For the purposes of this contract "Program" or "Project" may be used interchangeably.

3. Payments

In consideration of the services provided by Contractor in accordance with all terms, conditions and specifications set forth herein. 4. Term and Termination

Subject to compliance with all terms and conditions, the term of this Agreement shall be from July 1, 2006, through December 31, 2008.

County may terminate this Agreement for cause after giving Contractor notice of any breach or default and 30 days to cure said breach or default.

County reserves the right to waive any and all breaches of this Agreement, and any such waiver shall not be deemed a waiver of all previous or subsequent breaches. In the event County chooses to waive a particular breach of this Agreement, it may condition same on payment by Contractor of actual damages occasioned by such breach of Agreement and shall make every effort to resolve the same quickly and amicably.

5. Availability of Funds

The County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon unavailability of Federal, State, or County funds, by providing written notice to Contractor as soon as is reasonably possible after the County learns of said unavailability of outside funding.

6. Relationship of Parties

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent Contractor and not as an employee of the County and that Contractor acquires none of the rights, privileges, powers, or advantages of County employees.

7. Hold Harmless

Contractor shall indemnify and save harmless County, its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description, brought for, or on account of: (A) injuries to or death of any person, including Contractor, or (B) damage to any property of any kind whatsoever and to whomsoever belonging, (C) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended, or (D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County, its officers, agents, employees, or servants, resulting from the performance of any services or work provided by Contractor or payments made pursuant to this Agreement, provided that this shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth herein, shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

8. Assignability and Subcontracting

Contractor shall not assign this Agreement or any portion thereof to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without the County's prior written consent shall give County the right to automatically and immediately terminate this Agreement.

9. Insurance

The Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this paragraph has been obtained and such insurance has been approved by Risk Management, and Contractor shall use diligence to obtain such issuance and to obtain such approval. The Contractor shall furnish the Department/Division with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending the Contractor's coverage to include the contractual liability assumed by the Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to the Department/Division of any pending change in the limits of liability or of any cancellation or modification of the policy.

- (1) **Worker's Compensation and Employer's Liability Insurance** The Contractor shall have in effect during the entire life of this Agreement Workers' Compensation and Employer's Liability Insurance providing full statutory coverage. In signing this Agreement, the Contractor certifies, as required by Section 1861 of the California Labor Code, that it is aware of the provisions of Section 3700 of the California Labor Code which requires every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of the Code, and I will comply with such provisions before commencing the performance of the work of this Agreement.
- (2) **Liability Insurance** The Contractor shall take out and maintain during the life of this Agreement such Bodily Injury Liability and Property Damage Liability Insurance as shall protect him/her while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from contractors operations under this Agreement, whether such operations be by himself/herself or by any sub-contractor

or by anyone directly or indirectly employed by either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall be not less than the amount specified below.

Such insurance shall include:

- (a) Comprehensive General Liability \$1,000,000
- (b) Motor Vehicle Liability Insurance \$1,000,000

County and its officers, agents, employees and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that the insurance afforded thereby to the County, its officers, agents, employees and servants shall be primary insurance to the full limits of liability of the policy, and that if the County or its officers and employees have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, the County of San Mateo at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work pursuant to this Agreement.

10. Compliance with laws; payment of Permits/Licenses

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, including, but not limited to, Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended, and the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, as amended and attached hereto and incorporated by reference herein as Attachment "I," which prohibits discrimination on the basis of handicap in programs and activities receiving any Federal or County financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including, but not limited to, appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations.

- iii) liquidated damages of \$2,500 per violation;
- iv) imposition of other appropriate contractual and civil remedies and sanctions, as determined by the County Manager.

To effectuate the provisions of this section, the County Manager shall have the authority to examine Contractor's employment records with respect to compliance with this paragraph and/or to set off all or any portion of the amount described in this paragraph against amounts due to Contractor under the Contract or any other Contract between Contractor and County.

Contractor shall report to the County Manager the filing by any person in any court of any complaint of discrimination or the filing by any person of any and all charges with the Equal Employment Opportunity Commission, the Fair Employment and Housing Commission or any other entity charged with the investigation of allegations within 30 days of such filing, provided that within such 30 days such entity has not notified Contractor that such charges are dismissed or otherwise unfounded. Exhibit "A"
Program/Project Description

In consideration of the payments set forth in Exhibit "B", Contractor shall provide the following services:

1. Performance and Accomplishment

Contractor shall use the funds provided for expenses incurred in connection with the development of four affordable home ownership units in the City of South San Francisco (the "Project"). These expenses shall include, but not be limited to architecture and engineering, title and escrow, legal expenses, construction costs including reimbursement for material purchases, and other expenses commonly associated with the development of housing. Also included is reimbursement to the County for the costs incurred in connection with performance of the HUD required Environmental Assessment. The housing is to be developed on a site in South San Francisco commonly referred to as 440 Commercial Avenue.

