

**AGREEMENT BETWEEN THE COUNTY OF SAN MATEO AND  
PSC ENVIRONMENTAL SERVICES**

THIS AGREEMENT, entered into this \_\_\_\_\_ day of \_\_\_\_\_ ,  
2006, by and between the COUNTY OF SAN MATEO, hereinafter called "County,"  
and PSC ENVIRONMENTAL SERVICES, hereinafter called "Contractor";

**W I T N E S S E T H:**

WHEREAS, pursuant to Government Code, Section 31000, County may contract with independent contractors for the furnishing of such services to or for County or any Department thereof;

WHEREAS, it is necessary and desirable that Contracts be retained with PSC Environmental Services (PSC) for the purpose of performing the professional services hereinafter described for the Health Department, Environmental Health Services Division;

**NOW, THEREFORE, IT IS HEREBY AGREED BY THE PARTIES HERETO  
AS FOLLOWS:**

**1. Exhibits and Attachments**

The following exhibits and attachments are included hereto and incorporated by reference herein:

Exhibit A—Services

Exhibit B—Payments and rates

Attachment I—§504 Compliance

**2. Services to be performed by Contractor**

In consideration of the payments set forth herein and in Exhibit "B," Contractor shall perform services for County in accordance with the terms, conditions and specifications set forth herein and in Exhibit "A."

**3. Payments**

In consideration of the services provided by Contractor in accordance with all terms, conditions and specifications set forth herein and in Exhibit "A," County shall make payments to Contractor based on the rates and in the manner specified in Exhibit "B." The County reserves the right to withhold payment if the County determines that the quantity or quality of the work performed is unacceptable. In no event shall the County's total fiscal obligation under this contract exceed ONE MILLION SIX HUNDRED SIX DOLLARS (\$1,606,000) collectively for the terms of all contracts approved under one resolution. The amount the County is obligated to collectively pay shall not exceed \$453,860 in FY 2005-06; \$476,550 in FY 2006-07; \$500,380 in FY 2007-08 and \$175,210 in FY 2008-09.

#### **4. Term and Termination**

Subject to compliance with all terms and conditions, the term of this Agreement shall be from December 1, 2005 through November 30, 2008.

This Agreement may be terminated by Contractor, the Director of Health Department or his/her designee at any time without a requirement of good cause upon thirty (30) days' written notice to the other party.

In the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and materials (hereafter referred to as materials) prepared by Contractor under this Agreement shall become the property of the County and shall be promptly delivered to the County. Upon termination, the Contractor may make and retain a copy of such materials. Subject to availability of funding, Contractor shall be entitled to receive payment for work/services provided prior to termination of the Agreement. Such payment shall be that portion of the full payment, which is determined by comparing the work/services completed to the work/services required by the Agreement.

#### **5. Availability of Funds**

The County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon unavailability of Federal, State, or County funds, by providing written notice to Contractor as soon as is reasonably possible after the county learns of said unavailability of outside funding.

#### **6. Relationship of Parties**

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent Contractor and not as an employee of the County and that Contractor acquires none of the rights, privileges, powers, or advantages of County employees.

#### **7. Hold Harmless**

Contractor shall indemnify and save harmless County, its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description, brought for, or on account of: (A) injuries to or death of any person, including Contractor, or (B) damage to any property of any kind whatsoever and to whomsoever belonging, (C) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended, or (D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County, its officers, agents, employees, or servants, resulting from the performance of any work required of Contractor or payments made pursuant to this Agreement, provided that this shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth herein, shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

**8. Assignability and Subcontracting**

Contractor shall not assign this Agreement or any portion thereof to a third party or subcontract with a third party to provide services required by contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without the County's prior written consent shall give County the right to automatically and immediately terminate this Agreement.

