APRIL 30, 2012**

RESOLVED, by the Board of Supervisors of the County of San Mateo, State of California,
that:

WHEREAS, the San Mateo County Abandoned Vehicle Abatement Program (AVAP) Service Authority was formed in 1991 pursuant to California Vehicle Code (CVC) Section 22710; and

WHEREAS, pursuant to CVC Section 9250.7, the Service Authority imposes a one dollar (\$1) annual service fee on all motor vehicles registered to owners residing in San Mateo County, and said funds have since 1991 been fully collected and expended in support of the San Mateo County AVAP; and

WHEREAS, existing authority to collect said one dollar AVAP service fee is set to expire on May 31, 2003;

WHEREAS, CVC Section 9250.7 has been amended to allow for a ten (10) year extension of the AVAP service fee upon approval by two-thirds vote of the County Board of Supervisors and subsequent confirmation by the City Councils of a majority of the incorporated cities within the County, comprising a majority of the incorporated area population; and

WHEREAS, this Board finds it is necessary and desirable for all the residents of San Mateo County that abandoned vehicles within the County continue to be efficiently abated, and that the AVAP service fee which funds this valuable service be extended for an additional ten years:

NOW THEREFORE, IT IS HEREBY DETERMINED AND ORDERED THAT:
pursuant to Section 9250.7 CVC, this Board of Supervisors authorizes an extension of the existing one dollar (\$1) AVAP service fee imposed on San Mateo County vehicle registrations through April 30, 2012, and this action may be confirmed by any and all City Councils of participating AVAP agencies