The units developed shall be sold at affordable prices to households earning no more than the Very Low Income Limit, as said limit is established by the U.S. Department of Housing & Urban Development (HUD) and amended from time to time.

2. Security

Prior to expenditure of any funds, Contractor shall execute a Promissory Note and a Deed of Trust in the amount of \$250,000 against the property to secure the performance of this Agreement (the "County Master Loan Documents"). The Notes shall bear no interest. No payment shall be required until the units are completed and sold. The term of the Note shall match the term of this Agreement. The Director of the Department of Housing may extend the term of the County Master Loan Documents as necessary for the completion of the Project.

When the individual units are sold, each purchaser ("Habitat Purchaser") shall execute a new Promissory Note secured by a Deed of Trust recorded against the individual unit. The County shall be named as a co-beneficiary with Contractor on both the Note and the Deed of Trust as to a partial interest proportional to the total amount of the loan. For example, if the total purchase price is \$250,000, the Contractor portion of the loan is \$187,500 and the County portion is \$62,500, the beneficiary of the Note and Deed of Trust would be Contractor as to a 75% interest and County of San Mateo as to a 25% interest.

When all of the individual Notes and Deeds of Trust are executed, County shall process and record a full reconveyance of the County Master Loan Documents.

3. Repayment

Repayment terms for each Habitat Purchaser will be determined by Contractor in accordance with Contractor's standard practice. Contractor will be responsible for collection of the monthly payments and shall remit the County's share to the County every six (6) months. Any interest earned on such County funds collected by Contractor may be kept by Contractor as its fee for providing such collection services.

4. Mandatory Acknowledgement of Funder

All projects/programs receiving any type of funding assistance and or substantial technical assistance through the San Mateo County Department of Housing will be required to state such in any advertising, marketing, public presentations, press releases, written materials or project descriptions. Such acknowledgement should also identify the U.S. Department of Housing & Urban Development.

All Capital projects shall display **Temporary Construction Signage** appropriately displayed during the major portion of the construction phase. Such signage must be provided by the Contractor and must be pre-approved by the Department of Housing in design and content.

5. Termination of Agreement

In the event this agreement is terminated for any reason by either party, any funds disbursed shall be repaid to County in accordance with the terms of the Master County Loan Documents.

Exhibit B

Method and Rate of Payment to Contractor

In consideration of the services provided by Contractor in Exhibit "A", County shall pay Contractor based on the following terms:

Payment by County shall be made on a reimbursement basis upon claims for reimbursement being submitted by Contractor to County. Requests for reimbursement shall include copies of invoices paid together with warrants, canceled checks, or other proof that the invoices have been paid. The request must include a brief narrative description of the progress of the project and the items being reimbursed

Upon written request to the Director of Housing, payments may be made directly to authorized third parties; Contractor must submit original invoices with the request. No such request will be approved for payments less than \$10,000. The County will not be responsible for any charges levied by such third parties due to failure to make payments or to meet any time requirements set forth in their agreement with Contractor.

Contractor shall certify in writing that the specific services for which reimbursement or payment is being requested have been satisfactorily completed, that the payments are proper and that all funds to be expended are on behalf of and exclusively for the Project. The County reserves the right to verify such completion prior to payment to Contractor.

In the event of a questionable payment request, the County shall state in writing the specific nature of its objections to Contractor's request. The County shall also specify what actions or changes are necessary to make the request or work acceptable. Contractor shall respond to County within 15 days of receipt of such objections. The parties to this Agreement shall meet to discuss such objections at the request of either party. The County will not be obligated to make a payment of any billing until any and all objections to the adequacy of the services rendered or the amount of the billing have been resolved.

None of the funds shall be used for salary, fringe benefits or other compensation of employees of Contractor or its affiliates.

Contractor shall submit a Quarterly Report within 30 days of the end of each quarter which shall detail the status of the Project. The report should be in the form of a narrative description of all activities performed in relation to the Project including all pre-development activities. The report should include a Project time-line and indicate the status of the Project in relationship to this time-line. Contractor must document any changes from the time-line submitted with the original application. This report requirement is in addition to any information submitted with requests for reimbursement; this requirement shall extend until completion of the Project even if all of the funds provided under this Agreement have been expended.