**9. Insurance**

The Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this paragraph has been obtained and such insurance has been approved by Risk Management, and Contractor shall use diligence to obtain such issuance and to obtain such approval. The Contractor shall furnish the Department/Division with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending the Contractor's coverage to include the contractual liability assumed by the Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to the Department/Division of any pending change in the limits of liability or of any cancellation or modification of the policy.

- (1) **Worker's Compensation and Employer's Liability Insurance** The Contractor shall have in effect during the entire life of this Agreement Workers' Compensation and Employer's Liability Insurance providing full statutory coverage. In signing this Agreement, the Contractor certifies, as required by Section 1861 of the California Labor Code, that it is aware of the provisions of Section 3700 of the California Labor Code which requires every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of the Code, and I will comply with such provisions before commencing the performance of the work of this Agreement.
- (2) **Liability Insurance** The Contractor shall take out and maintain during the life of this Agreement such Bodily Injury Liability and Property Damage Liability Insurance as shall protect him/her while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from contractors operations under this Agreement, whether such operations be by himself/herself or by any sub-contractor or by anyone directly or indirectly employed by either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall be not less than the amount specified below.

Such insurance shall include:

- |   |             |
|---|-------------|
| (a) Comprehensive General Liability . . . . .   | \$1,000,000 |
| (b) Motor Vehicle Liability Insurance . . . . . | \$1,000,000 |
| (c) Professional Liability . . . . .            | \$1,000,000 |

County and its officers, agents, employees and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that the insurance afforded thereby to the County, its officers, agents, employees and servants shall be primary insurance to the full limits of liability of the policy, and that if the County or its officers and employees have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, the County of San Mateo at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work pursuant to this Agreement.

#### **10. Compliance with laws; payment of Permits/Licenses**

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, including, but not limited to, Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended, and the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, as amended and attached hereto and incorporated by reference herein as Attachment "I," which prohibits discrimination on the basis of handicap in programs and activities receiving any Federal or County financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including, but not limited to, appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations.

In the event of a conflict between the terms of this agreement and State, Federal, County, or municipal law or regulations, the requirements of the applicable law will take precedence over the requirements set forth in this Agreement.

Contractor will timely and accurately complete, sign, and submit all necessary documentation of compliance.

#### **11. Non-Discrimination**

- A. *Section 504 applies only to Contractor who are providing services to members of the public.* Contractor shall comply with § 504 of the Rehabilitation Act of 1973, which provides that no otherwise qualified handicapped individual shall, solely by reason of a disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination in the performance of this Agreement.
- B. *General non-discrimination.* No person shall, on the grounds of race, color, religion, ancestry, gender, age (over 40), national origin, medical condition (cancer), physical or mental disability, sexual orientation, pregnancy, childbirth or related medical condition, marital status, or political affiliation be denied any benefits or subject to discrimination under this Agreement.

- C. *Equal employment opportunity.* Contractor shall ensure equal employment opportunity based on objective standards of recruitment, classification, selection, promotion, compensation, performance evaluation, and management relations for all employees under this Agreement. Contractor's equal employment policies shall be made available to County of San Mateo upon request.
- D. *Violation of Non-discrimination provisions.* Violation of the non-discrimination provisions of this Agreement shall be considered a breach of this Agreement and subject the Contractor to penalties, to be determined by the County Manager, including but not limited to
- i) termination of this Agreement;
  - ii) disqualification of the Contractor from bidding on or being awarded a County contract for a period of up to 3 years;
  - iii) liquidated damages of \$2,500 per violation;
  - iv) imposition of other appropriate contractual and civil remedies and sanctions, as determined by the County Manager.

To effectuate the provisions of this section, the County Manager shall have the authority to examine Contractor's employment records with respect to compliance with this paragraph and/or to set off all or any portion of the amount described in this paragraph against amounts due to Contractor under the Contract or any other Contract between Contractor and County.

