Re: Appointment to County Civil Service Commission

RECOMMENDATION:

It is recommended that Julie Hartsell be re-appointed to represent District Three on the San Mateo County Civil Service Commission. This appointment will be for a four-year term ending on December 31, 2006.

BACKGROUND:

Julie Hartsell is a resident of Pacifica and has been serving as the District Three representative to the San Mateo County Planning Commission. She is eligible for re-appointment and given her record of service I highly recommend her re-appointment for another four-year term.
