

RESOLUTION NO. \_\_\_\_\_

BOARD OF SUPERVISORS, COUNTY OF SAN MATEO, CALIFORNIA

RESOLUTION AUTHORIZING THE ISSUANCE AND NEGOTIATED SALE OF BELMONT-REDWOOD SHORES SCHOOL DISTRICT REDWOOD SHORES SCHOOL FACILITIES IMPROVEMENT DISTRICT (SAN MATEO COUNTY, CALIFORNIA) ELECTION OF 2005 GENERAL OBLIGATION BONDS, SERIES A, IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$25,000,000.

**RESOLVED**, by the Board of Supervisors of the County of San Mateo, State of California, that

**WHEREAS**, a duly called election was held in the Belmont-Redwood Shores School District Redwood Shores School Facilities Improvement District (the "Improvement District"), San Mateo County, State of California, on November 8, 2005 (the "Election"), at which the following proposition (the "Bond Measure") was submitted to the qualified electors of the Improvement District:

"To relieve overcrowding at Sandpiper Elementary School and allow every local child to attend a neighborhood elementary school, shall Redwood Shores School Facilities Improvement District of the Belmont-Redwood Shores School District issue \$25,000,000 in bonds at legal rates, to acquire and improve land, acquire, construct and equip classrooms, school facilities, labs and libraries, with guaranteed citizen oversight, annual public audits and with all funds spent within Redwood Shores School Facilities Improvement District?"

**WHEREAS**, at such election, the Bond Measure received the affirmative vote of fifty-five percent or more of the voters of the Improvement District voting on the proposition as certified by the Registrar of Voters of the County of San Mateo (the "County") in the official canvassing of votes (the "Authorization");

**WHEREAS**, pursuant to Chapter 1.5 and 2 of Part 10 of Division 1 of Title 1 of the California Education Code (the "Act"), bonds are authorized to be issued for the purposes set forth in the ballot submitted to voters;

**WHEREAS**, the San Mateo County Superintendent of Schools has jurisdiction over the Belmont-Redwood Shores School District (the "District"), and the Board of Supervisors of the County (the "County Board") has received a resolution (the "District Resolution"), which has been filed with the Clerk of this Board, adopted by the governing board of the District (the "District Board"), acting as the legislative body of the Improvement District, which requests the County Board to issue a first series of such bonds under the Authorization in an aggregate principal amount of not to exceed \$25,000,000, at a true interest cost not to exceed that authorized at the Election, through the issuance by the County Board of general obligation bonds in the name of the Improvement District designated as "Belmont-Redwood Shores School District Redwood Shores School Facilities Improvement District (San Mateo County, California) Election of 2005 General Obligation Bonds, Series A" (the "Bonds"); and

**WHEREAS**, all acts, conditions and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of general

obligation bonds of the Improvement District, and the indebtedness of the Improvement District, including this proposed issue of Bonds, is within all limits prescribed by law;

**NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED BY THE BOARD OF SUPERVISORS OF SAN MATEO COUNTY, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Purpose of Bonds.** To raise money for the purposes authorized by voters of the Improvement District at the Election, and to pay all necessary legal, financial, engineering and contingent costs in connection therewith, the County Board authorizes the issuance of the Bonds in the name of the Improvement District.

**SECTION 2. Terms and Conditions of Sale.** The Treasurer, as defined below, is hereby authorized to negotiate the sale of the Bonds in consultation with the District Superintendent. The Bonds shall be sold pursuant to the terms and conditions set forth in the form of Contract of Purchase, as described below.

**SECTION 3. Approval of Contract of Purchase.** The form of Contract of Purchase (the "Contract of Purchase") by and among the County, the District and Stone & Youngberg LLC (the "Underwriter"), for the purchase and sale of the Bonds, substantially in the form that has been submitted to and is on file with the Clerk of this County Board, is hereby approved and the Tax Collector/Treasurer of the County or any authorized deputy thereof (the "Treasurer") is hereby authorized to execute and deliver the Contract of Purchase, and the Superintendent of the District is hereby requested to acknowledge the execution of such Contract of Purchase, with such changes therein, deletions therefrom and modifications thereto as the Treasurer may approve, such approval to be conclusively evidenced by his execution and delivery thereof; provided, however, that the true interest cost on the Bonds shall not exceed the lower of that authorized at the Election (12% per annum) or that permitted by law, and the Underwriter's discount, excluding original issue discount and reimbursable expenses, thereon shall not exceed 1.7% of the aggregate principal amount of Bonds issued. The Treasurer is further authorized to determine the principal amount of the Bonds to be specified in the Contract of Purchase for sale by the County Board up to \$25,000,000 and to enter into and execute the Contract of Purchase with the Underwriter, if the conditions set forth in this Resolution are satisfied. The District Board determined in the District Resolution that a negotiated sale was preferred since it provides more flexibility in the timing of the bond sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and a greater opportunity for the Underwriter to pre-market the Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. The District Board estimated that the costs associated with the issuance of the Bonds, including compensation to the Underwriter and any such costs which the Underwriter agrees to pay pursuant to the Purchase Contract, will equal approximately 2.5% of the principal amount of the Bonds.