Contractor shall report to the County Manager the filing by any person in any court of any complaint of discrimination or the filing by any person of any and all charges with the Equal Employment Opportunity Commission, the Fair Employment and Housing Commission or any other entity charged with the investigation of allegations within 30 days of such filing, provided that within such 30 days such entity has not notified Contractor that such charges are dismissed or otherwise unfounded. Such notification shall include the name of the complainant, a copy of such complaint, and a description of the circumstance. Contractor shall provide County with a copy of their response to the Complaint when filed.

- E. *Compliance with Equal Benefits Ordinance.* With respect to the provision of employee benefits, Contractor shall comply with the County Ordinance which prohibits contractors from discriminating in the provision of employee benefits between an employee with a domestic partner and an employee with a spouse.
- F. Where applicable, the Contractor shall comply fully with the non-discrimination requirements required by 41 CFR 60-741.5(a), which is incorporated herein as if fully set forth.

**12. Retention of Records, Right to Monitor and Audit**

(a) Contractor shall maintain all required records for three (3) years after the County makes final payment and all other pending matters are closed, and shall be subject to the examination and/or audit of the County, a Federal grantor agency, and the State of California.

(b) Reporting and Record Keeping: Contractor shall comply with all program and fiscal reporting requirements set forth by appropriate Federal, State and local agencies, and as required by the County.

(c) Contractor agrees to provide to County, to any Federal or State department having monitoring or review authority, to County's authorized representatives, and/or their appropriate audit agencies upon reasonable notice, access to and the right to examine all records and documents necessary to determine compliance with relevant Federal, State, and local statutes, rules and regulations, and this Agreement, and to evaluate the quality, appropriateness and timeliness of services performed.

**13. Merger Clause**

This Agreement, including the Exhibits attached hereto and incorporated herein by reference, constitutes the sole Agreement of the parties hereto and correctly states the rights, duties, and obligations of each party as of this document's date. Any prior agreement, promises, negotiations, or representations between the parties not expressly stated in this document are not binding. All subsequent modifications shall be in writing and signed by the parties.

**14. Controlling Law**

The validity of this Agreement and of its terms or provisions, as well as the rights and duties of the parties hereunder, the interpretation, and performance of this Agreement shall be governed by the laws of the State of California.

**15. Notices**

Any notice, request, demand, or other communication required or permitted hereunder shall be deemed to be properly given when deposited in the United State mail, postage prepaid, or when deposited with a public telegraph company for transmittal, charges prepaid, addressed to:

## **Exhibit "A"**

### **SERVICES TO BE PERFORMED BY CONTRACTOR**

In consideration of the payments specified in Exhibit "B", Contractor shall perform the services described below in a manner consistent with the terms and provisions of this Agreement.

All services performed by the Contractor must be in accordance with all applicable federal, state, county, and municipal laws, to licensure and certification regulations.

Services shall be performed at both the County permanent facilities and the County temporary Events.

Permanent facilities are located at:

Half Moon Bay, Pacifica, San Bruno, San Carlos, South San Francisco

25 lab pack pick ups per year estimated

25 flammable liquid and loose pack pick ups per year estimated

This is an estimate only and the County is not obligated to any specific quantity of pick ups. The County reserves the right to add or delete permanent facilities without penalty.

County temporary events:

Menlo Park, Redwood City, San Mateo, La Honda, Portola Valley, Daly City

22 each per year estimated include lab pack, loose pack and bulked pickup

This is an estimate only and the County is not obligated to any specific quantity of temporary events.

The term "lab pack" refers to items in their original container placed into a 55 gallon drum and packed with vermiculite. The term "loose pack" refers to items in their original container placed in 55 gallon drums. The term "bulkied" refers to transferring liquid waste from original container into 55 gallon drums.

Work Plan - The Contractor shall submit a work plan and procedures for identifying, categorizing, packaging, labeling, manifesting, consolidating oil/solvent base paint and solvents, transporting, treating, and disposing of hazardous wastes collected from households.

Operational and Strategy Meetings - Contractor will attend operational and strategy meetings and participate in conference calls with program staff and other appropriate parties throughout the term of the contract. County reserves the right to choose time, location, and day of above referenced meeting coordinated by Program Coordinator.

