## Grant Agreement

San Mateo County Health Services Agency  
And Seton Medical Center

On June 26, 2002, Seton Medical Center (hereafter referred to as "Seton") approved a community grant to the San Mateo County Health Services Agency (hereafter referred to as "grantee") in the amount of \$32,890. The grant is for one year of support for the community health worker services provided by the Mother Infant Wellness Program to the Prenatal to Three Initiative.

The grantee agrees and consents to the following conditions of the grant:

- Grantee shall use the award solely to provide support for the community health worker services of the Mother Infant Wellness Program to the Prenatal to Three Initiative. Grantee shall not request funding for other purposes.
- Grantee shall provide a quarterly letter requesting funding for the previous three months that confirms expenditure of the grant for authorized activities. These letters will be due by the following dates:
  - October 15, 2002
  - January 15, 2003
  - April 15, 2003
  - July 15, 2003
- Failure to submit letters when due may be cause for immediate termination of the grant.

IN WITNESS WHEREOF, this Grant Agreement is signed this \_\_\_\_\_ day of July, 2002,

by \_\_\_\_\_, Director of Health Services.

SIGNED: \_\_\_\_\_