Upon completion of the Project Contractor shall provide either a Public Facilities Beneficiary Summary which shall summarize the number of clients served by their ethnicity and income, or, for Housing projects, a Tenant Profile and Project Completion Report.

No requests for reimbursement or third party payment will be processed until all reports required hereunder, including any applicable prevailing wage documents required under the Davis-Bacon Act, have been received by the Department of Housing.

In the event of termination prior to completion of the Project any funds not expended shall be paid down against the principal of the loan. Any remaining principal, plus accrued interest, if any, shall be immediately due and payable in accordance with the provision of the applicable Note or Notes.

Performance reporting forms will be provided to Contractor by the County of San Mateo Department of Housing.

Additional Program Requirements

1. BREACH OF AGREEMENT

This Agreement is governed by applicable federal statutes and regulations, as referred to elsewhere herein. Any material deviation by Contractor for any reason from the requirements thereof, or from any other provision of this Agreement, shall constitute a breach of this Agreement and may be cause for termination at the election of County or upon the direction of HUD.

2. AGREEMENT TERMINATION

In the event Contractor is unable to fulfill its responsibilities under this Agreement for any reason whatsoever, including circumstances beyond its control, County may terminate this Agreement in whole or in part in the same manner as for breach hereof.

3. CONFLICT OF INTEREST

No members, officers, or employees or agents of County, no member of the County's Board of Supervisors, and no other public official who exercises any function or responsibility with respect to this Program during his/her tenure, or for one year thereafter, shall have any financial interest, direct or indirect, in this Agreement or a related subcontract, or the proceeds thereof.

No members, officers, or employees or agents of Contractor who exercises any function or responsibility with respect to Contractor's performance under this Agreement, during his/her tenure, or for one year thereafter, shall have any personal financial interest, direct or indirect, in any of the homes developed by this Project. Contractor shall incorporate the above provision into all contracts awarded in connection with this Agreement.

4. LOBBYING PROHIBITED

Federal funds shall not be used by Contractor for publicity or propaganda purposes designed to support or defeat legislation pending before federal, state or local government. Federal funds shall not be used by Contractor to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress in connection with the award of any Federal contract.

5. INFLUENCING PROHIBITED

A. No Federal appropriated funds have been paid or will be paid, by or on behalf of Contractor to any person for influencing or attempting to influence an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

B. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, Contractor will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions; and

C. The language of paragraphs 5A and 5B shall be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

6. COMPLIANCE WITH FEDERAL LAWS AND REGULATIONS

Contractor, to the extent applicable to this Agreement, shall comply with the following Federal laws and regulations as set forth in 24 CFR §§570.600-612:

A. Public Law 88-352, Title VI of the Civil Rights Act of 1964, which provides that no person in the United States shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance, including community development funds, on the grounds of race, color, or national origin.

B. Public Law 90-284, Fair Housing Act (42 U.S.C. §§3601- 20), which provides that it is the policy of the United States to provide, within constitutional limitations, fair housing throughout the United States and prohibits any person from discriminating in the sale, rental, or financing of housing on the basis of race, color, religion, sex, national origin handicap or familial status. The Fair Housing Act, as amended in 1988, also establishes requirements for the design and construction of new rental or for sale multifamily housing to ensure a minimum level of accessibility for persons with disabilities. Multifamily dwelling units in buildings containing 4 or more units served by one or more elevators, or ground floor dwellings units with 4 or more units, constructed for first occupancy after March 13, 1991, must be designed and constructed in a manner that the public and common use portions of such dwellings are readily accessible to and usable by disabled persons. All premises within such dwellings must incorporate features of adaptive design regarding accessibility routes into and through the dwelling and design features within the units. (Regarding accessibility design issues, State accessibility requirements will prevail if they are stricter than federal requirements.)

C. Age Discrimination Act of 1975, which prohibits discrimination on the basis of age in the delivery of services, programs or benefits supported by Federal funds.

D. Rehabilitation Act of 1973, Section 504, which prohibits discrimination against otherwise qualified handicapped persons in the provision of programs, facilities and employment supported by Federal funds.