Technical Materials - Contractor will provide waste profiles and any other necessary paper-work for necessary permits and variances and Transfer Storage Disposal Facility acceptance.

Supplies and Equipment - Contractor will be responsible for using appropriate supplies, materials, vehicles, and drivers for the collection, packaging and transportation of wastes as designated by federal and state laws and regulations. Contractor shall provide a detailed list of supplies and equipment to be utilized.

Waste Segregation and Packaging - Contractor will be ready to accept wastes from the public at the time specified by and at the discretion of the County.

Contractor will at the request of the County segregate wastes into compatible categories for lab packing, in accordance with federal and state regulations. The Contractor will at the County's request complete waste inventories and drum inventories and provide Quality Assurance/ Quality Control coordination to ensure acceptance of the waste by the recycling and treatment of disposal sites.

Contractor will have available additional technicians for the consolidation of oil/solvent base paint and solvents as required.

Contractor will not be responsible for collecting, consolidating, and/or making arrangements for recycling of used oil, antifreeze, or lead acid batteries. Contractor will accept such items at the request of the County if such items are considered non-recyclable or pose a hazard (e.g., a leaking battery or contaminated paint).

Segregation of Materials for Reuse - Contractor will set aside reusable items well-marked and currently available for over-the-counter purchase. The County may choose to accept or reject such items for the reuse program. Rejected items will be managed by the Contractor as HHW or as non-hazardous waste as appropriate.

Unknown Waste Identification - Contractor will test and identify unknown wastes and make a determination of hazard class for subsequent packaging, transportation, and disposal.

Recycling, Treatment, and Disposal - County reserves the right to select the waste management method for all waste streams and to approve all sites to which the wastes will be taken. The County prefers to recycle or reuse as much material as possible.

Contractor will arrange and provide for the ultimate disposition of the wastes. County shall not be responsible for additional costs incurred as a result of a Treatment Storage and Disposal Facility (TSDF) refusing to take waste from the Contractor.

Contractor must submit certificates of destruction as proof of treatment/disposal following the ultimate disposition of the wastes. Copies of all completed inventories, hazardous waste manifests, and certificates of destruction must be received prior to full payment.

Waste Manifest - Hazardous waste manifests will be prepared by the Contractor. County will not be responsible for payment of additional costs as a result of manifest errors.

Waste Removal and Transportation - Contractor will load wastes into a truck for transportation to a permitted disposal/incineration site or County location at the County's request. Immediately following the termination of processing wastes on the last day of the collection. The collection sites will be completely cleared of waste, equipment, vehicles, and personnel by the time specified by and at the discretion of County.

Contractor will transport latex paint collected to: Early American Coatings, Inc., 2195 Curtis Street, Hayward, CA 94545, for recycling/reprocessing.

The average latex paint shipment consists of approximately 12 drums.

Reporting Requirements - Contractor is responsible for providing to County, following the completion of each event, a detailed accounting of how much waste was collected within each waste category, how the waste was packaged (e.g., lab pack vs. bulk), and where the waste was treated or disposed. By July 31st of each contract year, the Contractor will submit a cumulative account of the type, quantities, and disposal/management method of hazardous wastes to comply with the California Integrated Waste Management Board Form 303.

All Contractor employees involved in the transportation and handling of County hazardous waste shall be licensed and in good standing with the California Department of Health Services (DHS) and shall have received documented training in compliance with applicable Federal and State requirements.

Contractor shall transport and handle County hazardous waste in accordance with the terms of the operation and contingency plans approved by the Environmental Protection Agency (EPA), State, County, and Municipal agencies as a condition of the Contractor's permit to operate.

Contractor and all transporters and disposal facilities to be used must be fully permitted and licensed to perform services by all applicable local, state and federal agencies.

