Re: Appointments to the Resource Conservation District

RECOMMENDATION:

It is recommended that Rich Allen and Roxy Stone Hoffman be re-appointed to the Resource Conservation District. Both Mr. Allen and Ms. Hoffman were appointed to the RCD on December 17, 2002, and both recommended to be re-appointed to terms that begin November 1, 2006 and end November 1, 2010.

BACKGROUND;

The Resource Conservation District's mission is to help people protect, conserve, and restore natural resources through information, education, and technical assistance programs by working with private landowners.

The Resource Conservation District is authorized at five members. Currently there are no vacancies, as the Board of Supervisors recently appointed T.J. Glauthier to the remaining vacant position.

Mr. Allen and Ms. Hoffman have made significant contributions to the efficiency and development of the Resource Conservation District, and we believe they will continue to play an important role in the organization.
