

**AGREEMENT BETWEEN THE COUNTY OF SAN MATEO AND
URBAN WILDLIFE MANAGEMENT, INC.**

THIS AGREEMENT, entered into this _____ day of _____,
20____, by and between the COUNTY OF SAN MATEO, hereinafter called
"County," and URBAN WILDLIFE MANAGEMENT, INC., hereinafter called
"Contractor";

W I T N E S S E T H:

WHEREAS, pursuant to Government Code, Section 31000, County may contract with independent contractors for the furnishing of such services to or for County or any Department thereof;

WHEREAS, it is necessary and desirable that Contractor be retained for the purpose of property cleaning services to conserved clients.

NOW, THEREFORE, IT IS HEREBY AGREED BY THE PARTIES HERETO AS FOLLOWS:

1. Exhibits.

The following exhibits are attached hereto and incorporated by reference herein:

Exhibit A—Services

Exhibit B—Payments and rates

Attachment I—§504 Compliance

2. Services to be performed by Contractor.

In consideration of the payments set forth herein and in Exhibit B, Contractor shall perform services for County in accordance with the terms, conditions and specifications set forth herein and in Exhibit A.

3. Payments.

In consideration of the services provided by contractor in accordance with all terms, conditions and specifications set forth herein and in Exhibit A, County shall make payment to Contractor based on the rates and in the manner specified in Exhibit B. The County reserves the right to withhold payment if the County determines that the quantity or quality of the work performed is unacceptable. In no event shall the County's total fiscal obligation under this contract exceed THREE HUNDRED THOUSAND DOLLARS (\$300,000).

4. Term and Termination.

Subject to compliance with all terms and conditions, the term of this agreement shall be from July 1, 2004 through June 30, 2007.

This Agreement may be terminated by Contractor, the Director of Health Services or his/her designee at any time without a requirement of good cause upon thirty (30) days' written notice to the other party.

In the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and materials (hereafter referred to as materials) prepared by Contractor under this Agreement shall become the property of the County and shall be promptly delivered to the County. Upon termination, the Contractor may make and retain a copy of such materials. Subject to availability of funding, Contractor shall be entitled to receive payment for work/services provided prior to termination of the Agreement. Such payment shall be that portion of the full payment which is determined by comparing the work/services completed to the work/services required by the Agreement.

5. Availability of Funds.

The County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon unavailability of Federal, State or County funds, by providing written notice to Contractor as soon as is reasonably possible after the county learns of said unavailability of outside funding.

6. Relationship of Parties.

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent Contractor and not as an employee of the County and that Contractor acquires none of the rights, privileges, powers or advantages of County employees.

7. Hold Harmless.

Contractor shall indemnify and save harmless County, its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind and description, brought for, or on account of: (A) injuries to or death of any person, including Contractor, or (B) damage to any property of any kind whatsoever and to whomsoever belonging, (C) any sanctions, penalties or claims of damages resulting from Contractor's failure to comply with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended, or (D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County, its officers, agents, employees, or servants, resulting from the performance of any work required of Contractor or payments made pursuant to this Agreement; provided that this shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth herein, shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

8. Assignability and Subcontracting.

Contractor shall not assign this Agreement or any portion thereof to a third party, or subcontract with a third party to provide services required by contractor under this agreement without the prior written consent of County. Any such assignment or subcontract without the county's prior written consent shall give County the right to automatically and immediately terminate this Agreement.

9. Insurance.

The Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this paragraph has been obtained and such insurance has been approved by the County Manager, and Contractor shall use diligence to obtain such issuance and to obtain such approval. The Contractor shall furnish the County Manager with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending the Contractor's coverage to include the contractual liability assumed by the Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to the County Manager of any pending change in the limits of liability or of any cancellation or modification of the policy.

- (1) **Worker's Compensation and Employer's Liability Insurance.** The Contractor shall have in effect during the entire life of this Agreement Workers' Compensation and Employer's Liability Insurance providing full statutory coverage. In signing this Agreement, the Contractor certifies, as required by Section 1861 of the California Labor Code, that it is aware of the provisions of Section 3700 of the California Labor Code which requires every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of the Code, and I will comply with such provisions before commencing the performance of the work of this Agreement.

- (2) **Liability Insurance.** The Contractor shall take out and maintain during the life of this Agreement such Bodily Injury Liability and Property Damage Liability Insurance as shall protect him/her while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from contractors operations under this Agreement, whether such operations be by himself/herself or by any sub-contractor or by anyone directly or indirectly employed by either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall be not less than the amount specified below.

Such insurance shall include:

- | | |
|---|-------------|
| (a) Comprehensive General Liability | \$1,000,000 |
| | |
| (b) Motor Vehicle Liability Insurance | \$1,000,000 |
| | |
| (c) Professional Liability | \$1,000,000 |
| | |

County and its officers, agents, employees and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that the insurance afforded thereby to the County, its officers, agents, employees and servants shall be primary insurance to the full limits of liability of the policy, and that if the County or its officers and employees have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, the County of San Mateo at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work pursuant to this Agreement.

10. Compliance with laws; payment of Permits/Licenses.

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable federal, state, county, and municipal laws, including, but not limited to, Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended, and the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, as amended and attached hereto and incorporated by reference herein as Attachment I, which prohibits discrimination on the basis of handicap in programs and activities receiving any federal or county financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including, but not limited to, appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations.

In the event of a conflict between the terms of this agreement and state, federal, county or municipal law or regulations, the requirements of the applicable law will take precedence over the requirements set forth in this agreement.