## Liquidated Damages

The penalties set forth below shall be agreed upon as liquidated damages and will be deducted from any money due the Contractor under any agreement which may be awarded arising from the Invitation to Bid.

### DAMAGE INCIDENT

### PENALTY

Contract staff no-show

Twelve (12) hours credit per no-show incident.

Contract staff more than one hour late.

Labor credit at twice the number of hours difference between the schedule start time and the actual arrival time. Two (2) hours credit per late person (1) hour late.

Contract staff arrives unprepared for work (to include, but not limited to, no steel-toed boots and / or long pants, not clean shaven).

Shall be considered a no-show if the contract staff does not report back within one (1) hour of the scheduled start time

The program finds a Technician lacking proficiency in Technician duties.

The assigned Technician will be paid at a rate of 80% of the Technician hourly rate or shall be replaced, as determined by Program staff

Unsatisfactory performance

Four (4) hours labor credit per unsatisfactory performer.

Prices quoted will be firm through the contract period. The County may, however, receive the benefit of any public price reductions announced during this period.

Contractor shall submit a copy of the firm's Contingency Plan and Safety program which includes safety policies and procedures.

Contractor shall be a current certified hazardous waste hauler in each jurisdiction of activity. Copies of State certifications shall be included with the Invitation to Bid.

## SERVICES TO BE PERFORMED BY COUNTY

Information and Appointments - The County will staff a telephone line and web site to provide information on HHW, and to schedule appointments for dropping off HHW at the various collection sites.

Source Reduction - The County will develop and disseminate materials and information on alternatives to toxic products through programs it will implement throughout the County.

Collection Program Publicity - The County will develop and disseminate educational material, including but not limited to press releases, garbage bill inserts, and flyers publicizing this program.

Site Selection - County will select the collection sites throughout the County in accordance with applicable regulations and in coordination with guidelines jointly established by the County and Contractor. County will have the final authority to approve each site.

State Permits - Following site selection the County will prepare and submit the required notifications or permit variance applications and obtain an extremely hazardous waste permit from the California EPA.

EPA ID Numbers - County will obtain all EPA identification numbers.

Operations/Contingency Plan - County will develop an Operations Plan, including a Contingency Plan. County will work in close coordination with the contractor to ensure that hazardous waste collection activities are provided in a safe manner, meeting all local, state and federal regulatory requirements. County will supply a copy of the Operations/Contingency Plan for all locations at all events.

Local Permits - Depending on the sites selected local permits may be necessary. The County will have responsibility for obtaining local permits.

Agency Notification and Emergency Response - County will notify local agencies, such as fire and police departments, of the collection programs.

Participant Survey - County may conduct a survey of program participants.

Event Staffing - County will be responsible for providing staff to direct traffic, check for County residency, hand out and collect surveys, distribute informational and educational materials, unload cars, screen wastes, deliver wastes to appropriate sorting areas, and consolidate latex paint and motor oil. Staff provided by County will be either directly hired or obtained through contract.

County may be responsible for providing staff to consolidate solvent-based paint and flammable liquids.

Arrangements for Recycling - County staff will make arrangements for the recycling of latex paint, used oil, antifreeze, auto and household batteries. The contractor is required to recycle as much of the waste collected as possible.

Equipment - County will provide the tents, signs, portable fencing, forklift, and personal protective clothing for County employees.

Non-hazardous Waste - County will provide debris drop boxes for non-hazardous waste.

Manifests - County representative will be designated to review and sign the hazardous waste manifests and bills of lading.

### **Exhibit "B"**

In consideration of the services provided by Contractor in Exhibit "A", County shall pay Contractor based on the following fee schedule:

Contractor shall submit regular invoices detailing the work performed at each household hazardous waste event within thirty days to County for reimbursement. All services will be invoiced in accordance with the Bid Form "Attachment I". A copy of all Manifests and Work Authorizations shall be attached to each invoice. Upon approval of invoices, County shall reimburse Contractor for the services provided.
