

## ATTACHMENT - AMENDMENT 1

### ORIGINAL AGREEMENT

On July 1, 2003, the Employment Development Department, hereinafter referred to as EDD, and the County of San Mateo Revenue Services, hereinafter referred to as the County, entered into an Agreement by which the EDD is reimbursed for producing and providing copies of Wage, Claim and Employer data files. The County uses the information to assist in the collection of: 1) Cal Works program and Food Stamp program overpayments, as part of the administration of public social services; and 2) County expenditures for medical assistance services rendered.

This Agreement entered into by and between EDD, and the County is amended to read as follows:

1. **EXHIBIT A, Page 1, SCOPE OF WORK, Section 1, Purpose**

Delete second paragraph, and replace with the following language:

"This Agreement is established for the purpose of EDD producing and providing the County with wage, claim and employer address data as specified herein. The County shall use the EDD information to assist in the collection of:

- 1) CalWorks program and Food Stamp program overpayments, as part of the administration of public social services;
- 2) County expenditures for medical assistance services rendered; and
- 3) Restitution, fines, penalties, assessments and fee owed to the county or state by any person who has been directed by state mandate or court order.

2. **EXHIBIT A, Page 1, SCOPE OF WORK, Section 2, Legal Authority**

Delete the first and second paragraph, and replace with the following language:

"EDD shall make this information available to the County pursuant to Sections 1095 (f), (h), and (n)(1) of the California Unemployment Insurance Code (CUIC).

The County shall request and use the specified information pursuant to Sections 1095 (f), (h), and (n)(1) of the CUIC and the provisions of Part 5 (commencing with Section 17000) of Division 9 of the Welfare and Institutions Code."
