Subsequent training or mailing in both 2005 and 2006 will include follow-up surveys to determine if there has been a decrease in ignorance regarding these issues.</p> <p>2. Lack of resources – Many local jurisdictions are experiencing severe budget cuts and staff reductions that may lower their ability to collaborate and cooperate with the LHRC&EP.</p> <p>Plan to overcome barrier:</p> <p>Contact appropriate individuals in each agency in the first phase of the LHRC&EP in March 2004 as per workplan. Emphasize that we are implementing a new program to address lead hazards in the community and that we will follow up on any issues that they refer to us. In this initial contact, it will be important to not ask for anything from the partner agency but rather to offer our service and invite them to participate in “free” training in May 2004. By Autumn 2004, create forms and/or referral procedures for partner agencies that will work with their organizational structure. During the entire</p>

Contractor shall submit to the DHS program contract manager a list of equipment specifications for those items that the State must procure. The State may pay the vendor directly for such arranged equipment purchases and title to the equipment will remain with DHS. - (2) Nothing in this provision shall restrict, limit, or otherwise prevent Contractor from using any ideas, concepts, know-how, methodology or techniques related to its performance under this agreement, provided that Contractor's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of DHS or third party, or result in a breach or default of any provisions of this Exhibit or result in a breach of any provisions of law relating to confidentiality.

c. Copyright

- (1) Contractor agrees that for purposes of copyright law, all works [as defined in Section a, subparagraph (2)(a) of this provision] of authorship made by or on behalf of Contractor in connection with Contractor's performance of this agreement shall be deemed "works made for hire". Contractor further agrees that the work of each person utilized by Contractor in connection with the performance of this agreement will be a "work made for hire," whether that person is an employee of Contractor or that person has entered into an agreement with Contractor to perform the work. Contractor shall enter into a written agreement with any such person that: (i) all work performed for Contractor shall be deemed a "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to DHS to any work product made, conceived, derived from, or reduced to practice by Contractor or DHS and which result directly or indirectly from this agreement.
- (2) All materials, including, but not limited to, visual works or text, reproduced or distributed pursuant to this agreement that include Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHS and which result directly or indirectly from this agreement, shall include DHS' notice of copyright, which shall read in 3mm or larger typeface: "© 2001, State of California, Department of Health Services. This material may not be reproduced or disseminated without prior written permission from the Department of Health Services." This notice should be placed prominently on the materials and set apart from other matter on the page where it appears. Audio productions shall contain a similar audio notice of copyright.

d. Patent Rights

With respect to inventions made by Contractor in the performance of this agreement, which did not result from research and development specifically included in the agreement's scope of work, Contractor hereby grants to DHS a license as described under Section b of this provision for devices or material incorporating, or made through the use of such inventions. If such inventions result from research and development work specifically included within the agreement's scope of work, then Contractor agrees to assign to DHS, without additional compensation, all its right, title and interest in and to such inventions and to assist DHS in securing United States and foreign patents with respect thereto.

e. Third-Party Intellectual Property

Except as provided herein, Contractor agrees that its performance of this agreement shall not be dependent upon or include any Intellectual Property of Contractor or third party without first: (i) obtaining DHS' prior written approval; and (ii) granting to or obtaining for DHS, without additional compensation, a license, as described in Section b of this provision, for any of Contractor's or third-party's Intellectual Property in existence prior to the effective date of this agreement. If such a license upon the these terms is unattainable, and DHS determines that the Intellectual Property should be included in or is required for Contractor's performance of this agreement, Contractor shall obtain a license under terms acceptable to DHS.

f. Warranties

(1) Contractor represents and warrants that:

- (a) It is free to enter into and fully perform this agreement.
- (b) It has secured and will secure all rights and licenses necessary for its performance of this agreement.
- (c) Neither Contractor's performance of this agreement, nor the exercise by either Party of the rights granted in this agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHS and which result directly or indirectly from this agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by Contractor.
- (d) Neither Contractor's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.
- (e) It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites, locations, property or props that may be used or shown.
- (f) It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to DHS in this agreement.
- (g) It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
- (h) It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this agreement.

(2) DHS MAKES NO WARRANTY THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

g. Intellectual Property Indemnity

- (1) Contractor shall indemnify, defend and hold harmless DHS and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHS and which result directly or indirectly from this agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this agreement. DHS reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against DHS.
- (2) Should any Intellectual Property licensed by the Contractor to DHS under this agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve DHS' right to use the licensed Intellectual Property in accordance with this agreement at no expense to DHS. DHS shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for DHS to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHS shall be entitled to a refund of all monies paid under this agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
- (3) Contractor agrees that damages alone would be inadequate to compensate DHS for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges DHS would suffer irreparable harm in the event of such breach and agrees DHS shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

h. Federal Funding

In any agreement funded in whole or in part by the federal government, DHS may acquire and maintain the Intellectual Property rights, title, and ownership, which results directly or indirectly from the agreement; except as provided in 37 Code of Federal Regulations part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

i. Survival

The provisions set forth herein shall survive any termination or expiration of this agreement or any project schedule.

