VISION ALIGNMENT:

Commitment: Leaders work together across boundaries to preserve and enhance our quality of life.

Goal 23: Leaders throughout the County provide the impetus for broader regional solutions in land use, housing, childcare, education, health and transportation.

The County's agreements with the Airport and PALCARE contribute to the goals by collaboratively working together to meet childcare needs. PALCARE offers a safe and educational environment to over 260 children ranging in ages 3 months to six years. About 90 children are from airport families and 12 are from County families.

Performance Measure(s):

Measure	FY 2005-06 Actual	FY 2006-07 Projected
Number of children enrolled	207	210
Percent Airport enrollment	47%	50%
Percent County enrollment	5.7%	10%

BACKGROUND/DISCUSSION:

Since 1991 the County has had collaborative agreements with the City and County of San Francisco, through its Airport Commission, and PALCARE for the provision of child care services for Airport employees and the community.

PALCARE, which has a separate long-term operating lease agreement with the County, utilizes a County-owned facility at 945 California Drive in Burlingame that accommodates the childcare center. The most recent childcare service agreements expired on June 30, 2004 with the first extension from July 1, 2004 through June 30, 2005 and the second extension from July 1, 2005 through June 30, 2006. The agreements totaled \$250,000 and guaranteed Airport employees 100 childcare slots, scholarships for low-income families, waiver of various fees including registration and flexible schedules.

The Airport has notified the County of San Mateo of its desire to exercise Option #3 to extend the agreement through the end of FY 2006-07. PALCARE also wishes to extend the term of the agreement.

The County's agreement with PALCARE continues to include a provision granting County employees priority enrollment status at the childcare center.

The contractor has assured compliance with the County's Contractor Employee Jury Service Ordinance, as well as all other contract provisions that are required by County ordinance and administrative memoranda, including but not limited to insurance, hold harmless, non-discrimination and equal benefits

FISCAL IMPACT:

The term of the agreements will be extended through June 30, 2007. The Airport will cover the \$250,000 annual payment for PALCARE.