In the case of multifamily rental housing, projects of five or more units must be designed and constructed to be readily accessible to and usable by persons with disabilities. For new construction involving five or more units, and substantial rehabilitation projects of 15 or more units (with substantial rehabilitation defined as rehabilitation costs representing 75 percent or more of the replacement costs of the completed facility), the following requirements must be followed - a minimum of 5 percent of the dwelling units must be accessible to individuals with mobility impairments and an additional 2 percent accessible to individuals with sensory impairments. At the minimum, one unit shall be made accessible to mobility-impaired individuals and one unit accessible to sensory impaired individuals. When less than substantial rehabilitation is undertaken in multifamily rental housing projects of any size, these alterations must, to the maximum extent feasible, make the dwelling units accessible to and usable by individuals with disabilities, until a minimum of 5 percent of the dwelling units (but not less than one unit) are accessible to persons with mobility impairments; for this category of less than substantial rehabilitation, the additional 2 percent of the units for persons with sensory impairments does not apply. Also for this category of rehabilitation, if undertaking accessibility alterations imposes undue financial and administrative burdens on the operation of the multifamily housing project, the alterations are not required.

In the case of non-housing facilities involving new construction, the facilities shall be designed and constructed to be readily accessible to and usable by persons with disabilities. For facilities involving alterations, to the extent possible, the alterations should ensure that such facilities are readily accessible to and usable by individuals with disabilities. An element of an existing non-housing facility need not be made accessible, if doing so, would impose undue financial and administrative burdens on the operation of the recipient program or activity. (However, State law will prevail if State accessibility requirements are stricter than federal 504 requirements.) Recipients are still required to take other actions that would ensure that persons with disabilities receive the benefits and services of the program.

E. Davis-Bacon Act, which requires that all laborers and mechanics employed by contractors or subcontractors on construction work financed in whole or in part with Federal funds shall be paid prevailing wages of the locality as determined by the Secretary of Labor.

F. Section 3, Housing & Urban Development Act of 1968. For all programs receiving \$100,000 or more, or construction projects receiving \$200,000 or more, of HUD financial assistance, to the greatest extent feasible, economic opportunities will be given to Section 3 residents and businesses in the area. Section 3 Residents are defined as: 1) residents of public housing; or 2) low and very-low income persons living in the area. Section 3 Businesses are defined as businesses: 1) that are at least 51% owned by Section 3 Residents; 2) whose permanent, full-time employees include persons, at least 30 percent of whom are currently Section 3 residents, or within three years of the date of first employment with the business concern were section 3 residents; or 3) that provide evidence of a commitment to subcontract in excess of 25 % of the dollar award of all subcontract to be awarded to a section 3 business concern. Contractors must maintain appropriate documentation of their efforts to comply with Section 3 requirements.

G. Flood Disaster Protection Act of 1973, which provides that no federal financial assistance for acquisition or construction purposes may be approved for an area having special flood hazards unless the community in which the area is located is participating in the National Flood Insurance Program.

H. Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, which provides for relocation assistance for any family, individual, business, non-profit organization or farm displaced as a result of acquisition of property with federal funds.

I. Executive Order 11246, amended by Executive Order 12086, Equal Employment and Contracting Opportunities, which provide that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in all phases of employment during the performance of federally assisted construction contracts.

J. Housing and Urban Development Act of 1968, Section 3, which requires that, in the planning and carrying out of any project assisted under the Act, that to the greatest extent feasible, opportunities for training and employment be given to low and moderate income persons residing within the unit of local government in which the project is located, and that contracts for work in connection with the project be awarded to eligible business concerns which are located in, or owned in substantial part by persons residing in the same unit of local government as the project.

K. Lead-Based Paint Poisoning Act, which prohibits the use of lead-based paint in residential structures constructed or rehabilitated with Federal assistance.

L. Housing & Community Developments Act of 1974, 24 CFR Part 5 which provides that assistance shall not be used directly or indirectly to employ, award contracts to, or otherwise engage the services of, or fund any Contractor or sub recipient during any period of debarment, suspension, or placement in ineligibility status under the provisions of 24 CFR part 24. This provision covers all Contractors and subrecipients, as well as subcontractors of Contractor or subrecipient, whose names are included in the "List of Parties Excluded from Federal Procurement and Nonprocurement Programs." Inclusion in the aforementioned List during the term of this agreement would constitute grounds for contract termination as described in Sections 1 and 2 herein this Exhibit. The aforementioned List can be found on the Web at <http://epls.arnet.gov>.

7. UNIFORM ADMINISTRATIVE REQUIREMENTS

A. Contractor, if a governmental entity or public agency, shall comply with the requirements and standards of OMB Circular No. A-87, "Principles for Determining Costs Applicable to Grants and Contracts with State, Local and Federally Recognized Indian Tribal Governments", OMB Circular A-133, "Audits of State, Local Governments and Non-Profit Organizations", and applicable sections of 24 CFR §85 "Uniform

Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments”, as set forth in 24 CFR §570.502(a).
