at EIP/LHJ sites) and transport to the Contractor's VLT laboratory.
6. The Contractor shall ensure that samples are processed and shipped using procedures specified by the VLT kit manufacturers. The contractor will not be reimbursed for tests performed on samples not meeting the manufacturer's specifications.
7. The Contractor shall select one of the three commercially available test kits; Roche-Monitor, Chiron-bDNA, or OTC-Nuclisens.
8. The Contractor shall ensure that VLT results are reported to the submitter 5-10 working days after the sample was collected from the client.

9. Designated EIP staff and individuals authorized by LHJ sites, following Office of AIDS guidelines, shall determine client eligibility and shall complete a VLT Voucher (See Exhibit G, "HIV-1 Viral Load Test Voucher"). Instructions for completing the VLT Voucher will be provided by the State. All specimens submitted to the Contractor with a completed VLT Voucher shall be considered eligible for testing and reimbursement. However, the total number of tests requested must not exceed the number of tests allocated to the EIP or LHJ by the Office of AIDS. The VRDL will inform the Contractor when this limit has been reached.
10. The Contractor shall ensure that a completed VLT Voucher is submitted with each sample. The Contractor will not be reimbursed for tests performed on samples without a complete VLT Voucher. The Vouchers shall be retained for a minimum of four years.
11. The Contractor shall ensure that all test results are linked to the Client Unique Record Number (URN) which is recorded on the VLT Voucher. The contractor will not be reimbursed for tests performed on samples not linked to a Client URN.
12. The Contractor shall enter all data elements from VLT Voucher into an appropriate spreadsheet or database and transmit the data electronically to the VRDL on a monthly basis. Data elements include:
  - a. VLT Location
  - b. Date Sample Collected
  - c. Client Ethnicity.
  - d. Client Unique Record Number (URN unencrypted)
  - e. EIP Client Number (required for EIP sites)
  - f. Blood collection date
  - g. Client Date of Birth
  - h. Client Gender
  - i. ZIP Code of Client's Primary Residence
  - j. Client Income
  - k. Client Category
  - l. The Laboratory Accession Number (if assigned)
  - m. Date Result Reported
  - n. Test Result (RNA copies/ml)
  - o. Voucher Number
13. The Contractor shall participate in a periodic statewide proficiency-testing program, administered by the VRDL. The proficiency program will consist of testing a panel of 6 standardized samples up to three times per year (total of 18 sample tests). This testing will be performed and reimbursed by the same mechanism as all other VLT tests at \$100 per test.
14. The Contractor shall also enroll in a national proficiency program (e.g. CAP, AAB, CDC) at the earliest opportunity and report the results of the proficiency testing to the VRDL. The annual subscription reimbursement of such programs is not to exceed \$475 and will be reimbursable under this contract with prior written authorization from the VRDL. The proficiency program will consist of testing a panel of 5 standardized samples 3 times per year (total of 15 samples). Proficiency program testing will be performed and reimbursed by the same mechanism as all other VLT tests at \$100 per test.

15. The Contractor may purchase any additional equipment (e.g. an ultra-centrifuge, cost not to exceed \$10,000) necessary to implement changes in VLT methods (e.g. changes recommended by the ADAP Medical Advisory Committee) which are authorized by the OA and VRDL jointly. A formal amendment will be submitted if such purchases are warranted.
16. Any additional VLT-related tests which may be recommended by the ADAP Medical Advisory Committee and authorized by the Office of AIDS and VRDL may be reimbursable under this contract (e.g. anti-viral resistance testing not to exceed \$500 per test, and quantitative DNA testing not to exceed \$100 per test). Prior written authorization by VRDL and OA is required before implementation of any new test. The appropriate cost for such testing will be negotiated prior to approval. Six months into the term of this contract, an assessment will be done to determine if a formal contract amendment is necessary to include these additional tests.

**Exhibit B**  
**Budget Detail and Payment Provisions**

**1. Invoicing and Payment**

- A. For services satisfactorily rendered, and upon receipt and approval of the invoices, the State agrees to compensate the Contractor for actual expenditures incurred in accordance with the rates specified herein.
- B. Invoices shall include the Agreement Number and shall be submitted in triplicate not more frequently than monthly in arrears to:

Department of Health Services  
Viral and Rickettsial Disease Laboratory  
Haynes W. Sheppard, Ph.D.  
850 Marina Bay Parkway  
Richmond, CA 94804

- C. In consideration of the services performed in a manner acceptable to the State, the State shall pay the Contractor at the rates stated in this exhibit, provision 5 upon submission of an acceptable invoice. The State may withhold or delay any payment if the Contractor fails to comply with any provisions of this Agreement. Invoices shall contain the Contractor name, address, contract term, expense period and shall reference Viral Load Testing (VLT) Program. For each test performed, the invoice shall also provide the client identifier (Client URN), the VLT program voucher number.

