**AN ORDINANCE REGULATING USE OF MOTOR VEHICLES FOR HUMAN  
HABITATION IN THE UNINCORPORATED AREA OF SAN MATEO COUNTY**

The Board of Supervisors of the County of San Mateo, State of California,

**ORDAINS** as follows

**SECTION 1.** Chapter 7.96, consisting of Sections 7.96.010 to 7.96.040, of Title 7 of the San Mateo County Ordinance Code, is hereby added as follows:

"Chapter 7.96 Prohibition on Use of Vehicle for Human Habitation

**7.96.010 Findings of Fact and Intent**

The San Mateo County Board of Supervisors finds that substantial public health, safety, and quality-of-life concerns are posed by persons who sleep, during evening hours, in vehicles, campers, and trailers parked on public streets, on public easements, in public parks, and in off-street parking lots located in the unincorporated area of the County. Residents of the unincorporated area of the County have informed this Board of litter and unsanitary conditions related to individuals who sleep in vehicles, campers, and trailers. Further, County residents have expressed to this Board that allowing people to sleep in vehicles, campers, and trailers in these places is incompatible with the character of communities within the unincorporated area of the County. Moreover, the presence of individuals sleeping in vehicles, campers, and trailers creates anxiety for some County residents, who contact law enforcement personnel to report suspicious vehicles. Likewise, this Board finds that persons sleeping in vehicles, campers, and trailers are at a heightened risk of being the victim of assault, robbery and other criminal activity. It is the purpose and intent of the Board of Supervisors to regulate the use of motor vehicles for sleeping in order to prevent the effects described above.
