- Family Strength

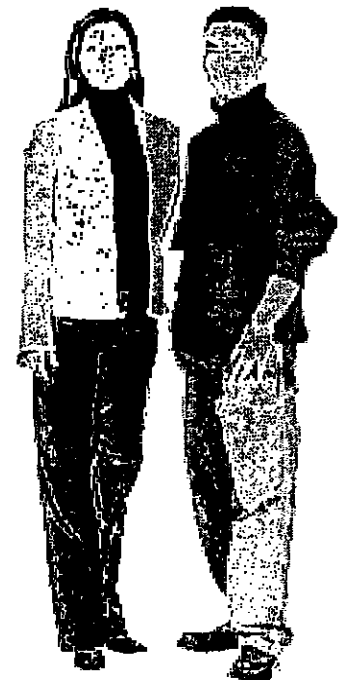

ACAT Mission

To work in partnership with the community to provide all adolescents in San Mateo County with support, services and programs needed to achieve self-sufficiency and a positive transition to a healthy, responsible and productive adult life.

Goal 1

All adolescents will have a meaningful,
caring adult in their lives.

Goal 2

All adolescents will have the educational foundation to achieve life-long career goals.

Goal 3

The business community will invest in youth to develop the next workforce generation.

Goal 4

All adolescents will live in a healthy environment.

ACAT

Goal 5

All adolescents will have access to affordable housing.

Goal 6

All adolescents will live in safe families and communities.

Goal 7

The community will accept responsibility for the well-being of youth, creating supportive neighborhoods and communities to enable them to thrive and succeed.

Next Steps

- Subcommittees formed and work plans in development
- Advisory body for community planning
- Resource development and grant support
- Bringing business and youth to the table