**2. Budget Contingency Clause**

- A. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement.
- B. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the State shall have the option to either cancel this Agreement with no liability occurring to the State, or offer an agreement amendment to Contractor to reflect the reduced amount.

**3. Prompt Payment Clause**

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

#### 4. Timely Submission of Final Invoice

- A. A final undisputed invoice shall be submitted for payment no more than ninety (90) calendar days following the expiration or termination date of this contract, unless a later or alternate deadline is agreed to in writing by the program contract manager. Said invoice should be clearly marked "Final Invoice", thus indicating that all payment obligations of the State under this contract have ceased and that no further payments are due or outstanding.
- B. The State may, at its discretion, choose not to honor any delinquent final invoice if the contractor fails to obtain prior written State approval of an alternate final invoice submission deadline. Written State approval shall be sought from the program contract manager prior to the expiration or termination date of this contract.
- C. The Contractor is hereby advised of its obligation to submit, with the final invoice, a "Contractor's Release (Exhibit F)" acknowledging submission of the final invoice to the State and Certifying the approximate percentage amount, if any, of recycled products used in performance of this contract.

#### 5. Cost for Service

No budget detail is provided since reimbursement will be on the basis of a fixed price per Viral Load Test plus a small number of other specifically approved expenditures (e.g. required equipment or commercial proficiency programs) that require prior written authorization. The State shall reimburse the Contractor at the rate of \$100 per test. Each test result shall be reported to the submitter and shall be reported to the VRDL along with the required demographic and eligibility data. In return for this fee, the Contractor shall provide all necessary personnel, test kits, materials, and all transportation costs. It shall be the responsibility of the VRDL to monitor the number of tests performed for each EIP and LHJ authorized site and to notify in writing the Public Health Laboratory, the Office of AIDS, and the EIP/LHJ site when the allocation of tests has been expended. The State shall pay the Contractor for all eligible tests performed prior to such written notification.

The maximum number of regional client Viral Load Tests performed by the Contractor shall not exceed 500.

$$500 \text{ tests} \times \$100 \text{ per test} = \$50,000$$

If specifically approved expenditures for necessary equipment purchases (for which a formal amendment will be submitted), proficiency program costs, or additional VLT-related tests referenced in this exhibit are charged to this contract, the maximum number of client Viral Load Tests will be reduced so that all costs remain within the \$50,000 budget.

The Contractor may purchase any additional equipment (e.g. an ultra-centrifuge, cost not to exceed \$10,000) necessary to implement changes in VLT methods (e.g. changes recommended by the ADAP Medical Advisory Committee), which are authorized by the OA and VRDL jointly. A formal amendment will be submitted if such purchases are warranted.

8. INDEPENDENT CONTRACTOR: Contractor, and the agents and employees of Contractor, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.

14. GOVERNING LAW: This contract is governed by and shall be interpreted in accordance with the laws of the State of California.

15. ANTITRUST CLAIMS: The Contractor by signing this agreement hereby certifies that if these services or goods are obtained by means of a competitive bid, the Contractor shall comply with the requirements of the Government Codes Sections set out below.

a. The Government Code Chapter on Antitrust claims contains the following definitions:

- 1). "Public purchase" means a purchase by means of competitive bids of goods, services, or materials by the State or any of its political subdivisions or public agencies on whose behalf the Attorney General may bring an action pursuant to subdivision (c) of Section 16750 of the Business and Professions Code.

Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by the bidder for sale to the purchasing body pursuant to the bid. Such assignment shall be made and become effective at the time the purchasing body tenders final payment to the bidder. Government Code Section 4552.

c. If an awarding body or public purchasing body receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this chapter, the assignor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the public body any portion of the recovery, including treble damages, attributable to overcharges that were paid by the assignor but were not paid by the public body as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Government Code Section 4553.

d. Upon demand in writing by the assignor, the assignee shall, within one year from such demand, reassign the cause of action assigned under this part if the assignor has been or may have been injured by the violation of law for which the cause of action arose and (a) the assignee has not been injured thereby, or (b) the assignee declines to file a court action for the cause of action. 18. UNION ORGANIZING For all contracts, except fixed price contracts of \$50,000 or less, the Contractor acknowledges that:

By signing this agreement Contractor hereby acknowledges the applicability of Government Code Section 16645 through Section 16649 to this agreement and agrees to the following:

b) No state funds received under this agreement will be used to assist, promote or deter union organizing.

c) Contractor will not, for any business conducted under this agreement, use any state property to hold meetings with employees or supervisors, if the purpose of such meetings is to assist, promote or deter union organizing, unless the state property is equally available to the general public for holding meetings.

d) If Contractor incurs costs, or makes expenditures to assist, promote or deter union organizing, Contractor will maintain records sufficient to show that no reimbursement from state funds has been sought for these costs, and that Contractor shall provide those records to the Attorney General upon request.

