RE: 2006 Board of Supervisors Committee Assignments

Attached please find the recommended Board of Supervisors Board and Committee assignments for 2006. Some minor changes were made based on your requests and preferences.

Since the Criminal Justice Council has dissolved, the need for a representative has been eliminated. The work of two Board Sub-Committees (Planning and Building Task Force and SamTrans Transit Expert) has concluded so those two sub-committee are no longer listed.

A number of new Board Sub-Committees were created in 2005 and are included in the attached list. These include: Ten Year Plan to End Homelessness, Diversity in Boards and Commissions, Audit & Performance Measurement and County Government Reorganization.

The 2006 Board and Committee assignments will be on the January 10, 2006 agenda for adoption by the Board.