Each Capital Appreciation Bond shall be dated, and shall accrete interest from, its date of initial issuance unless otherwise set forth in the Contract of Purchase. Capital Appreciation Bonds will not bear interest on a current basis.

Each Current Interest Bond shall be dated the date of delivery or such date as shall appear in the Contract of Purchase and in the Official Statement (the “Dated Date”), and shall bear interest from the Bond Payment Date next preceding the date of authentication thereof unless it is authenticated as of a day during the period from the 16th day of the month next preceding any Bond Payment Date to that Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before January 15, 2008, in which event it shall bear interest from the Dated Date. Interest on the Current Interest Bonds shall be computed on the basis of a 360-day year of twelve 30-day months.

The Bonds shall bear or accrete interest at a rate or rates such that the interest rate or true interest cost shall not exceed the maximum rate permitted by law. Interest shall be payable on the respective Bond Payment Dates.

(b) Redemption.

(i) Optional Redemption. The Bonds shall be subject to optional redemption prior to their stated maturity dates as provided in the Contract of Purchase or the Official Statement.

(ii) Mandatory Redemption. As provided in the Contract of Purchase or the Official Statement, any Bond issued as a term bond is subject to mandatory redemption without premium from monies in the Debt Service Fund established in Section 11 hereof prior to its stated maturity date, at the Principal Amount or Accreted Value thereof on the dates and amounts as set forth in the Contract of Purchase and in the Official Statement.

(iii) Selection of Bonds for Redemption. Whenever provision is made in this Resolution for the optional redemption of Bonds and less than all Outstanding Bonds are to be redeemed, the Bond Registrar identified below, upon written instruction from the District, shall select Bonds for redemption as so directed and if not directed, in inverse order of maturity. Within a maturity, the Bond Registrar shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Bond Registrar shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of Five Thousand Dollars (\$5,000) or any integral multiple thereof and the portion of any Capital Appreciation Bond to be redeemed in part shall be in integral multiples of the Accreted Value per Five Thousand Dollars (\$5,000) Maturity Value thereof.

(iv) Notice of Redemption. When redemption is authorized or required pursuant to Section 5(b) hereof, the Bond Registrar, upon the written instruction from the District provided at least 60 days prior to the date designated for such redemption, shall give notice (a “Redemption Notice”) of the redemption of the Bonds. Such Redemption Notice shall specify: the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, the date of redemption, the place or places where the redemption will be made,

including the name and address of the Bond Registrar, the redemption price, the CUSIP numbers (if any) assigned to the Bonds to be redeemed, the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount of such Bond to be redeemed, and the original issue date, interest rate or Accretion Rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed, the redemption price thereof, together with the interest accrued or accreted to the redemption date, and that from and after such date, interest with respect thereto shall cease to accrue or accrete.

The Bond Registrar shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register.

(b) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

(c) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Bond Registrar for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(v) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Bond Registrar shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the County and the Improvement District shall be released and discharged thereupon from all liability to the extent of such payment.

(vi) Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the Improvement District's Debt Service Fund, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 5(b) hereof, together with interest accrued to such redemption date, shall be held by the Bond Registrar so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue or accrete and become

payable. All money held by or on behalf of the Bond Registrar for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 5 shall be cancelled upon surrender thereof and be delivered to or upon the order of the County and the District. All or any portion of a Bond purchased by the County or the Improvement District shall be cancelled by the Bond Registrar.

(vii) Bonds No Longer Outstanding. When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Bond Registrar, in form satisfactory to it, and sufficient moneys shall be held by the Bond Registrar irrevocably in trust for the payment of the redemption price of such Bonds or portions thereof, and, in the case of Current Interest Bonds, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall be surrendered to the Bond Registrar for cancellation.

(c) Book-Entry System.

(i) Definitions. As used in this Section, the terms set forth below shall have the meanings ascribed to them:

“Nominee” means the nominee of the Depository, which may be the Depository, as determined from time to time pursuant to this Section.

“Participants” means those broker-dealers, banks and other financial institutions from time to time for which the Depository holds book-entry certificates as securities depository.