## 2. Procurement Rules

(Applicable to all agreements in which equipment, miscellaneous property, commodities and/or supplies are furnished by DHS or expenses for said items are reimbursed with state funds.)

### a. Equipment definitions

Wherever the term equipment and/or miscellaneous property is used, the following definitions shall apply:

- (1) **Major equipment:** A tangible or intangible item having a base unit cost of \$5,000 or more with a life expectancy of one (1) year or more and is either furnished by DHS or the cost is reimbursed through this agreement. Software and videos are examples of intangible items that meet this definition.
- (2) **Minor equipment:** A tangible item having a base unit cost of less than \$5,000 with a life expectancy of one (1) year or more that is listed on the DHS Asset Management Unit's Minor Equipment List and is either furnished by DHS or the cost is reimbursed through this agreement. Contractors may obtain a copy of the Minor Equipment List by making a request through the DHS program contract manager.
- (3) **Miscellaneous property:** A specific tangible item with a life expectancy of one (1) year or more that is either furnished by DHS or the cost is reimbursed through this agreement. Examples include, but are not limited to: furniture (excluding modular furniture), cabinets, typewriters, desktop calculators, portable dictators, non-digital cameras, etc.

b. **Government and public entities** (including state colleges/universities and auxiliary organizations), whether acting as a contractor and/or subcontractor, may secure all commodities, supplies, equipment and services related to such purchases that are required in performance of this agreement. Said procurements are subject to Paragraphs d through h of Provision 2. Paragraph c of Provision 2 shall also apply, if equipment purchases are delegated to subcontractors that are nonprofit organizations or commercial businesses.

c. **Nonprofit organizations and commercial businesses**, whether acting as a contractor and/or subcontractor, may secure commodities, supplies, equipment and services related to such purchases for performance under this agreement.

- (1) Equipment purchases shall not exceed \$50,000 annually.

To secure equipment above the annual maximum limit of \$50,000, the Contractor shall make arrangements through the appropriate DHS program contract manager, to have all remaining equipment purchased through DHS' Purchasing Unit. The cost of equipment purchased by or through DHS shall be deducted from the funds available in this agreement. Contractor shall submit to the DHS program contract manager a list of equipment specifications for those items that the State must procure. The State may pay the vendor directly for such arranged equipment purchases and title to the equipment will remain with DHS. The equipment will be delivered to the Contractor's address, as stated on the face of the agreement, unless the

Contractor notifies the DHS program contract manager, in writing, of an alternate delivery address.

- (2) All equipment purchases are subject to Paragraphs d through h of Provision 2. Paragraph b of Provision 2 shall also apply, if equipment purchases are delegated to subcontractors that are either a government or public entity.
- (3) Nonprofit organizations and commercial businesses, shall use a procurement system that meets the following standards:
  - (a) Maintain a code or standard of conduct that shall govern the performance of its officers, employees, or agents engaged in awarding procurement contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a procurement contract in which, to his or her knowledge, he or she has a financial interest.
  - (b) Procurements shall be conducted in a manner that provides, to the maximum extent practical, open, and free competition.
  - (c) Procurements shall be conducted in a manner that provides for all of the following:

    - [3] Take positive steps to utilize small and veteran owned businesses.
- d. Unless waived or otherwise stipulated in writing by DHS, prior written authorization from the appropriate DHS program contract manager will be required before the Contractor will be reimbursed for any purchase of \$5,000 or more for commodities, supplies, equipment, and services related to such purchases. The Contractor must provide in its request for authorization all particulars necessary, as specified by DHS, for evaluating the necessity or desirability of incurring such costs. The term "purchase" excludes the purchase of services from a subcontractor and public utility services at rates established for uniform applicability to the general public.
- e. In special circumstances, determined by DHS (e.g., when DHS has a need to monitor certain purchases, etc.), DHS may require prior written authorization and/or the submission of paid vendor receipts for any purchase, regardless of dollar amount. - h. DHS may, with cause (e.g., with reasonable suspicion of unnecessary purchases or use of inappropriate purchase practices, etc.), withhold, cancel, modify, or retract the delegated purchase authority granted under Paragraphs b and/or c of Provision 2 by giving the Contractor no less than 30 calendar days written notice.

