and

WHEREAS, at least 55% of the votes cast on said proposition were in favor of issuing said bonds; and

WHEREAS, pursuant to Education Code Section 15140 and following, the Board of Education of the District has requested this Board of Supervisors of the County of San Mateo (the "County") to issue all of said bonds in a single series designated the

"San Carlos School District General Obligation Bonds, Election of 2005, Series 2006" in an aggregate principal amount not exceeding \$35,000,000, and to authorize the sale of said bonds by a negotiated sale to an underwriter to be selected by the District (the "Underwriter") pursuant to a Bond Purchase Contract (the "Bond Purchase Contract"), a form of which has been submitted to and is on file with the Clerk of this Board of Supervisors, all according to the terms and in the manner set forth in a resolution duly adopted by the Board of Education of the District on February 16, 2006, a certified copy of which has been filed with the Clerk of this Board of Supervisors; and

Section 1. Recitals: All of the above recitals are true and correct.

Section 2. Authorization and Designation of Bonds: Pursuant to Education Code Section 15140 and following, as well as pursuant to Education Code Section 15264 and following, this Board of Supervisors hereby authorizes on behalf of the San Carlos School District, the issuance and sale of not to exceed \$35,000,000 aggregate principal amount of bonds of the District and designates said bonds to be issued and sold as the "San Carlos School District General Obligation Bonds, Election of 2005, Series 2006" (herein called the "Series 2006 Bonds" or the "Bonds"). The Series 2006 Bonds shall be issued as Current Interest Series 2006 Bonds and Capital Appreciation Series 2006 Bonds, as provided in Section 4 hereof.

Section 3. Form of Bonds; Execution: (a) Book-Entry. The Depository Trust Company, New York, New York, is hereby appointed depository for the Series 2006 Bonds. The Series 2006 Bonds shall be issued in book-entry form only, and shall be initially registered in the name of "Cede & Co.," as nominee of The Depository Trust Company, and registered ownership of the Series 2006 Bonds may not thereafter be transferred except as provided in Section 8 hereof. One bond certificate shall be issued for each maturity of the Current Interest Series 2006 Bonds, and one bond certificate shall be issued for each maturity of the Capital Appreciation Series 2006 Bonds; provided that if different CUSIP numbers are assigned to Bonds maturing in a single year, additional Bond certificates shall be prepared for each such maturity.

(b) Form of Certificates. The Series 2006 Bonds shall be issued in fully registered form without coupons. The Current Interest Series 2006 Bonds, the Capital Appreciation Series 2006 Bonds, and the Paying Agent's certificate of authentication and registration and the form of assignment to appear on each of them, shall be in substantially the form attached hereto as Exhibit A and Exhibit B, respectively, with necessary or appropriate variations, omissions and insertions as permitted or required by this Resolution; provided, that if a portion of the text of any

Series 2006 Bond is printed on the reverse of the Series 2006 Bond, the following legend shall be printed on the face of such Series 2006 Bond: "THE PROVISIONS OF THIS BOND ARE CONTINUED ON THE REVERSE HEREOF AND SUCH CONTINUED PROVISIONS SHALL FOR ALL PURPOSES HAVE THE SAME EFFECT AS THOUGH FULLY SET FORTH AT THIS PLACE."

(c) Execution of Bonds. The Series 2006 Bonds shall be signed by the manual signatures of the President of this Board of Supervisors and of the County Treasurer-Tax Collector, and countersigned by the manual signature of the Clerk of this Board of Supervisors or by a deputy of either of said Clerk or of the County Treasurer-Tax Collector. The Bonds shall be authenticated by a manual signature of a duly authorized officer of the Paying Agent (as defined in Section 7(a) hereof).

(d) Valid Authentication. Only such of the Series 2006 Bonds as shall bear thereon a certificate of authentication and registration as described in subsection (b), executed by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent shall be conclusive evidence that the Series 2006 Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

(e) Identifying Number. The Paying Agent shall assign each Series 2006 Bond authenticated and registered by it a distinctive letter, or number, or letter and number, and shall maintain a record thereof at its principal corporate trust office, which record shall be available to the District and the County for inspection.