(ii) Election of Book-Entry System. The Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Bonds in an authorized denomination (except for any odd denomination Capital Appreciation Bond). The ownership of each such Bond shall be registered in the Bond Register (as defined below) in the name of the Nominee, as nominee of the Depository and ownership of the Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 5(c)(ii)(4).

With respect to book-entry Bonds, the Improvement District and the Bond Registrar shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Bonds. Without limiting the immediately preceding sentence, the Improvement District and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Bonds, (ii) the delivery to any Participant or any other person, other than an owner as shown in the Bond Register, of any notice with respect to book-entry Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry Bonds to be prepaid in the event the Improvement District redeems the Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to Accreted Value, Principal, premium, if any, or interest on the book-entry Bonds. The Improvement District and the Bond Registrar may treat and consider the person in whose name each book-entry Bond is registered in the Bond Register

as the absolute owner of such book-entry Bond for the purpose of payment of Accreted Value or Principal of and premium and interest on and to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Bond Registrar shall pay all Accreted Value or Principal of and premium, if any, and interest on the Bonds only to or upon the order of the respective owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Improvement District's obligations with respect to payment of Accreted Value or Principal of, and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of Accreted Value or Principal of, and premium, if any, and interest on the Bonds. Upon delivery by the Depository to the owner and the Bond Registrar, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

1. Delivery of Letter of Representations. In order to qualify the book-entry Bonds for the Depository's book-entry system, the Improvement District and the Bond Registrar shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the Improvement District or the Bond Registrar any obligation whatsoever with respect to persons having interests in such book-entry Bonds other than the owners, as shown on the Bond Register. By executing a Letter of Representations, the Bond Registrar shall agree to take all actions necessary at all times so that the Improvement District will be in compliance with all representations of the Improvement District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the Improvement District and the Bond Registrar shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Bonds for the Depository's book-entry program.

2. Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for book-entry Bonds, or (ii) the Improvement District determines that continuation of the book-entry system is not in the best interest of the beneficial owners of the Bonds or the Improvement District, then the Improvement District will discontinue the book-entry system with the Depository. If the Improvement District determines to replace the Depository with another qualified securities depository, the Improvement District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such book-entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the Improvement District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 5(c).

3. Payments to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all outstanding Bonds are held in book-entry and registered in the name of the Nominee, all payments by the Improvement District or the Bond Registrar with respect to Accreted Value or Principal of and premium, if any, or interest on

the Bonds and all notices with respect to such Bonds shall be made and given, respectively to the Nominees, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Bond Registrar notwithstanding any inconsistent provisions herein.

4. Transfer of Bonds to Substitute Depository.

(A) The Bonds shall be initially issued as described in the Official Statement described herein. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

(1) to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 5(c)(ii)(4)(A)(2) (“Substitute Depository”); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) to any Substitute Depository designated by the Improvement District, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the Improvement District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) to any person as provided below, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the Improvement District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 5(c)(ii)(4)(A)(1) or (2), upon receipt of all outstanding Bonds by the Bond Registrar, together with a written request of the Improvement District to the Bond Registrar designating the Substitute Depository, a single new Bond, which the Improvement District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the Improvement District. In the case of any transfer pursuant to Section 5(c)(ii)(4)(A)(3), upon receipt of all outstanding Bonds by the Bond Registrar, together with a written request of the Improvement District to the Bond Registrar, new Bonds, which the Improvement District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the Improvement District, provided that the Bond Registrar shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the Improvement District.

(C) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the Maturity Value or Principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in Maturity Value

or Principal, in form acceptable to the Bond Registrar, all in accordance with the Letter of Representations. The Bond Registrar shall not be liable for such Depository's failure to make such notations or errors in making such notations.

(D) The Improvement District and the Bond Registrar shall be entitled to treat the person in whose name any Bond is registered as the owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Bond Registrar or the Improvement District; and the Improvement District and the Bond Registrar shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds. Neither the Improvement District nor the Bond Registrar shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Bonds, and the Bond Registrar may rely conclusively on its records as to the identity of the owners of the Bonds.

**SECTION 6. Execution of Bonds.** The Bonds shall be signed by the President of the Board of Supervisors of the County by his manual or facsimile signature and by the Treasurer by his manual signature, and countersigned by the manual or facsimile signature of and the seal of the County affixed thereto by the Clerk of the Board of Supervisors, all in their official capacities. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

**SECTION 7. Bond Registrar; Transfer and Exchange.** This Board does hereby consent to and confirm the appointment of the Treasurer to act as the authenticating agent, bond registrar, transfer agent and paying agent (collectively, the "Bond Registrar") for the Bonds. The Treasurer is authorized to contract with any third party to perform the services of Bond Registrar under this Resolution.

