# OVERVIEW OF THE MENTAL HEALTH SERVICES ACT (MHSA) INTEGRATED THREE-YEAR PROGRAM AND EXPENDITURE PLAN

California voters approved Proposition 63 during the November 2004 General Election. Proposition 63, the Mental Health Services Act [hereinafter "MHSA"], became effective on January 1, 2005. Through imposition of a 1% tax on personal income in excess of \$1 million, the MHSA provides the opportunity for the State Department of Mental Health [hereinafter also "DMH" and "the Department"] to provide increased funding, personnel and other resources to support county mental health programs and monitor progress toward statewide goals for children/youth, adults, older adults and families. Per California Code of Regulations [hereinafter "CCR"], Title 9, Chapter 14, Section 3200.060, "county" means the County Mental Health Programs, two or more counties acting jointly, and/or city-operated programs receiving funds per Welfare and Institutions Code [hereinafter "W&I"] Section 5701.5. The MHSA addresses a broad continuum of prevention, early intervention and service needs and the necessary infrastructure, technology, and training elements that will effectively support the system. Components of the MHSA Integrated Three-Year Program and Expenditure Plan will include those elements required by W&I Code Section 5847 and related regulations including: Community Services and Supports [hereinafter "CSS"], Prevention and Early Intervention, Education and Training, Innovations, and Capital Facilities and Technology.

CSS means mental health and related services provided through the service delivery systems, also known as "Adult and Older Adult Systems of Care" and "Children's System of Care," found in W&I Code Sections 5800 and 5850, respectively, as well as services provided to transition-age youth, as specified in W&I Code Section 5847(c). The three types of service categories that may be funded under the MHSA-CSS Component are: Full Service Partnerships, General System Development, and Outreach and Engagement, as described in CCR, Title 9, Chapter 14, Sections 3200.080, 3200.100, and 3200.130, respectively.

- 3. If DMH accepts the Contractor's proposed plan of correction, it shall suspend other punitive actions to give the Contractor the opportunity to come into compliance. As a condition of accepting the Contractor's proposed plan, DMH may impose additional obligations on the Contractor. DMH may monitor the Contractor's implementation of the plan of correction as necessary. Before issuing a finding of compliance, DMH may request proof that the corrective action has been successful.
- **4.** During the period when a plan of correction is in force, the provisions of the plan of correction take precedence over provisions of this Agreement, to the extent the two differ.
- **5.** If DMH determines that the Contractor has failed to achieve sufficient compliance, funds may be withheld, under all or part of this Agreement, until compliance is achieved.
- 6. If at any point during the duration of this agreement, DMH determines that the Contractor is not providing the programs and services described in the Agreement, or is not providing programs and services in a manner consistent with the terms of the Agreement, or is using funds allocated to it through this Agreement for purposes not contained in the Agreement, DMH may withhold funding until the problem is resolved or a plan of correction is agreed upon.

If DMH does not respond within 60 (sixty) days, the request is deemed denied. The Contractor may resubmit the request.

DMH may propose amending the Agreement by submitting a written proposal to the Contractor.

Unless the modification is documented in a written addendum to this Agreement signed by both the Contractor and DMH, modifications to this Agreement are not legally binding, and the Contractor shall receive no additional funds

#### I. PAYMENT PROVISIONS

# A. Payment

- 1. Upon the approval date of this Agreement, DMH shall distribute MHSA funds to the Contractor on a quarterly basis one month in advance of the start of each quarter. Quarterly payments will be discontinued if the Contractor is delinquent in submitting the reports required by Exhibit A, Part IV. C and will resume when the required documents and/or information are received. DMH will monitor the Contractor's amount of cash on hand for on-going operations for each component of the MHSA and distributions of funds may be adjusted based on the amount of cash on hand.
- 2. If the Contractor participates in Medi-Cal mental health programs as a Mental Health Plan, the Contractor shall comply with the requirements and provisions applicable to Medi-Cal Mental Health Managed Care contained or referenced in regulations, policies and statute, and Medi-Cal Mental Health Managed Care Agreement.

