

SAN MATEO COUNTY

INTER-OFFICE MEMORANDUM

DATE: September 3, 2002

TO: Honorable Board of Supervisors  
FROM: Supervisor Mike Nevin *mdn*  
SUBJECT: Appointment to the Commission on Publicly Assisted Medical Care  
(Health Plan of San Mateo)

RECOMMENDATION

Approve the appointment of Nancy Steiger to the Commission on Publicly Assisted Medical Care (Health Plan of San Mateo) Board of Directors, representing the position of Nurse (RN). The term will expire on January 1, 2005.

Discussion

It has come to my attention that Commissioner Katherine McMillan of the Health Plan of San Mateo Board of Directors, has resigned from the Commission. She has served the Plan well, but she feels it is time to fully enjoy her life with her children and grandchildren.

Commissioner McMillan fills the position of Nurse (RN) on the Board. Ms. McMillan's term expires on January 1, 2005. I respectfully request approval for the appointment of Nancy Steiger, CEO, San Mateo County Health Center, who is also a certified RN to fill Ms. McMillan's remaining term on the Board. I believe this appointment is in the best interest of the health plan goals of San Mateo County.