So long as any of the Bonds remain outstanding, the Improvement District will cause the Bond Registrar to maintain and keep at its principal office all books and records necessary for the registration, exchange and transfer of the Bonds as provided in this Section. Subject to the provisions of Section 8 below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of this Resolution. Payment of or on account of the Principal or Accreted Value of and premium, if any, and interest on any Bond shall be made only to or upon the order of that person; neither the Improvement District, the County nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the Improvement District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of like tenor, maturity and Transfer Amount upon presentation and surrender at the principal office of the Bond Registrar, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred on the Bond Register only upon presentation and surrender of the Bond at the principal office of the Bond Registrar together with an assignment

executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer, the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Transfer Amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date. Capital Appreciation Bonds and Current Interest Bonds may not be exchanged for one another.

If any Bond shall become mutilated, the County, at the expense of the Owner of said Bond, shall execute, and the Bond Registrar shall thereupon authenticate and deliver, a new Bond of like Series, tenor and Transfer Amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Bond Registrar of the Bond so mutilated. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Bond Registrar and, if such evidence be satisfactory to the Bond Registrar and indemnity for the Bond Registrar, the County and the District satisfactory to the Bond Registrar shall be given by the owner, the County, at the expense of the Bond owner, shall execute, and the Bond Registrar shall thereupon authenticate and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Bond Registrar may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Bond Registrar). The Bond Registrar may require payment of a reasonable fee for each new Bond issued under this paragraph and of the expenses which may be incurred by the County and the Bond Registrar.

If manual signatures on behalf of the County are required in connection with an exchange or transfer, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the County. In all cases of exchanged or transferred Bonds, the County shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the Improvement District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Bond Registrar for payment, retirement, exchange, replacement or transfer shall be cancelled by the Bond Registrar. The Improvement District and the County may at any time deliver to the Bond Registrar for cancellation any previously authenticated and delivered Bonds that the Improvement District and the County may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Bond Registrar. Written reports of the surrender and cancellation of Bonds shall be made to the Improvement District and, as requested by the County, to the County by the Bond Registrar on or before February 1 and August 1 of each year. The cancelled Bonds shall be retained for six years, then returned to the Improvement District or destroyed by the Bond Registrar as directed by the Improvement District.

Neither the Improvement District, the County nor the Bond Registrar will be required (a) to issue or transfer any Bonds during a period beginning with the opening of business on the 16<sup>th</sup> day of the month next preceding any Bond Payment Date or 16<sup>th</sup> day preceding any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable notice of redemption is given or (b) to transfer any Bonds which have been selected or called for redemption in whole or in part.

**SECTION 8. Payment.** Payment of interest on any Current Interest Bond on any Bond Payment Date shall be made to the person appearing on the registration books of the Bond Registrar as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by check mailed to such Owner on the Bond Payment Date at his address as it appears on such registration books or at such other address as he may have filed with the Bond Registrar for that purpose on or before the Record Date. The Owner in an aggregate Principal Amount or Maturity Value of One Million Dollars (\$1,000,000) or more may request in writing to the Bond Registrar that such Owner be paid interest by wire transfer to the bank and account number on file with the Bond Registrar as of the Record Date. The principal, and redemption premiums, if any, payable on the Current Interest Bonds and the Accreted Value and redemption premiums, if any, on the Capital Appreciation Bonds shall be payable upon maturity or redemption upon surrender at the principal office of the Bond Registrar. The interest, Accreted Value, Principal and premiums, if any, on the Bonds shall be payable in lawful money of the United States of America. **SECTION 10. Delivery of Bonds.** The proper officials of the County shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the original purchaser upon payment of the purchase price therefor.

