C. Program Requirements

Contractor agrees to:

1. **Program Requirements** means requirements found in the Older Americans Act (OAA), Title III, Part E, Sections 371 through 374;
2. **Eligible Service Population** for Title III E means:
 - a. A Family Caregiver
 - b. A Grandparent or Older Individual Who is a Relative Caregiver;
3. **A Family Caregiver** is defined in Title III, Part A, Sections 302(3) of the OAA as an adult family member or another individual who is an informal provider of in-home and community care to an older individual or to an individual (of any age) with Alzheimer's disease or a related disorder with neurological and organic brain dysfunction. "Family Caregiver" is used interchangeably with "informal caregiver". "Informal" means that the care is not provided as part of a public or private formal service program.

A Family Caregiver provides care without pay. FCSP funds cannot

be used to pay the Family Caregiver a stipend or salary for providing care. FCSP funds may be used to pay another family member or friend to provide respite care or supplemental services to the Family Caregiver.

The broader term "Caregiver" as defined in Title I, Section 102(18)(B) of the OAA is not applicable to Title III of the OAA since it also means an individual who—voluntarily or because of compensation—has responsibility for the care of an older individual and is providing this care on behalf of the Family Caregiver or on behalf of a public or private agency or organization.

4. **A Grandparent or Older Individual Who is a Relative Caregiver** is defined as a grandparent or step-grandparent of a child, or a relative of a child by blood, marriage, or adoption, who is 55 years of age or older, and who meets the following additional criteria in Title III, Part E, Section 372 (3) of the OAA.
 - a. Lives with a child (but is not the older adult parent of the child or individual of any age with a disability);
 - b. Is the primary caregiver of the child because the biological or adoptive parents are unable or unwilling to serve as the primary caregiver of the child; and
 - c. Has legal relationship with child, as such legal custody or guardianship, or is raising the child informally.
5. **An Older Individual Receiving Care (Care Receiver)** is defined as one who is 60 years of age or older, or an individual (of any age) with Alzheimer's disease or a related disorder with neurological and organic brain dysfunction [Title III, Part, A Section 302(3); Title I, Section 102(22)]. Family Caregivers cannot receive FCSP-funded respite and supplemental services specified in paragraph 7 of this section unless the Care Receiver meets the more restrictive eligibility criteria specified in Title III, Part E, Section 373 (c) (1) (B) of the OAA and the definition of "frail" in OAA Section 102 (26), which requires that the Care Receiver is unable to perform at least two activities of daily living (ADLs) [i.e., human assistance is needed for eating, toileting, continence, transferring in/out of bed or chair, bathing, dressing] or requires substantial supervision due to a cognitive or other mental impairment.
6. **A Child (who receives care from a Grandparent or Older Individual who is a Relative Caregiver)** is defined in Title III, Part E, Section 372(a)(1) of the OAA as an individual who is not more than 18

years of age or is an individual (of any age) with a disability.

7. **Individual with Severe Disabilities** is defined in Title I, Section 102(48) of the OAA as a person with a severe, chronic disability attributable to mental or physical impairment, that is likely to continue indefinitely and results in substantial limitation in 3 or more of the following areas of major life activity:
- a. Self-care,
 - b. Receptive and expressive language,
 - c. Learning,
 - d. Mobility,
 - e. Self-direction,
 - f. Capacity for Independent Living,
 - g. Economic self-sufficiency,
 - h. Cognitive functioning, and
 - i. Emotional adjustment
-

8. **Title III E (Family Caregiver Support Program)** is defined in Title III, Part E, Section 373(b) as support services that include (1) information to caregivers, potential caregivers, and those who may assist caregivers about available services; (2) assistance to caregivers in gaining access to the services; (3) individual counseling, organization of support groups, and caregiver training (individual or group) to assist the caregivers in the areas of health, nutrition, and financial literacy, and in making decisions and solving problems relating to their caregiving roles; (4) respite care to enable caregivers to be temporarily relieved from their caregiving responsibilities; and (5) supplemental services, on a limited basis, to complement the care provided by caregivers. In accordance with Title III, Part E, Section 373(e) (1), the Department has established for the five support service categories additional service standards that must be met. These standards are documented in the FCSP Service Matrix, which the Department publishes periodically, as necessary.

The following apply to the Respite service category above:

- a. "Respite Care" is the provision of temporary, substitute supports or living arrangements for care receivers and may be provided (1) in the home (and include the provision of personal, homemaker, and chore services to the care receiver), (2) by attendance of the care receiver at day care or other non-residential day center or program (including recreational outings for children), and (3) by attendance of the care receiver in a facility for an overnight stay on an occasional or emergency basis (such as a nursing home for older adults or summer camp for

Edgewood Center for Children and Families – Schedule A

grandchildren).

- b. "Temporarily" means a brief period of relief or rest from a caregivers responsibilities during a limited time period, and could be provided on the following basis:

- (1) Intermittent—Time off a few hours once a week for a limited time to give the caregiver a planned or unscheduled break;
 - (2) Occasional—Time off for the caregiver to attend a special event;
 - (3) Emergency—Extended break to address an intervening circumstance, such as caregiver emotional stress or hospitalization and recovery.
-

- c. Title III E funds cannot be used to support the following activities:

- (1) To pay the costs for a family caregiver to attend a camp, spa, resort, or restaurant;
- (2) To temporarily relieve workers from formally paid services (e.g., In-Home Supportive Services or services required to be provided in a licensed facility such as a Residential Care Facility for the Elderly); and