Section 4. Terms of Bonds: (a) Date of Bonds. The Current Interest Series 2006 Bonds shall be dated the date of their delivery, or such other date as shall be set forth in the Bond Purchase Contract.

The Capital Appreciation Series 2006 Bonds shall be dated the date of their delivery, or such other date as shall be set forth in the Bond Purchase Contract.

(b) Denominations. The Current Interest Series 2006 Bonds shall be issued in denominations of \$5,000 principal amount or any integral multiple thereof.

The Capital Appreciation Series 2006 Bonds shall be issued in denominations of \$5,000 accreted value at maturity ("maturity value") or any integral multiple thereof, except that the first numbered Capital Appreciation Series 2006 Bond may be issued in a denomination such that the maturity value of such Capital Appreciation Series 2006 Bond shall not be an integral multiple of \$5,000.

(c) Maturity. The Current Interest Series 2006 Bonds shall mature on the date, in each of the years, in the principal amounts and in the aggregate principal amount as shall be set forth in the Bond Purchase Contract. No Current Interest Series 2006 Bond shall mature prior to October 1, 2007, and no Current Interest Series 2006 Bond shall mature later than the date which is 25 years from the date of the Current Interest Series 2006 Bonds, to be determined as provided in subsection (a) of

this Section. No Current Interest Series 2006 Bond shall have principal maturing on more than one principal maturity date. The Bond Purchase Contract may provide that no Current Interest Series 2006 Bonds shall be issued.

The Capital Appreciation Series 2006 Bonds shall mature on the date or dates, in each of the years, and in such maturity values as shall be set forth in the Bond Purchase Contract. No Capital Appreciation Series 2006 Bond shall mature prior to October 1, 2007, and no Capital Appreciation Series 2006 Bond shall mature later than the date which is 25 years from the date of the Capital Appreciation Series 2006 Bonds, to be determined as provided in subsection (a) of this Section. No Capital Appreciation Series 2006 Bond shall have principal maturing on more than one principal maturity date. The Bond Purchase Contract may provide that no Capital Appreciation Series 2006 Bonds shall be issued.

(d) Interest. As used in this Resolution and in the Bonds, the terms "interest payment date," and "interest date" shall be interchangeable, and shall mean April 1 and October 1 of each year, or such other dates specified in the Bond Purchase Contract.

The Current Interest Series 2006 Bonds shall bear interest at an interest rate not to exceed 12.00% per annum, payable on April 1 and October 1 in each year, commencing October 1, 2006 (or on such other initial and semiannual interest payment dates as shall be set forth in the Bond Purchase Contract), computed on the basis of a 360-day year of twelve 30-day months. Each Current Interest Series 2006 Bond authenticated and registered on any date prior to the close of business on the first Record Date (as defined in Section 5(b)) shall bear interest from the date of said Current Interest Series 2006 Bond. Each Current Interest Series 2006 Bond authenticated during the period between any subsequent Record Date and the close of business on its corresponding Interest Payment Date shall bear interest from such Interest Payment Date. Any other Current Interest Series 2006 Bond shall bear interest from the Interest Payment Date immediately preceding the date of its authentication. If, at the time of authentication of any Current Interest Series 2006 Bond, interest is in default on any outstanding Current Interest Series 2006 Bonds, such Current Interest Series 2006 Bond shall bear interest from the interest payment date to which interest has previously been paid or made available for payment on the outstanding Current Interest Series 2006 Bonds.

The Capital Appreciation Series 2006 Bonds shall not bear current interest; each Capital Appreciation Series 2006 Bond shall increase in value by the accumulation of earned interest from its initial principal (denominational) amount on the date of issuance thereof to its stated maturity value at maturity thereof at a compounded interest rate which shall not exceed 12.00% per annum, assuming in any semiannual period that the value increases in equal daily amounts on the basis of a 360-day year of twelve 30-day months. The interest on the Capital Appreciation Series 2006 Bonds shall be compounded on April 1 and October 1 in each year, commencing October 1, 2006 (or on such other initial and semiannual interest dates as shall be set forth in the

Bond Purchase Contract), and shall be payable only upon maturity or prior redemption thereof.

