Such payment shall be that portion of the full payment which is determined by comparing the work/services completed to the work/services required by the Agreement.

6. Availability of Funds.

The County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon unavailability of Federal, State, or County funds, by providing written notice to Contractor as soon as is reasonably possible after the county learns of said unavailability of outside funding.

7. Contract Re-negotiation.

County shall notify Contractor of its intent to continue utilizing the services of Contractor for the FY 2006-2007 on or before February 15, 2006, with the understanding that said indication is not binding on the County or on Contractor. Contractor agrees to fully comply with the Child Abuse and Neglect Reporting Act, California Penal Code Section 11164 et seq. Contractor will ensure that all known or suspected instances of child abuse or neglect are reported to an agency (police department, sheriff's department, county probation department if designated by the county to receive mandated reports, or the county welfare department) described in Penal Code Section 11165.9. Payment and Monitoring Procedures

I. General Provisions

The payments are intended to compensate Contractor for a combination of factors, the actual units of service provided, and the cost of maintaining its business on a continuous basis.