# **B. Budget Contingencies**

- 1. DMH may adjust or revise the Contractor's planning estimate to provide for increases or decreases in the amount of funds expected to be available for the Contractor's approved programs. The contractor may submit a revised budget plan and request an amendment to this agreement to change or alter its proposed programs to adjust to the revised planning estimate of funds available.
- 2. If there is insufficient money available in the Fund to implement or operate the programs funded by this Agreement or to fund the amount of the annual planning estimate, DMH, with the input of the California Mental Health Directors Association, may revise the planning estimate or may decide to use some or all of the prudent reserve to fund the approved programs. Decisions to use the prudent reserve will be made on a statewide basis.
- 3. If funds, including the prudent reserve, are not sufficient to implement and/or operate a program or provide a service, those provisions of this Agreement addressing that program or service shall be void and shall have no further force or effect. Neither DMH nor the State shall have any duty to provide funds to the Contractor for that program or service, and the Contractor shall have no obligation to perform those programs or services. If funds are insufficient to implement and/or operate the Agreement, the Agreement shall be void and shall have no further force or effect.

- D. Reporting of Improper Disclosures. To report to DMH within twenty-four (24) hours during a work week, of discovery by Contractor that PHI has been used or disclosed other than as provided for by this Agreement.
- E. Agents and Subcontractors of the Contractor. To ensure that any agent, including a subcontractor to which the Contractor provides PHI received from, or created or received by the Contractor on behalf of DMH, shall comply with the same restrictions and conditions that apply through this Agreement to the Contractor with respect to such information.
- F. Internal Practices. To make Contractor's internal practices, books and records relating to the use and disclose of PHI received from DMH, or created or received by the Contractor on behalf of DMH, available to DMH or to the Secretary of the U.S. Department of Health and Human Services in a time and manner designated by DMH or by the Secretary, for purposes of determining DMH's compliance with the HIPAA regulations.
- G. Notification of Electronic Breach or Improper Disclosure. During the term of this Agreement, Contractor shall notify DMH immediately upon discovery of any breach of Medi-Cal PHI and/or data, where the information and/or data is reasonably believed to have been acquired by an unauthorized person. Contractor shall take prompt corrective action to cure any deficiencies and any action pertaining to such unauthorized disclosure required by applicable Federal and State laws and regulations. Contractor shall investigate such breach and provide a written report of the investigation to the DMH Information Security Officer, postmarked within thirty (30) working days of the discovery of the breach to the address below:

To train and use reasonable measures to ensure compliance with the requirements of this Agreement by employees who assist in the performance of functions or activities on behalf of DMH under this Agreement and use or disclose PHI; and discipline such employees who intentionally violate any provisions of this Agreement, including by termination of employment.
- 4. Audits, Inspection and Enforcement.

From time to time, DMH may inspect the facilities, systems, books and records of Contractor to monitor compliance with this Agreement. Contractor shall promptly remedy any violation of any provision of this Agreement and shall certify the same to the DMH Information Security Officer in writing. The fact that DMH inspects, or fails to inspect, or has the right to inspect, Contractor's facilities, systems and procedures does not relieve Contractor of its responsibilities to comply with this Agreement, nor does DMH's:

A. Failure to detect or

B. Detection, but failure to notify Contractor or require Contractor's remediation of any unsatisfactory practices constitutes acceptance of such practice or a waiver of DMH's enforcement rights under this Agreement.

#### Termination.

- A. Termination for Cause. Upon DMH's knowledge of a material breach of this Agreement by Contractor, DMH shall either:
  - 1. Provide an opportunity for Contractor to cure the breach or end the violation and terminate this Agreement if Contractor does not cure the breach or end the violation within the time specified by DMH.
  - 2. Immediately terminate this Agreement if Contractor has breached a material term of this Agreement and cure is not possible; or
  - 3. If neither cure nor termination is feasible, the DMH Information Security Officer shall report the violation to the Secretary of the U.S. Department of Health and Human Services.
- B. Judicial or Administrative Proceedings. DMH may terminate this Agreement, effective immediately, if (i) Contractor is found guilty in a civil or criminal proceeding for a violation of the HIPAA Privacy or Security Rule or (ii) a finding or stipulation that the Contractor has violated a privacy or security standard or requirement of HIPAA, or other security or privacy laws is made in an administrative or civil proceeding in which the Contractor is a party.
  - 1. Effect of Termination. Upon termination or expiration of this Agreement for any reason, Contractor shall return or destroy all PHI received from DMH (or created or received by Contractor on behalf of DMH) that Contractor still maintains in any form, and shall retain no copies of such PHI or, if return or destruction is not feasible, it shall continue to extend the protections of this Agreement to such information, and limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible. This provision shall apply to PHI that is in the possession of subcontractors or agents of the Contractor.

## 6. Miscellaneous Provisions.

- A. Disclaimer. DMH makes no warranty or representation that compliance by Contractor with this Agreement, HIPAA or the HIPAA regulations will be adequate or satisfactory for Contractor's own purposes or that any information in the Contractor's possession or control, or transmitted or received by the Contractor, is or will be secure from unauthorized use or disclosure. Contractor is solely responsible for all decisions made by Contractor regarding the safeguarding of PHI.
- B. Amendment. The parties acknowledge that Federal and State laws relating to electronic data security and privacy are rapidly evolving and that amendment of this Agreement may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HIPAA regulations and other applicable laws relating to the security or privacy of PHI. Upon DMH's request, Contractor agrees to promptly enter into an amendment providing assurances regarding the safeguarding of PHI that DMH in its sole discretion deems sufficient to satisfy the standards and requirements of HIPAA and the HIPAA regulations.

- D. No Third-Party Beneficiaries. Nothing expressed or implied in the terms and conditions of this Agreement is intended to confer, nor shall anything herein confer, upon any person other than DMH or Contractor and their respective successors or assignees, any rights remedies, obligations or liabilities whatsoever.
- E. Interpretation. The terms and conditions in this Agreement shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HIPAA regulations and applicable State laws. The parties agree that any ambiguity in the terms and conditions of this Agreement shall be resolved in favor of a meaning that complies and is consistent with HIPAA and the HIPAA regulations.
- F. Regulatory References. A reference in the terms and conditions of this Agreement to a section in the HIPAA regulations means the section as in effect or as amended.
- G. *Survival*. The respective rights and obligations of Contractor under Section 6.C of this Agreement shall survive the termination or expiration of this Agreement.
- H. No Waiver of Obligations. No change, waiver or discharge of any liability or obligation hereunder on any one or more occasions shall be deemed a waiver of performance of any continuing or other obligation, or shall prohibit enforcement of any obligation, on any other occasion.

- C. "Generated data" is that data that a Contractor has collected, collated, recorded, deduced, read out or postulated for utilization in the performance of this Agreement. Any electronic data processing program, model or software system developed or substantially modified by the Contractor in the performance of this Agreement at State expense, together with complete documentation thereof, shall be treated in the same manner as generated data.
- **D.** "Deliverable data" is that data which under terms of this Agreement is required to be delivered to the Department. Such data shall be the property of the Department.
- E. "Generated data" shall be the property of the Department unless and only to the extent that it is specifically provided otherwise herein or by agreement of DMH and the Contractor.
- F. The title to the Contractor's proprietary data shall remain in the Contractor's possession throughout the term of this Agreement and thereafter. G. Prior to the expiration of such time, and before changing the form of or destroying any such data, the Contractor shall notify the Department of any such contemplated action; and the Department may, within 30 (thirty) days after said notification, determine whether it desires said data to be further preserved and, if the Department so elects, the expense of further preservation of said data shall be paid for by the Department. The Contractor agrees that the Department shall have unrestricted reasonable access to the same during said three-year period and throughout the time during which said data is preserved in accordance with this Agreement, and the Contractor agrees to use best efforts to furnish competent witnesses or to identify such competent witnesses to testify in any court of law regarding said data.

#### X. WAIVER

No waiver of any breach of this Agreement shall be held to be a waiver of any other or subsequent breach. All remedies afforded in this Agreement shall be taken and construed as cumulative; that is, in addition to every other remedy provided therein or by law. The failure of the Department to enforce at any time the provisions of this Agreement, or to require at any time performance by the Contractor of any of the provisions, shall in no way be construed to be a waiver of such provisions not to affect the validity of this Agreement or the right of the Department to enforce said provisions.

## XI. CONTRACT IS COMPLETE

Other than as specified herein, no document or communication passing between the parties hereto shall be deemed a part of this Agreement.

## XII. CAPTIONS

The clause headings appearing in this Agreement have been inserted for the purpose of convenience and ready reference. They do no purport to and shall not be deemed to define, limit or extend the scope or intent of the clauses to which they pertain.

If any of the stated contingencies occur, the party delayed by force majeure shall as soon as reasonably possible give the other parties written notice of the cause of delay. The party delayed by force majeure shall use reasonable diligence to correct the cause of the delay, if correctable, and if the condition that caused the delay is corrected, the party delayed shall immediately give the other parties written notice thereof and shall resume performance under this Agreement.

#### XV. PERMITS AND LICENSES

The Contractor shall procure and keep in full force and effect during the term of this Agreement all permits, registrations and licenses necessary to accomplish the work specified in this Agreement, and give all notices necessary and incident to the lawful prosecution of the work.

The Contractor shall keep informed of, observe, comply with, and cause all of its agents and employees to observe and comply with all prevailing Federal, State, and local laws, and rules and regulations made pursuant to said Federal, State, and local laws, which in any way affect the conduct of the work of this Agreement. #### XVI. LITIGATION

The Department, promptly after receiving notice thereof, shall notify the Contractor in writing of the commencement of any claim, suit, or action against the Department or its officers or employees for which the contractor must provide indemnification under this Agreement. The failure of the Department to give such notice, information, authorization or assistance shall not relieve the Contractor of its indemnification obligations. The Contractor shall promptly notify the Department of any claim or action against it which affects, or may affect, this Agreement, the terms and conditions hereunder, or the Department, and shall take such action with respect to said claim or action which is consistent with the terms of this Agreement and the interest of the Department.

## XVIII. PUBLIC CONTRACT CODE

The Contractor is advised that provisions of Public Contract Code Sections 10355 through 10382 pertaining to the duties, obligations and rights of a consultant service contractor are applicable to this Agreement.

Contractor: San Mateo Contract No: 05-75528 Page 10 of 10

#### XIX. WAIVER OF DEFAULT

Waiver of any default will not be deemed to be a waiver of any subsequent default. Waiver of breach of any provision of this Agreement will not be deemed to be a waiver of any other or subsequent breach, and will not be construed to be a modification of this Agreement.

# XX. CONFLICT OF INTEREST CERTIFICATION

In accordance with State laws and Departmental policy, no employees (including contractors) shall participate in incompatible activities which are in conflict with their job duties. In addition, State law requires employees whose positions are designated in the Department's Conflict of Interest Code to file statements of economic interest. Employees whose positions have been designated will be notified by the department if a statement is required.

In signing this contract, I certify that I have read and understand the following:

GOVERNMENT CODE 19990: A state officer or employee shall not engage in any employment, activity, or enterprise, which is clearly inconsistent, incompatible, in conflict with, or inimical to his or her duties as a state officer or employee.

- 6. Subject to any other laws, rules, or regulations as pertain thereto, not devoting his or her full time, attention, and efforts to his or her state office or employment during his or her hours of duty as a state officer or employee.