The "accrued value" per \$5,000 maturity value of the Capital Appreciation Series 2006 Bonds on each interest date may be given for reference in a table of accrued values prepared by the Underwriter and to appear in the Capital Appreciation Series 2006 Bonds; provided, that the accrued value determined in accordance with this Section shall prevail over any different accrued value given in said table, and the County takes no responsibility for the table of accrued values prepared by the Underwriter. Interest on the Capital Appreciation Series 2006 Bonds shall be payable only upon maturity or prior redemption thereof.

Section 5. Payment: (a) **Principal.** The principal of the Current Interest Series 2006 Bonds and the accrued value of the Capital Appreciation Series 2006 Bonds shall be payable, when due or upon redemption prior thereto, in lawful money of the United States of America to the person whose name appears on the bond registration books of the Paying Agent (as described in Section 7(c) hereof) as the registered owner thereof (the "Owner"), upon the surrender thereof at the principal corporate trust office of the Paying Agent.

(b) **Interest; Record Date.** The interest on the Current Interest Series 2006 Bonds shall be payable in lawful money of the United States of America to the Owner thereof as of the close of business on the 15th day of the month preceding an interest payment date (the "Record Date"), whether or not such day is a business day, such interest to be paid by check or draft mailed on such interest payment date (if a business day, or on the next business day if the interest payment date does not fall on a business day) to such Owner at such Owner's address as it appears on the bond registration books described in Section 7(c) or at such address as the Owner may have filed with the Paying Agent for that purpose, except that the payment shall be made in immediately available funds (e.g., by wire transfer) to any Owner of at least \$1,000,000 of outstanding Current Interest Series 2006 Bonds who shall have requested in writing such method of payment of interest prior to the close of business on the Record Date immediately preceding any interest payment date. So long as Cede & Co. or its registered assigns shall be the Owner of the Series 2006 Bonds, payment shall be made in immediately available funds as provided in Section 8(d) hereof.

(c) **Interest and Sinking Fund:** Principal and interest due on the Series 2006 Bonds shall be paid from the interest and sinking fund of the District as provided in Section 15146 of the Education Code of the State of California.

Section 6. Redemption Provisions: (a) **Optional Redemption.** The Series 2006 Bonds shall be subject to redemption, at the option of the District, on the dates and terms provided herein, or on such other dates and terms as shall be designated in the Bond Purchase Contract. The Bond Purchase Contract may provide that the Series 2006 Bonds shall not be subject to optional redemption, and may provide separate and distinct redemption provisions for the Current Interest Series 2006 Bonds and the Capital Appreciation Series 2006 Bonds.

Unless otherwise specified in the Bond Purchase Contract, the Current Interest Series 2006 Bonds shall be subject to optional redemption as follows: Current Interest Series 2006 Bonds maturing on or before October 1, 2016, shall not be subject to redemption prior to their respective stated maturity dates. The Current Interest Series 2006 Bonds maturing in each year beginning October 1, 2017, shall be subject to redemption prior to their respective stated maturity dates, at the option of the District, from any source of available funds, as a whole or in part on any date on or after October 1, 2016, without premium, at a price equal to the principal amount of the Current Interest Series 2006 Bonds called for redemption on the redemption date, plus accrued interest to the date thereof. If less than all of the Current Interest Series 2006 Bonds are called for redemption, such bonds shall be redeemed in inverse order of maturities or as otherwise directed by the District, and if less than all of the Current Interest Series 2006 Bonds of any given maturity are called for redemption, the portions of such bonds of a given maturity to be redeemed shall be determined by lot.

