Exhibit "A2"

In consideration of the payments set forth in Exhibit "B2," Contractor shall provide the following services:

- I. **DESCRIPTION OF SERVICES FOR THE MULTIPURPOSE SENIOR SERVICES PROGRAM, ADULT PROTECTIVE SERVICES/CENTRALIZED INTAKE, LINKAGES, FAMILY CAREGIVER SUPPORT AND PUBLIC GUARDIAN.**
 - A. **CHORE (3.1)** is for purposes of household support and applies to the performance of household tasks rather than to the care of the client. Chore activities include household cleaning, laundry, shopping, food preparation, and household maintenance.
 - B. **PERSONAL CARE (3.2)** This service provides assistance to maintain bodily hygiene, personal safety, and activities of daily living. These tasks are limited to nonmedical personal services such as feeding, bathing, oral hygiene, grooming, dressing, care of and assistance with prosthetic devices, rubbing skin to promote circulation, turning in bed and other types of repositioning, assisting the individual with walking, and moving the individual from place to place. Client instruction in self-care and with meal preparation may also be provided. This service may also include such housekeeping chores as bedmaking, dusting and vacuuming, which are essential to the health and welfare of the recipient.
 - C. **HEALTH CARE (3.3)** addresses the care of health problems by appropriately licensed or certified persons when such care is not otherwise available. These services will be provided by authorized individuals when such care is prescribed or approved by a physician. Persons providing such health care may include: pharmacists, registered nurses, licensed vocational nurses, nutritionists, and occupational, physical, and speech therapists.
 - D. **PROTECTIVE SUPERVISION (3.7)** ensures provision of 24-hour supervision to persons in their own homes who are very frail or otherwise may suffer a medical emergency, to prevent immediate placement in an acute care hospital, skilled nursing facility, or other 24-hour care facility. Such supervision does not require medical skills and can be performed by an individual trained to identify the onset of a medical crisis and able to summon aid in the event of an emergency. This service may include making a visit to the client's home to assess a medical situation during an emergency; includes assisting a fallen client, assessing extent of injuries, and arranging transportation for the client to a medical facility for treatment when there is no other means for summoning aid.
 - E. **PROFESSIONAL CARE ASSISTANCE (3.9)** is provided to those clients who are also receiving services under the Personal Care Services Program (PCSP) (Fund Code 6). PCA is a comprehensive skilled service delivered by a home health aide (HHA). The specific tasks provided are the same as listed under Personal Care (3.2) above.
 - F. **PURCHASED CARE MANAGEMENT (4.3)** for the vast majority of MSSP clients, care management services are provided solely by site care management staff. However, clients may request that this service be delivered by another qualified provider under contract or provider agreement with the MSSP site.

- G. RESPITE (5.1, 5.2)** The purpose of respite care is to relieve the client's informal caretaker and thereby prevent breakdown in the informal support system. Respite service will include the supervision and care of a client while the family or other individuals who normally provide primary care take short-term relief or respite which allows them to continue as caretakers. Respite may also be needed in order to cover emergencies and extended absences of the caretaker.
- H. TRANSPORTATION (6.3 AND 6.4)** these services provide access to the community (e.g., non-emergency medical transportation to health and social service providers) and special events for clients who do not have means for transportation or whose mobility is limited, or who have functional disabilities requiring specialized vehicles and/or an escort.