### 3. Equipment Ownership / Inventory / Disposition

(Applicable to agreements in which equipment and/or miscellaneous property is furnished by DHS and/or when said items are purchased or reimbursed with state funds.)

- a. Wherever the term equipment and/or miscellaneous property is used in Provision 3, the definitions in Provision 2, Paragraph a shall apply.

All equipment and/or miscellaneous property that are purchased/reimbursed with agreement funds or furnished by DHS under the terms of this agreement and not fully consumed in performance of this agreement shall be considered state equipment and the property of DHS.

- (1) If the Contractor is a nonprofit organization (as defined in H&S Code section 38040) and receives \$25,000 or more from any State agency under a direct service contract; the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit. Said audit shall be conducted according to Generally Accepted Auditing Standards. This audit does not fulfill the audit requirements of Paragraph c(3) below. or
- (2) If the Contractor is a nonprofit organization (as defined in H&S Code section 38040) and receives less than \$25,000 per year from any State agency under a direct service contract, the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. or
- (3) If the Contractor is a State or Local Government entity or Nonprofit organization (as defined by the Federal Office of Management and Budget [OMB] Circular A-133) and expends \$300,000 or more in Federal awards, the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit according to the requirements specified in OMB Circular A-133 entitled "Audits of States, Local Governments, and Non-Profit Organizations". An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The requirements of this provision apply if:

- (a) The Contractor is a recipient expending Federal awards received directly from Federal awarding agencies, or
- (b) The Contractor is a subrecipient expending Federal awards received from a pass-through entity such as the State, County or community based organization.
- d. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year. Two copies of the audit report shall be delivered to the DHS program funding this agreement. The audit report must identify the Contractor's legal name and the number assigned to this agreement. The report shall be due within 30 days after the completion of the audit. Upon receipt of said audit report, the DHS program contract manager shall forward the audit report to DHS' Audits and Investigations Unit.
- e. The cost of the audits described herein may be included in the funding for this agreement up to the proportionate amount this agreement represents of the Contractor's total revenue. The DHS program funding this agreement must provide advance written approval of the specific amount allowed for said audit expenses.
- f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.
- g. Nothing in this agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.
- h. Nothing in this provision limits the authority of the State to make audits of this contract, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.

- b. It should be expressly understood that the obligations hereunder shall be conditioned upon this contract being one that falls within the purview of Section 895 of the Government Code.

#### 21. Union Organizing

(Applicable only to grant agreements.)

Grantee, by signing this agreement, hereby acknowledges the applicability of Government Code 16645 through 16649 to this agreement. Furthermore, Grantee, by signing this agreement, hereby certifies that:

- b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.

- c. Grantee shall, where state funds are not designated as described in 2 above, allocate, on a pro-rata basis, all disbursements that support the grant program.
- d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

## 22. Contract Uniformity (Fringe Benefit Allowability)

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, DHS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.
- b. As used herein, fringe benefits do not include:
  - (1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
  - (2) Director's and executive committee member's fees.
  - (3) Incentive awards and/or bonus incentive pay.
  - (4) Allowances for off-site pay.
  - (5) Location allowances.
  - (6) Hardship pay.
  - (7) Cost-of-living differentials
- c. Specific allowable fringe benefits include:
  - (1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.
- d. To be an allowable fringe benefit, the cost must meet the following criteria:
  - (1) Be necessary and reasonable for the performance of the agreement.
  - (2) Be determined in accordance with generally accepted accounting principles.
  - (3) Be consistent with policies that apply uniformly to all activities of the Contractor.
- e. Contractor agrees that all fringe benefits shall be at actual cost.
- f. Earned/Accrued Compensation
  - (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.
  - (2) For multiple year contracts, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the agreement. Holidays cannot be carried over from one contract year to the next. See f Provision (3)(b) for an example.

- (3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a contract period of one year. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of the agreement, the Contractor during a one-year agreement term may only claim up to three weeks of vacation and twelve days of sick leave actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the agreement are not an allowable cost.

(b) **Example No. 2:**

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) **Example No. 3:**

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

If accepted and after negotiations are concluded, the agreed upon changes shall be made through the State's official agreement amendment process. No amendment will be considered binding on either party until it is formally approved by the State.
- B. The State Office of AIDS and the Viral and Rickettsial Disease Laboratory reserve the right to establish or amend program-related policies and procedures as they effect VLT program priorities.

- B. Upon receipt of a notice of termination or cancellation from DHS, Contractor shall take immediate steps to stop performance and to cancel or reduce subsequent contract costs.
- C. Contractor shall be entitled to payment for all allowable costs authorized under this agreement, including authorized non-cancelable obligations incurred prior to receipt of the notice of termination or cancellation, provided such expenses do not exceed the stated maximum amounts payable.
