Ms. Kristin S. Cornuelle, Manager
County of San Mateo Workforce Investment Board
400 Harbor Boulevard, Bldg. B
Belmont, CA 94002

Dear Ms. Cornuelle:

This letter confirms that the State of California has awarded \$2,538,390 from its dislocated worker funds (as identified in section 134[a][2][A][iii] of the Workforce Investment Act) to allow San Mateo County to assist dislocated workers laid-off from employment in the airline and other affected industries.

The first increment of funding (\$1,461,268) is available as of October 1, 2001.

Members of my staff contacted you and others to discuss your project plan and to provide information about another State-funded program that will serve laid-off airline workers. I would like to take this opportunity to express my appreciation for your commitment to implement your project in close cooperation with your partners in neighboring Local Workforce Investment Areas and to coordinate your efforts with other sources of funding such as the IAM CARES Project.

I foresee a very successful project that will provide much-needed assistance to help laid-off airline workers return to work or qualify for alternative employment.

If you have questions about this letter please contact Mr. Steve Saxton, manager of our Program Section, at (916) 654-6425.

Sincerely,

BOB HERMSMEIER
Acting Chief
Workforce Investment Division
