4. **Exhibit A-1 – Program Description for the term OCTOBER 1, 2002 – SEPTEMBER 30, 2004 is amended to read as follows:**

The Peninsula Community Foundation (PCF) will serve as the fiscal sponsor for the Peninsula Partnership for Children, Youth and Families (PPCYF) and in that capacity, will accept the legal responsibility for this Agreement, sign all agreements and discharge the financial obligations on behalf of PPCYF, a coalition of public and private agencies and individuals.

In accordance with the three-year plan previously approved by the San Mateo County Board of Supervisors, Peninsula Community Foundation will distribute San Mateo County Promoting Safe and Stable Families (PSSF) Program funds and Temporary Assistance for Needy Families (TANF) Program funds in three installments to fiscal sponsors in nine local collaborative sites that will act as sub-contractors. The collaborative sites, which have been selected because they are home to a large number of children and families in need, are in Daly City, East Palo Alto, Half Moon Bay, Menlo Park, Pacifica, Pescadero, Redwood City, San Mateo and South San Francisco. Permission to sub-contract is attached as **Exhibit A-2**.

PCF will direct PPCYF to support and oversee the implementation of the PSSF and TANF programs in the collaborative sites and will abide by the regulations set forth by the California Department of Social Services (CDSS) for these programs. An outline of PPCYF's plan for program monitoring is attached as **EXHIBIT D**.

The collaborative sites will implement the PSSF and TANF programs as part of a broader three-year work plan to develop a comprehensive, integrated and community-based system of services and informal supports to help families meet the health, education, emotional, social and economic needs of their young children. Systems in each of the nine collaborative sites will focus on families and children from before birth through third grade and will seek to accomplish the outcomes of school readiness by kindergarten and academic success by third grade. In accordance with CDSS requirements, at least 30% of the total PSSF funds will be used by the 9 collaborative sites for Adoption Promotion and Support, and Time-Limited Family Reunification in Year Two (2) FY 2002-2003. At least 40% of the total PSSF funds will be used by the 9 collaborative sites for Adoption Promotion and Support, and Time-Limited Family Reunification in Year Three (3) FFY 2003-2004. In addition, each collaborative site will dedicate at least \$20,485 received from TANF funds in FY 2002-2003 to one or more of the TANF goals. A variety of family support and family preservation programs will be implemented in the collaborative sites to accomplish these outcomes.

In order to be eligible for the TANF funding in FFY 2002-2003, each collaborative site shall refine and finalize: (1) a plan and strategy for integrating the coordination and delivery of Promoting Safe and Stable Families services provided under this Agreement as an integral part of the local government and school district of each collaborative site; and (2) a financial sustainability plan, both of which meet the requirements of the County and PCF. In order to assist those collaborative sites that choose to develop the above-referenced plans, PCF shall, as part of this Agreement, provide consultative and technical assistance services to these collaborative sites.

**5. Exhibit A-2 – Approval to Sub-Contract for the term OCTOBER 1, 2002 – SEPTEMBER 30, 2004 is amended to read as follows:**

In doing so, the Peninsula Community Foundation will use approved forms, monitor the expenditure of the funds and the execution of the service. The Peninsula Community Foundation will further see that the consultants and sub-contractors adhere to all the terms and conditions required by the San Mateo County Human Services Agency as part of this Agreement including, but not limited to, insurance requirements and audit procedures.