Unless otherwise specified in the Bond Purchase Contract, the Capital Appreciation Series 2006 Bonds shall be subject to optional redemption as follows: Capital Appreciation Series 2006 Bonds maturing on or before October 1, 2016, shall not be subject to redemption prior to their respective stated maturity dates. The Capital Appreciation Series 2006 Bonds maturing in each year beginning October 1, 2017, shall be subject to redemption prior to their respective stated maturity dates, at the option of the District, from any source of available funds, as a whole or in part on any date on or after October 1, 2016, without premium, at a price equal to the accreted value of the Capital Appreciation Series 2006 Bonds called for redemption on the redemption date, plus accrued interest to the date thereof. If less than all of the Capital Appreciation Series 2006 Bonds are called for redemption, such bonds shall be redeemed in inverse order of maturities or as otherwise directed by the District, and if less than all of the Capital Appreciation Series 2006 Bonds of any given maturity are called for redemption, the portions of such bonds of a given maturity to be redeemed shall be determined by lot.

The "redemption date" is that date on which the Bonds which are called are to be presented for redemption.

(b) Mandatory Sinking Fund Redemption. The Current Interest Series 2006 Bonds, if any, which are designated in the Bond Purchase Contract as Current Interest Series 2006 Term Bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot, from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Bond Purchase Contract. The principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Current Interest Series 2006 Bonds of that maturity optionally redeemed prior to the mandatory sinking fund payment date. The Bond Purchase Contract may provide that the Current Interest Series 2006 Bonds shall not be subject to mandatory sinking fund redemption.

The Capital Appreciation Series 2006 Bonds shall not be subject to mandatory sinking fund redemption.

The Auditor-Controller of the County is hereby authorized to create such sinking funds or accounts for the Series 2006 Bonds as shall be necessary to accomplish the purposes of this section.

(c) Notice of Redemption. Notice of optional, unscheduled or contingent redemption of any Series 2006 Bonds shall be given by the Paying Agent upon the written request of the District. Notice of any such redemption of Series 2006 Bonds shall be mailed postage prepaid, not less than 30 nor more than 60 days prior to the redemption date (i) by first class mail to the respective Owners thereof at the addresses appearing on the bond registration books described in Section 7(c), (ii) by secured mail to all organizations registered with the Securities and Exchange Commission as securities depositories, (iii) to at least two information services of national recognition which disseminate redemption information with respect to municipal securities, and (iv) as may be further required in accordance with the Continuing Disclosure Certificate of the District described in Section 14.

Each notice of redemption shall contain all of the following information:

- (i) the date of such notice;
- (ii) the name of the Bonds and the date of issue of the Bonds;
- (iii) the redemption date;
- (iv) the redemption price;
- (v) the dates of maturity of the Bonds to be redeemed;
- (vi) (if less than all of the Bonds of any maturity are to be redeemed) the distinctive numbers of the Bonds of each maturity to be redeemed;
- (vii) (in the case of Bonds redeemed in part only) the respective portions of the principal amount of the Bonds of each maturity to be redeemed;
- (viii) the CUSIP number, if any, of each maturity of Bonds to be redeemed;
- (ix) a statement that such Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; and
- (x) notice that further interest on such Bonds will not accrue after the designated redemption date.

(d) Effect of Notice. A certificate of the Paying Agent or the District that notice of call and redemption has been given to Owners and to the appropriate securities depositories and information services as herein provided shall be conclusive as against all parties. The actual receipt by the Owner of any Series 2006 Bond or by any securities depository or information service of notice of redemption shall not be a condition precedent to redemption, and failure to receive such notice, or any defect in the notice given, shall not affect the validity of the proceedings for the redemption of such Bonds or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Bonds called for redemption is set aside for the purpose as described in subsection (f) of this Section, the Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Bonds at the place specified in the notice of redemption, such Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Bonds so called for redemption after such redemption date shall look for the payment of such Bonds and the redemption premium thereon, if any, only to the interest and sinking fund or the escrow fund established for such purpose. All Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(e) Right to Rescind Notice. The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the interest and sinking fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of, interest, and any premium due on the Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(f) Redemption Fund. Prior to or on the redemption date of any Bonds there shall be available in the interest and sinking fund of the District, or held in trust for such purpose as provided by law, moneys for the purpose and sufficient to redeem, at the premiums payable as in this resolution provided, the Bonds designated in said notice of redemption. Such moneys so set aside in any such escrow fund shall be applied on or after the redemption date solely for payment of principal of and premium, if any, on the Bonds to be redeemed upon presentation and surrender of such Bonds, provided that all moneys in the interest and sinking fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the interest and sinking fund of the District, unless otherwise provided for to be paid from such escrow. If, after all of the Bonds have been redeemed and cancelled or paid and cancelled, there are moneys remaining in the

