MEMORANDUM

DATE:

January 9, 2007

TO:

Board of Supervisors

FROM:

Rose Jacobs Gibson

SUBJECT:

Boards, Commissions and Committee Assignments

Attached please find a set of recommendations for assignments to Boards, Commissions, Committees, and Board Sub-Committees. Minor changes were made based on your requests and preferences.

Since the Peninsula Policy Partnership has been dissolved, the need for a representative has been eliminated. The work of the County Sesquicentennial Committee, the Parks for the Future Committee, the County Government Reorganization Sub-Committee and the Youth Services Center Sub-Committee have concluded so those committees/sub-committees are no longer listed.

A number of new Board Committees and Sub-Committees were created in 2006 and are included in the attached list. These include: Alcohol and Other Drug Steering Committee, the Re-Entry Subcommittee, Elections Subcommittee and Fire Services Sub-Committee.

These recommendations will be on the Agenda for the January 9, 2007 Board of Supervisors meeting.