9. Prior Approval of Training Seminars, Workshops or Conferences

Contractor shall obtain prior DHS approval of the location, costs, dates, agenda, instructors, instructional materials, and attendees at any reimbursable training seminar, workshop, or conference conducted pursuant to this agreement and of any reimbursable publicity or educational materials to be made available for distribution. The Contractor shall acknowledge the support of the State whenever publicizing the work under this agreement in any media. This provision does not apply to necessary staff meetings or training sessions held for the staff of the Contractor or Subcontractor to conduct routine business matters.

10. Confidentiality of Information

- a. The Contractor and its employees, agents, or subcontractors shall protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to this agreement or persons whose names or identifying information become available or are disclosed to the Contractor, his/her employees, agents, or subcontractors as a result of services performed under this agreement, except for statistical information not identifying any such person.
- b. The Contractor and its employees, agents, or subcontractors shall not use such identifying information for any purpose other than carrying out the Contractor's obligations under this agreement.
- c. The Contractor and its employees, agents, or subcontractors shall promptly transmit to the DHS program contract manager all requests for disclosure of such identifying information not emanating from the client or person.

12. Dispute Resolution Process

- a. A Contractor grievance exists whenever the Contractor believes there is a dispute arising from DHS' action in the administration of an agreement. If the Contractor believes there is a dispute or grievance between the Contractor and DHS, both parties shall follow the procedure outlined below.
 - (1) The Contractor should first discuss the problem informally with the DHS program contract manager. If the problem cannot be resolved at this stage, the Contractor shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief shall make a determination on the problem within ten (10) working days after receipt of the written communication from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons

therefore. Should the Contractor disagree with the Branch Chief's decision, the Contractor may appeal to the second level.

- (2) The Contractor must prepare a letter indicating the reasons for disagreement with Branch Chief's decision. The Contractor shall include with the letter a copy of the Contractor's original statement of dispute with any supporting documents and a copy of the Branch Chief's response. This letter shall be sent to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief's decision. The Deputy Director of the division funding this agreement or his/her designee shall meet with the Contractor to review the issues raised. A written decision signed by the Deputy Director of the division funding this agreement or his/her designee shall be returned to the Contractor within twenty (20) working days of receipt of the Contractor's letter.

If the Contractor wishes to appeal the decision of the Deputy Director of the division funding this agreement or his/her designee, the Contractor shall follow the procedures set forth in Division 25.1 (commencing with Section 38050) of the Health and Safety Code and the regulations adopted thereunder. - d. Unless otherwise stipulated by DHS, dispute, grievance and/or appeal correspondence shall be directed to the DHS program contract manager.

13. Financial and Compliance Audit Requirements

Direct service contracts shall not include contracts, grants, or subventions to other governmental agencies or units of government nor contracts with regional centers or area agencies on aging (See H&S Code section 38030).
- c. The Contractor, as indicated below, agrees to obtain one of the following audits:
 - (1) If the Contractor is a nonprofit organization (as defined in H&S Code section 38040) and receives \$25,000 or more from any State agency under a direct service contract; the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit. Said audit shall be conducted according to Generally Accepted Auditing Standards. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**
 - (2) If the Contractor is a nonprofit organization (as defined in H&S Code section 38040) and receives less than \$25,000 per year from any State agency under a direct service contract, the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**
 - (3) If the Contractor is a State or Local Government entity or Nonprofit organization (as defined by the Federal Office of Management and Budget [OMB] Circular A-133) and expends \$300,000 or more in Federal awards, the Contractor agrees to obtain an annual single,

An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The audit shall be completed by the end of the ninth month following the end of the audit period. The requirements of this provision apply if:

- (a) The Contractor is a recipient expending Federal awards received directly from Federal awarding agencies, or
 - (b) The Contractor is a subrecipient expending Federal awards received from a pass-through entity such as the State, County or community based organization.
- (4) If the Contractor submits to DHS a report of an audit other than an OMB A-133 audit, the Contractor must also submit a certification indicating the Contractor has not expended \$300,000 or more in federal funds for the year covered by the audit report.
- d. Two copies of the audit report shall be delivered to the DHS program funding this agreement. The audit report must identify the Contractor's legal name and the number assigned to this agreement. The audit report shall be due within 30 days after the completion of the audit. Upon receipt of said audit report, the DHS program contract manager shall forward the audit report to DHS' Audits and Investigations Unit.
 - e. The cost of the audits described herein may be included in the funding for this agreement up to the proportionate amount this agreement represents of the Contractor's total revenue. The DHS program funding this agreement must provide advance written approval of the specific amount allowed for said audit expenses.
 - f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.
 - g. Nothing in this agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.
 - h. Nothing in this provision limits the authority of the State to make audits of this contract, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.
 - i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.