interest and sinking fund of the District or otherwise held in trust for the payment of redemption price of the Bonds, said moneys shall be held in or returned or transferred to the interest and sinking fund of the District for payment of any outstanding bonds of the District payable from said fund; provided, however, that if said moneys are part of the proceeds of bonds of the District, said moneys shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such time outstanding, said moneys shall be transferred to the general fund of the District as provided and permitted by law.

(g) Defeasance of Bonds. If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all outstanding Bonds all of the principal, interest and premium, if any, represented by such Bonds at the times and in the manner provided herein and in the Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation to levy taxes for payment of such Bonds, as provided in Section 10 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under the Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by such Bonds, but only out of moneys on deposit in the interest and sinking fund or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (h) hereof shall apply in all events.

For purposes of this section, the District may pay and discharge any or all of the Bonds by depositing in trust with an escrow agent at or before maturity, money or non-callable direct obligations of the United States of America or other non-callable obligations the payment of the principal of and interest on which is guaranteed by a pledge of the full faith and credit of the United States of America, in an amount which will, together with the interest to accrue thereon and available moneys then on deposit in the interest and sinking fund of the District, be fully sufficient, in the opinion of a certified public accountant, to pay and discharge the indebtedness on such Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

(h) Unclaimed Moneys. Any money held in any fund created pursuant to this Resolution, or by the Paying Agent in trust, for the payment of the principal of, redemption premium, if any, or interest on the Bonds and remaining unclaimed for two years after the principal of all of the Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the interest and sinking fund of the District for payment of any outstanding bonds of the District payable from said fund; or, if no such bonds of the District are at such time outstanding, said moneys shall be transferred to the general fund of the District as provided and permitted by law.

Section 7. Paying Agent: (a) Appointment. The Treasurer-Tax Collector of the County of San Mateo, in Redwood City, California, is hereby appointed the initial Paying Agent for the Series 2006 Bonds (the "Paying Agent").

(b) Principal Corporate Trust Office. Unless otherwise specifically noted, any reference herein to the Paying Agent shall initially mean the Treasurer-Tax Collector of the County of San Mateo, and any reference herein to the "principal corporate trust office" of the Paying Agent for purposes of transfer, registration, exchange, payment, and surrender of the Series 2006 Bonds shall initially mean the office of the Treasurer-Tax Collector of the County of San Mateo in Redwood City, California; provided, however, that in any case "Paying Agent" shall refer to any successor paying agent/registrar or transfer agent for the Series 2006 Bonds, and "principal corporate trust office" shall include the principal corporate trust office or other office of such successor Paying Agent designated thereby for a particular purpose.

(c) Registration Books. The Paying Agent will keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on said books, Bonds as provided in Section 8 hereof.

(d) Payment of Fees and Expenses. The fees and expenses of the Paying Agent not paid from the proceeds of sale of the Bonds shall be paid in each year from the interest and sinking fund of the District, insofar as permitted by law, including specifically by Section 15232 of the Education Code of the State of California.

(e) Replacement or Resignation of Paying Agent. At any time that the County Treasurer-Tax Collector is acting as paying agent hereunder, he or she may appoint, discharge, replace and contract with agents for payment, registration, transfer and other duties related to the Series 2006 Bonds as the treasurer shall assign pursuant to provisions of general law, including Education Code Section 15232, and all such agents shall be deemed agents of, and shall serve at the pleasure of, the County Treasurer-Tax Collector. The discharge or resignation of the Paying Agent currently acting hereunder shall not take effect for a period of 30 days, unless the County Treasurer-Tax Collector or the replacement Paying Agent appointed by the County Treasurer-Tax Collector shall sooner assume the duties of Paying Agent; provided that in no such case shall such discharge or resignation of the Paying Agent take effect prior to the date on which the preconditions provided under the applicable rules, regulations and operational procedures, including those promulgated by the Securities and Exchange Commission and The Depository Trust Company, have been met.