**SECTION 11. Deposit of Proceeds of Bonds.** The proceeds from the sale of the Bonds, to the extent of the Denominational Amount and the Principal Amount thereof, shall be paid to the County to the credit of the fund hereby created and established and to be known as the “Belmont-Redwood Shores School District Redwood Shores School Facilities Improvement District Election of 2005 General Obligation Bonds, Series A Building Fund” (the “Building Fund”) of the Improvement District, shall be kept separate and distinct from all other Improvement District, District and County funds, and those proceeds shall be used solely for the purpose for which the Bonds are being issued and provided further that such proceeds shall be applied solely to the purposes of the Election. The County shall have no responsibility for assuring the proper use of the Bond proceeds by the District. The accrued interest and any premium received by the County from the sale of the Bonds shall be kept separate and apart in the fund hereby created and established and to be designated as the “Belmont-Redwood Shores School District Redwood Shores School Facilities Improvement District Election of 2005 General Obligation Bonds, Series A Debt Service Fund” (the “Debt Service Fund”) for the Bonds and used only for payment of Accreted Value or Principal of and interest on the Bonds. Interest earnings on monies held in the Building Fund shall be retained in the Building Fund. Interest earnings on monies held in the Debt Service Fund shall be retained in the Debt Service Fund. Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which the Bonds are being issued upon written notice from the District shall be transferred to the Debt Service Fund and applied to the payment of Accreted Value or Principal of and interest on the Bonds. If, after payment in full of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the General Fund of the District. Costs associated with the issuance of the Bonds shall be paid by the District from moneys deposited in the Building Fund or by the Underwriter, on behalf of the District, from premium paid on the Bonds and not received by the County.

Subject to federal tax restrictions, monies in the funds created hereunder shall be invested at the County Treasurer’s discretion pursuant to law and the investment policy of the County.

Except as required below to satisfy the requirements of Section 148(f) of the Internal Revenue Code of 1986, as amended (the “Code”), interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the Accreted Value or Principal of and interest on the Bonds when due.

**SECTION 12. Rebate Fund.**

(a) The District shall create and establish a special fund designated the “Belmont-Redwood Shores School District Redwood Shores School Facilities Improvement District General Obligation Bonds Series A Rebate Fund” (the “Rebate Fund”). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the “Rebate Requirement”) pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the “Treasury Regulations”). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District.

(b) Within forty-five (45) days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Treasury Regulations, using as the “computation date” for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District or Improvement District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the “rebate amount” and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Bonds (including amounts treated as proceeds of the Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than sixty (60) days after the end of (i) the fifth (5th) Bond Year, and (ii) each fifth (5th) Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than sixty (60) days after the payment of all Bonds, an amount equal to one hundred percent (100%) of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service Center, Ogden, Utah 84201, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the “rebate amount” calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until six years after the complete retirement of the Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the rebate amount shall survive the payment in full or defeasance of the Bonds.

**SECTION 13. Security for the Bonds.** There shall be levied on all the taxable property in the Improvement District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Bonds are outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due, which monies when collected will be placed in the Debt Service Fund of the Improvement District, which fund is irrevocably pledged for the payment of the principal and Accreted Value of and interest on the Bonds when and as the same fall due.

**SECTION 14. Arbitrage Covenant.** The County acknowledges that the District, on behalf of the Improvement District, has covenanted that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that Section or any predecessor Section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

**SECTION 15. Conditions Precedent.** Based in part on representations of the District, this Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the Improvement District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith, credit and revenues of the Improvement District are pledged for the timely payment of the principal of and interest on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

**SECTION 16. Official Statement.** The District has authorized Stradling Yocca Carlson & Rauth, a Professional Corporation to prepare a Preliminary Official Statement and an Official Statement relating to the Bonds to be used in connection with the offering and sale of the Bonds in such time and manner as to conform with the requirements of Rule 15c2-12 of the Securities and Exchange Commission.

The District has further authorized the Underwriter to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of the Bonds and deliver copies of any final Official Statement to the purchaser of the Bonds.

**SECTION 17. Insurance.** In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the principal, interest or Accreted Value on the Bonds, it shall become the owner of such Bonds with the right to payment of principal, interest or Accreted Value on the Bonds, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Bond Registrar shall note the Bond Insurer's rights as subrogee on the registration books for the Bonds maintained by the Bond Registrar upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due Principal or Accreted Value, the Bond Registrar shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Bond Registrar upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

**SECTION 18. Defeasance.** All or any portion of the outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with the Bond Registrar or with an independent escrow agent selected by the District an amount of cash which together with amounts then on deposit in the Debt Service Fund (as hereinafter defined) is sufficient to pay all Bonds outstanding and designated for defeasance, including all principal and interest and premium, if any; or

(b) Government Obligations: by irrevocably depositing with an independent escrow agent selected by the District noncallable Government Obligations together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and moneys then on deposit in the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds outstanding and designated for defeasance (including all Principal and interest represented thereby and prepayment premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District and the County with respect to all such designated outstanding Bonds shall cease and terminate, except only the obligation of the County and the Bond Registrar or an independent escrow agent selected by the District, to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, "Government Obligations" shall mean:

Direct and general obligations of the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, or "prerefunded" municipal obligations rated in the highest rating category by Moody's Investors Service or Standard & Poor's. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (a) a bank or trust company acts as custodian and holds the underlying