14. Novation Requirements

If the Contractor proposes any novation agreement, DHS shall act upon the proposal within 60 days after receipt of the written proposal. DHS may review and consider the proposal, consult and negotiate with the Contractor, and accept or reject all or part of the proposal. Acceptance or rejection of the proposal may be made orally within the 60-day period and confirmed in writing within five days of said decision. Upon written acceptance of the proposal, DHS will initiate an amendment to this agreement to formally implement the approved proposal.

15. Payment Withholds

(Applicable only if a final report is required by this agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this agreement, DHS may, at its discretion, withhold 10 percent (10%) of the face amount of the contract, 50 percent (50%) of the final invoice, or \$3,000 whichever is greater, until DHS receives a final report that meets the terms, conditions and/or scope of work requirements of this agreement.

16. Performance Evaluation

(Not applicable to grant agreements.)

DHS may, at its discretion, evaluate the performance of the Contractor at the conclusion of this agreement. If performance is evaluated, the evaluation shall not be a public record and shall remain on file with DHS. Negative performance evaluations may be considered by DHS prior to making future contract awards.

17. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this agreement, or to any benefit that may arise therefrom. This provision shall not be construed to extend to this agreement if made with a corporation for its general benefits.

18. Year 2000 Compliance

(Applicable to agreements in which Information Technology (IT) services are provided to DHS or if IT equipment is procured.)

The Contractor warrants and represents that the goods or services sold, leased, or licensed to the State of California, its agencies, or its political subdivisions, pursuant to this agreement are "Year 2000 Compliant." For the purposes of this agreement, a good or services is Year 2000 compliant if it will continue to fully function before, at, and after the Year 2000 without interruption and, if applicable, with full ability to accurately and unambiguously process, display, compare, calculate, manipulate, and otherwise utilize date information. This warranty and representation supersedes all warranty disclaimers and limitations and all limitations on liability provided by or through the Contractor.

19. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

The State and the Regents of the University of California shall mutually defend, indemnify and hold each other and their respective agencies, officers, employees, and agents harmless from and against any and all liability, loss, expense, attorneys' fees, or claims for injury or damages arising out of the performance of this contract but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of either the State or the Regents of the University of California.
- b. It should be expressly understood that the obligations hereunder shall be conditioned upon this contract being one that falls within the purview of Section 895 of the Government Code.

21. Union Organizing

(Applicable only to grant agreements.)

Grantee, by signing this agreement, hereby acknowledges the applicability of Government Code 16645 through 16649 to this agreement. Furthermore, Grantee, by signing this agreement, hereby certifies that:

- a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.
- b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.
- c. Grantee shall, where state funds are not designated as described in b herein, allocate, on a pro-rata basis, all disbursements that support the grant program.
- d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

22. Contract Uniformity (Fringe Benefit Allowability)

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, DHS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.
- b. As used herein, fringe benefits do not include:
 - (1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
 - (2) Director's and executive committee member's fees.
 - (3) Incentive awards and/or bonus incentive pay.
 - (4) Allowances for off-site pay.
 - (5) Location allowances.
 - (6) Hardship pay.
 - (7) Cost-of-living differentials
- c. Specific allowable fringe benefits include:
 - (1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.
- d. To be an allowable fringe benefit, the cost must meet the following criteria:
 - (1) Be necessary and reasonable for the performance of the agreement.
 - (2) Be determined in accordance with generally accepted accounting principles.
 - (3) Be consistent with policies that apply uniformly to all activities of the Contractor.
- e. Contractor agrees that all fringe benefits shall be at actual cost.

f. Earned/Accrued Compensation

- (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.
- (2) For multiple year contracts, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the agreement. Holidays cannot be carried over from one contract year to the next. See f Provision (3)(b) for an example.
- (3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a contract period of one year. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of the agreement, the Contractor during a one-year agreement term may only claim up to three weeks of vacation and twelve days of sick leave actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the agreement are not an allowable cost.

(b) **Example No. 2:**

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) **Example No. 3:**

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.