Section 8. Transfer Under Book-Entry System; Discontinuation of Book-Entry System: (a) The Series 2006 Bonds shall be initially issued and registered as provided in Section 3. Registered ownership of such Series 2006 Bonds, or any portion thereof, may not thereafter be transferred except:

(i) To any successor of Cede & Co., as nominee of The Depository Trust Company, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this section (a "substitute depository"); provided, that any successor of Cede & Co., as nominee of The Depository Trust Company or

substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District or the County, upon (1) the resignation of The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to substitute another depository for The Depository Trust Company (or its successor) because The Depository Trust Company or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of The Depository Trust Company or its successor (or substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to remove The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository.

(b) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this section, upon receipt of the outstanding Series 2006 Bonds by the Paying Agent, together with a written request of the District or County to the Paying Agent, a new Series 2006 Bond for each maturity of Current Interest Series 2006 Bonds and each maturity of Capital Appreciation Series 2006 Bonds shall be executed and delivered (in the case of Current Interest Series 2006 Bonds, in the aggregate principal amount of the Current Interest Series 2006 Bonds then outstanding, and in the case of Capital Appreciation Series 2006 Bonds, in the aggregate maturity value of the Capital Appreciation Series 2006 Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District or County. In the case of any transfer pursuant to clause (iii) of subsection (a) of this section, upon receipt of the outstanding Series 2006 Bonds by the Paying Agent together with a written request of the District or County to the Paying Agent, new Series 2006 Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District or County, subject to the limitations of Section 3, and thereafter, the Series 2006 Bonds shall be transferred pursuant to the provisions set forth in Section 9 of this resolution; provided, that the Paying Agent shall not be required to deliver such new Series 2006 Bonds within a period of less than 60 days after the receipt of any such written request of the District or County.

(c) The County, the District and the Paying Agent shall be entitled to treat the person in whose name any Series 2006 Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the County, the District or the Paying Agent; and the County, the District and the Paying Agent shall have no

responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Series 2006 Bonds, and neither the County, the District or the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including The Depository Trust Company or its successor (or substitute depository or its successor), except for the Owner of any Series 2006 Bonds.

(d) So long as the outstanding Series 2006 Bonds are registered in the name of Cede & Co. or its registered assigns, the District, the County and the Paying Agent shall cooperate with Cede & Co., as sole Owner, or its registered assigns in effecting payment of the principal of and interest on the Series 2006 Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available (e.g., by wire transfer) on the date they are due.

Section 9. Transfer and Exchange: (a) Transfer. Following the termination or removal of the depository pursuant to Section 8 hereof, any Series 2006 Bond may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 7(c) hereof, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series 2006 Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Series 2006 Bond or Bonds shall be surrendered for transfer, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 3, a new Series 2006 Bond or Bonds of the same series, maturity, interest payment mode and interest rate (in the case of Current Interest Series 2006 Bonds, for a like aggregate principal amount, and in the case of Capital Appreciation Series 2006 Bonds, for a like aggregate maturity value). The Paying Agent may require the payment by any Owner of Series 2006 Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfer of any Series 2006 Bond shall be required to be made by the Paying Agent during the period from (1) the close of business on the applicable Record Date to and including the succeeding interest date or dates, or (2) the close of business on the date on which notice is given that such Series 2006 Bond has been selected for redemption in whole or in part, to and including the designated redemption date.

(b) Exchange. The Series 2006 Bonds may be exchanged for Series 2006 Bonds of other authorized denominations of the same maturity and interest payment mode, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series 2006 Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Series 2006 Bond or Bonds shall be surrendered for exchange, the designated County officials shall execute and the Paying Agent shall

authenticate and deliver, as provided in Section 3, a new Series 2006 Bond or Bonds of the same maturity and interest payment mode and interest rate (in the case of Current Interest Series 2006 Bonds, for a like aggregate principal amount, and in the case of Capital Appreciation Series 2006 Bonds, for a like aggregate maturity value).