Contractor will timely and accurately complete, sign, and submit all necessary documentation of compliance.

11. Non-Discrimination.

- A. *Section 504 applies only to Contractor who are providing services to members of the public.* Contractor shall comply with § 504 of the Rehabilitation Act of 1973, which provides that no otherwise qualified handicapped individual shall, solely by reason of a disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination in the performance of this contract (this paragraph needed only if services provided to members of the public).
- B. *General non-discrimination.* No person shall, on the grounds of race, color, religion, ancestry, gender, age (over 40), national origin, medical condition (cancer), physical or mental disability, sexual orientation, pregnancy, childbirth or related medical condition, marital status, or political affiliation be denied any benefits or subject to discrimination under this agreement.

- C. *Equal employment opportunity.* Contractor shall ensure equal employment opportunity based on objective standards of recruitment, classification, selection, promotion, compensation, performance evaluation, and management relations for all employees under this agreement. Contractor's equal employment policies shall be made available to County of San Mateo upon request.

- i) termination of this Agreement;
 - ii) disqualification of the Contractor from bidding on or being awarded a County contract for a period of up to 3 years;
 - iii) liquidated damages of \$2,500 per violation;
 - iv) imposition of other appropriate contractual and civil remedies and sanctions, as determined by the County Manager.

To effectuate the provisions of this section, the County Manager shall have the authority to examine Contractors' employment records with respect to compliance with this paragraph and/or to set off all or any portion of the amount described in this paragraph against amounts due to Contractor under the Contract or any other Contractor between Contractor and County.

Contractor shall report to the County Manager the filing by any person in any court of any complaint of discrimination or the filing by any person of any and all charges with the Equal Employment Opportunity Commission, the Fair Employment and Housing Commission or any other entity charged with the investigation of allegations within 30 days of such filing, provided that within such 30 days such entity has not notified Contractor that such charges are dismissed or otherwise unfounded. Such notification shall include the name of the complainant, a copy of such complaint and a description of the circumstance. Contractor shall provide County with a copy of their response to the Complaint when filed.

- E. *Compliance with Equal Benefits Ordinance.* With respect to the provision of employee benefits, Contractor shall comply with the County Ordinance which prohibits contractors from discriminating in the provision of employee benefits between an employee with a domestic partner and an employee with a spouse.
- F. The Contractor shall comply fully with the non-discrimination requirements required by 41 CFR 60-741.5(a), which is incorporated herein as if fully set forth.

12. Retention of Records.

Contractor shall maintain all required records for three years after the County makes final payment and all other pending matters are closed, and shall be subject to the examination and/or audit of the County, a Federal grantor agency, and the State of California.

13. Merger Clause.

This Agreement, including the Exhibits attached hereto and incorporated herein by reference, constitutes the sole Agreement of the parties hereto and correctly states the rights, duties, and obligations of each party as of this document's date. In consideration of the payments set forth in Exhibit B, Contractor shall provide the following services:

- A. Contractor shall provide rapid response with immediate scheduling ability. Due to the type of clientele and the circumstances under which the Public Guardian receives cases, sometimes the Public Guardian will require initiation of these services within forty-eight (48) hours of request. Should the situation be an immediate hazard, necessary response time may be decreased to twenty-four (24) hours. Smaller cleaning jobs that do not involve hazardous or emergency situations will require less stringent timelines;
- B. Contractor shall clean rodent and flea-infested, feces-damaged houses;
- C. Contractor shall remove animal and human waste from the site;
- D. Contractor shall provide rodent abatement services;
- E. Contractor shall provide yard cleaning and hauling (could include trimming trees, fence repairs, etc.);
- F. Contractor shall provide services that include cleaning out refrigerators, bathrooms and kitchens, carpet removal, boarding windows, etc.;
- G. Contractor shall identify and protect items of value, e.g., antiques, collectibles, and other sellable items. All other items are to be disposed;
- H. Contractor shall provide both gross cleaning and major scrubbing and washing services, as well as more general surface house cleaning services (e.g., those needed to prepare a house for sale);
- I. Contractor shall a) use a standard and detailed estimate format with itemized estimates for each job, b) use the contractor's own equipment for each job (i.e., equipment needs are the responsibility of the contractor, and rental or purchase of equipment is not to be part of the bid; the only exception is the rental of debris box), and c) provide a detailed invoice that includes actual costs directly correlated to the accepted estimate;
- J. Contractor shall provide a written estimate that lists the specific task categories and that summarizes the cost by crew hours and any other additional costs (e.g., debris box). A beginning and ending date will be part of the estimate. (A crew is defined as five workers and one supervisor.) Estimate must be accepted by the County prior to commencement of work on any house. Upon acceptance of the estimate, any job order changes will require agreement by the County and written approval prior to billing;
- K. Billings must be in compliance with Court accounting policy and principles; and
- L. Contractor shall meet County staff at work site for a walk-through and an assessment of specifics relevant to each job assignment.

Exhibit B

In consideration of the services provided by Contractor in Exhibit A, County shall pay Contractor based on the following fee schedule:

Contractor will be paid \$159 per crew hour. A crew is defined as five (5) workers and one (1) supervisor.

In any event, the maximum amount to be paid for all services as described above and other related pre-approved expenses shall not exceed THREE HUNDRED THOUSAND DOLLARS (\$300,000) for the term of this Agreement, July 1, 2004 through June 30, 2007.
