In-Lieu Park Fee Worksheet

[This formula is excerpted from Section 7055 of the County's Subdivision Regulations]

This work sheet should be completed for any residential subdivision which contains 50 or fewer lots. For subdivisions with more than 50 lots, the County may require either an in-lieu fee or dedication of land.

1. For the parcel proposed for subdivision, look up the value of the land on the most recent equalized assessment roll. (Remember you are interested in the land only.)

Value of Land = 1,075,000

2. Determine the size of the subject parcel in acres:

Acres of Land = 0.848

3. Determine the value of the property per acre.
 - a. Set up a ratio to convert the value of the land given its current size to the value of the land if it were an acre in size.

Formula:

Parcel Size in Acres (From Item 2)
1 Acre of Land

Value of Subject Parcel (From Item 1)
Value of Land/Acre

4. Determine the number of persons per subdivision.

<u>Formula:</u>			
Number of New Lots Created*	X	2.81**	= Number of Persons Per Subdivision
*Example: A 2-lot split would = 1 newly created lot.			
<u>Fill Out:</u>			
<u>1</u>	X	2.81**	= <u>2.81</u>
**Average number of persons per dwelling unit according to the most recent federal census (1990).			

5. Determine the parkland demand due to the subdivision.

<u>Formula:</u>			
Number of Persons Per Subdivision (From Item 4)	X	.003*** Acres/Person	= Parkland Demand
<u>Fill Out:</u>			
<u>2.81</u>	X	.003*** Acres/Person	= <u>0.00843</u>
***Section 7055.1 of the County's Subdivision Ordinance establishes the need for .003 acres of parkland property for each person residing in the County.			

6. Determine the parkland in-lieu fee.

Comments on Proposed Project

State any comments, concerns or recommendations you have with regard to this project. Please be specific in project references. Attach additional sheets as necessary.

No Comments

Refer to Permit*Plan for Comments

Comments:

- ① Recommend access from Oak Knoll - don't create Flag lot. The Flag lot drive impacts the Privacy of Lot B + MiloMedina Neighbor.
- ② Flag lot restricts the building envelope for parcel B.
- ③ Suggest reconfiguration of Lots to eliminate the long driveway & Flag lot.

Recommended Conditions of Approval (Agencies only)

List any conditions which you would recommend be imposed if the project is approved. Again, please be specific, use exact wording and indicate any adopted plans, policies or ordinances upon which your recommendations are based. Attach additional sheets as necessary.

Dear Mr. Fraone:

**Re: Inquiry Regarding Potential Installation of Stop Signs on Oak Knoll Drive
at Hillcrest Drive, Emerald Hills Area**

I apologize for not replying to your email earlier. Road Operations staff conducted a brief traffic survey and confirmed that conditions on the portion of Oak Knoll Drive at the intersections with Hillcrest Drive do not meet the standards for placement of stop signs.

Normally, the configuration of parcels in a proposed subdivision is not based on access to the property, but is addressed through the planning process. I believe that this is the case in your proposed two lot subdivision with the decision on parcel configurations being decided through the planning process. Staff also noted that there are several driveways that enter Oak Knoll Drive which is typical of a residential street

Dear Mr. Eggemeyer,

Re: Subdivision PLN# 2004-00132 and 2004-00048 , owners Frank Fraone and Maria Sylvestri; 869 Hillcrest Drive and Oak Knoll in Emerald Hills, San Mateo County.

We are very familiar with this property and neighborhood and in preliminary review of this subdivision; the Home Owners Association commented that it was not in favor of creation of "Flag" lots, due to loss of privacy, extra paving, etc. This request for Subdivision was reviewed by County Staff and recently was before the Planning Commission where the request for subdivision with "Flag" lot was denied by a 2-2 tie vote.

February 23, 2005; the owners met with the EHHA Board and asked that we offer them our support for a "Flag" lot as they had proposed. The Board held closed discussion and based upon the owners concern for access from Hillcrest for safety reasons, our Board would like to make this revised recommendation:
