Except as otherwise set forth herein, Contractor shall not use any of County’s Intellectual Property now existing or hereafter existing for any purposes without the prior written permission of County. Except as otherwise set forth herein, neither the Contractor nor the County shall give any ownership interest in or rights to its Intellectual Property to the other Party. If during the term of this Agreement, Contractor accesses any third-party Intellectual Property that is licensed to County, Contractor agrees to abide by all license and confidentiality restrictions applicable to County in the third-party’s license agreement.
 - (d) Contractor agrees to cooperate with County in establishing or maintaining County’s exclusive rights in the Intellectual Property, and in assuring County’s sole rights against third parties with respect to the Intellectual Property. If the Contractor enters into any agreements or subcontracts with other parties in order to perform this Agreement, Contractor shall require the terms of the agreement(s) to include all Intellectual Property provisions of **paragraphs one through nine**. Such terms must include, but are not limited to, the Contractor assigning and agreeing to assign to County all rights, title and interest in Intellectual Property made, conceived, derived from, or reduced to practice by the Contractor or County and which result directly or indirectly from this Agreement or any contract.
 - (e) Contractor further agrees to assist and cooperate with County in all reasonable respects, and execute all documents and, subject to reasonable availability, give testimony and take all further acts reasonably necessary to acquire, transfer, maintain, and enforce County’s Intellectual Property rights and interests.

3. Retained Rights/License Rights

- (a) Except for Intellectual Property made, conceived, derived from or reduced to practice by Contractor or County and which result directly or indirectly from this Agreement, Contractor shall retain title to all of its Intellectual Property to the extent such Intellectual Property is in existence prior to the effective date of this Agreement. Contractor hereby grants to County, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display/perform, distribute, and dispose of Contractor's Intellectual Property with the right to sublicense through multiple layers, for any purpose whatsoever, to the extent it is incorporated in the Intellectual Property resulting from this subgrant, unless Contractor assigns all rights, titles and interest in the Intellectual Property as set forth herein.
- (b) Nothing in this provision shall restrict, limit, or otherwise prevent Contractor from using any ideas, concepts, know-how, methodology or techniques related to its performance under this Subgrant, provided that Contractor's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of County or third party, or result in a breach or default of any provisions of **paragraph one through nine** or result in a breach of any provisions of law relating to confidentiality.

4. Copyright

- (a) Contractor agrees that for purposes of copyright law, all works (as defined in Ownership, Section 2, paragraph (b)1.) of authorship made by or on behalf of Contractor in connection with Contractor's performance of this Agreement shall be deemed "works made for hire." Contractor further agrees that the work of each person utilized by Contractor in connection with the performance of this Agreement will be "work made for hire," whether that person is an employee of Contractor or that person has entered into an agreement with Contractor to perform the work. Contractor shall enter into a written agreement with any such person that: (i) all work performed for Contractor shall be deemed a "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to County to any work product made, conceived, derived from, or reduced to practice by Contractor and which result directly or indirectly from this Agreement.

With respect to inventions made by Contractor in the performance of this Agreement, which did not result from research and development specifically

included in the Agreement's scope of work, Contractor hereby grants to County a license as described under **paragraph three** for devices or material incorporating, or made through the use of such inventions. If such inventions result from research and development work specifically included within the Agreement's scope of work, then Contractor agrees to assign to County, without additional compensation, all its right, title and interest in and to such inventions and to assist County in securing United States and foreign patents with respect thereto.

6. Third-Party Intellectual Property

Except as provided herein, Contractor agrees that its performance of this Agreement shall not be dependent upon or include any Intellectual Property of Contractor or third party without first: (i) obtaining County's prior written approval; and (ii) granting to or obtaining for County's, without additional compensation, a license, as described in **paragraph three**, for any of Contractor's or third-party's Intellectual Property in existence prior to the effective date of this Agreement. If such a license upon these terms is unattainable, and County determines that the Intellectual Property should be included in or is required for Contractor's performance of this Agreement, Contractor shall obtain a license under terms acceptable to County.

7. Warranties

(a) Contractor represents and warrants that:

- 1) It has secured and will secure all rights and licenses necessary for its performance of this Agreement
- 2) Neither Contractor's performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign county. There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by Contractor.

- 7) It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
- 8) It has no knowledge of any outstanding claims, licenses or other charges liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this Agreement.

(b) COUNTY MAKES NO WARRANTY, THAT THE INTELLECTUAL PROEPRTY RESULTING FROM THIS AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

8. Intellectual Property Indemnity

- (a) Contractor shall indemnify, defend and hold harmless the County and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnities") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim action, or proceeding, commenced or threatened) to which any of the Indemnities may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of County's use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or County and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that was issued after the effective date of this Subgrant. County reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against County.
- (b) Should any Intellectual Property licensed by the Contractor to County under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonable and in good faith to preserve

County's right to use the licensed Intellectual Property in accordance with this Agreement at no expense to County. County shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for County to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replace or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, County may be entitled to a refund of all monies paid under this Agreement, without restrictions or limitation of any other rights and remedies available at law or in equity.

- (c) Contractor agrees that damages alone would be inadequate to compensate County for breach of any term of this Intellectual Property provisions of **paragraphs one through nine** by Contractor. Contractor acknowledges County would suffer irreparable harm in the event of such breach and agrees County shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

The provisions set forth herein shall survive any termination or expiration of this Agreement or any project schedule.

Section 6: Termination

- a. Should Contractor fail to perform the covenants contained herein at the time and in the manner herein provided, the County may at that time or any time thereafter terminate this agreement upon written notice. - c. Income (including interest income) generated as a result of the receipt of funds under this agreement will be utilized in accordance with the policy and procedure

established by the County. Contractor will account for any such income generated separately.

- f. Contractors that are public or non-profit entities with a fixed unit price agreement shall use revenues in excess of costs, or so called "profits" for the following purposes:
 - 1. Add the "profit" to funds committed to the program and use it to further program objectives; or

In addition, Contractor shall:

This audit must be conducted by an independent CPA chosen through a proper selection process. The cost, or portion of the cost, of such an audit is an allowable expense under WIA if specifically provided for in the cost detail and made a part of this Agreement as reflected in Exhibit B for cost reimbursable agreements. For fixed price agreements the cost of the audit may be negotiated as part of the total fixed price. There will be no further reimbursement for audit costs beyond the fixed price unless specifically identified in the agreed upon budget as a cost reimbursable item. A copy of this audit report must be furnished to the

Workforce Investment Board within 15 days of the receipt of the audit report from the auditor.

WIA funds must be shown on the audit report separately and distinctly from the other funds of the Contractor and in accordance with the Federal catalog number. Contractor is aware and is hereby on notice that any and all failure to comply with the Act, all rules, regulations, and amendments promulgated thereunder, relevant Federal, State, and local statutes, rules, and regulations, including requirements of the County, may result in Contractor liability to repay part or all of the funds under this Agreement.
2. Contractor will notify County in writing immediately of any audit exception(s). County may at that time or anytime thereafter, give notice of intent to terminate this Agreement subject to satisfactory corrections within thirty (30) days.
3. Contractor agrees to correct and resolve all audit exceptions to County's satisfaction and agrees to give such response to County as County deems necessary regarding any audit exception. Section 14: Disallowed Costs

The report and payment shall be made to the county within 15 calendar days after the month that the educational assistance grant is received by the Contractor.

Section 17: Disclosure of Confidential Information

County and Contractor agree to maintain the confidentiality of other information concerning applicants, participants, or their families, which may be obtained through application forms, interview, tests, reports from public agencies, counselors, or any other source. Subsequent advances would only be made upon request, provision of similarly acceptable justification of need, and after a reconciliation of prior advance and earned benchmark payments.

To maintain the element of risk to the Contractor, no advance will be made for the last six weeks of the contract. Further, irrespective of any other policy provisions, the County will solely determine a Contractor's potential for earning any requested advances based on a review of actual, ongoing, performance and reserves the right **not to advance** or to alternatively require a performance bond, irrevocable line of credit, title to property or other collateral.

- b. Contractor agrees to comply with specific plan for repayment of cash advance as outlined in Exhibit B.
- c. For any Agreement in which unexpected funds resulting from cash advances remain upon completion or termination of this Agreement, such funds shall be returned to County within sixty (60) days of the termination of Agreement.

The applicable regulations of the Fair Employment and Housing Commission implementing Government Code, Section 1299(a-f), set forth in Chapter 5, Division 4 of Title 2 of the California Code of Regulations are incorporated into this contract or its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.

- c. The system for awarding contracts will contain safeguards to ensure that the Contractor does not contract with any entity whose officers have been convicted of fraud or misappropriation of funds within the last two years.

Section 21: Standards and Sanctions

- a. The Contractor is expected to make its best effort to achieve the standards set forth, and is subject to sanctions in the event that substantial compliance is not achieved.
- b. To the extent that the Contractor's performance adversely affects the County's performance, such sanctions will be applied to the Contractor in a manner consistent with Federal and State regulations.

Section 22: Confidentiality Requirements

The County and the Contractor will exchange various kinds of information pursuant to this agreement. That information will include data, applications, program files
