The duty of Association to indemnify and hold harmless, as set forth herein, shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

The Association shall furnish the Parks and Recreation Division with certificates of insurance evidencing the required coverage and there shall be a specific contractual liability endorsement extending the Association coverage to include the contractual liability assumed by the

to the full limits of liability of the policy, and that if the County, or its officers and employees, have other insurance against a loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, the Parks and Recreation Division, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement, suspend all further work pursuant to this Agreement and terminate Agreement per Section 12.

SECTION 6. FIDELITY BOND. County shall be named as an additional insured on said bond. Failure to comply will be a breach of this Agreement and may result in the withholding of funds or in termination by County.

SECTION 7. TIME. Time is of the essence of this Agreement.

SECTION 8. ENTIRE CONTRACT. It is expressly agreed between the parties that no alteration or variation of the terms of this Agreement shall be valid unless made in writing and signed by the parties and no oral understanding or agreement not incorporated herein shall be binding on the parties hereto.

Any such termination shall be effective for all purposes except as to obligations acquired prior to the effective date thereof.
- B. Further, should Association fail to perform any covenant contained herein, County may

immediately terminate this Agreement. Termination by County shall be effective upon the mailing, return receipt requested, of notice thereof. Thereafter, County may take whatever action it deems proper to cure such failure to perform.

- C. In the event of such termination under this Section 12, Association shall immediately remit to County, in an amount proportionate to the remaining term of this Agreement, all funds previously advanced by the County under Section 3A of this Agreement.

Association shall provide County with a copy of its response to the Complaint when filed.

SECTION 14. Equal Benefits. With respect to the provision of employee benefits, Association shall comply with the County Ordinance which prohibits contractors from discriminating in the provision of employee benefits between an employee with a domestic partner and an employee with a spouse.

SECTION 15. Records.

- B. Association shall maintain and preserve all financial records relating to this Agreement for a period of four (4) years from the termination date of this Agreement, or until audit findings are resolved, whichever is greater.

SECTION 16. Compliance with Applicable Laws. Section 504, Rehabilitation Act of 1973

Section 794. Nondiscrimination under Federal grants and programs; promulgation of rules and regulations

(a) Promulgation of rules and regulations

No otherwise qualified individual with a disability in the United States, as defined in section 706 (20) of this title, shall, solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance or under any program or activity conducted by any Executive agency or by the United States Postal Service. The head of each such agency shall promulgate such regulations as may be necessary to carry out the amendments to this section made by the Rehabilitation, Comprehensive Services, and Development Disabilities Act of 1978. Copies of any proposed regulations shall be submitted to appropriate authorizing committees of the Congress, and such regulation may take effect no earlier than the thirtieth day after the date of which such regulation is so submitted to such committees.

(b) "Program or activity" defined

For the purposes of this section, the term "program or activity" means all of the operations of –

(1)(A) a department, agency, special purpose district, or other instrumentality of a State or of a local government; or

(B) the entity of such State or local government that distributes such assistance and each such department or agency (and each other State or local government entity) to which the assistance is extended, in the case of assistance to a State or local government;

(2)(A) a college, university, or other postsecondary institution, or a public system of higher education; or

(B) a local educational agency (as defined in section 8801 of Title 20), system of vocational education, or other school system;

(3)(A) an entire corporation, partnership, or other private organization, or an entire sole proprietorship –

(i) if assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or

(ii) which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or

(B) the entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or

(4) any other entity which is established by two or more of the entities described in paragraph (1), (2) or (3); any part of which is extended Federal financial assistance.

(c) Significant structural alterations by small providers

Small providers are not required by subsection (a) to make significant structural alterations to their existing facilities for the purpose of assuring program accessibility, if alternative means of providing the services is available. The terms used in this subsection shall be construed with reference to the regulations existing on March 22, 1988.

(d) Standards used in determining violation of section

The standards used to determine whether this section has been violated in a complaint alleging employment discrimination under this section shall be the standards applied under title I of the Americans with Disabilities Act of 1990 (42 U.S.C. 12111 et seq.) and the provisions of sections 501 through 504, and 510, of the Americans with Disabilities Act of 1990 (42 U.S.C. 12201-12204 and 12210), as such sections related to employment.

Section 794a. Remedies and attorney fees

(a)(1) The remedies, procedures, and rights set forth in section 717 of the Civil Rights Act of 1964 (42 U.S.C. 2000e-16), including the application of sections 706(f) through 706 (k) [42 U.S.C. 2000e-5(f) through k)] shall be available, with respect to any complaint under section 791 of this title, to any employee or applicant for employment aggrieved by the final disposition of such complaint, or by the failure to take final action on such complaint. In fashioning an equitable or affirmative action remedy under such section, a court may take into account the reasonableness of the cost of any necessary work place accommodation, and the availability of alternative therefor or other appropriate relief in order to achieve an equitable and appropriate remedy.

(2) The remedies, procedures, and rights set forth in title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq) shall be available to any person aggrieved by any act or failure to act by any recipient of Federal assistance or Federal provider of such assistant under section 794 of this title.

(b) In any action or proceeding to enforce or charge a violation of a provision of this subchapter, the court, in its discretion, may allow the prevailing party, other than the United States, a reasonable attorney's fee as part of the costs.
