Additional Insured Endorsement

This endorsement changes your Commercial Auto Insurance.

How Your Coverage is Changed

The Who Is Insured section of your Liability Agreement is changed by adding the following:

Who Is Insured includes any person or organization from whom you've leased an auto, from whom you've received funding for your operations, or for whom you provide services. These persons or organizations are protected, if they required to be named, and you agree to name them, as an additional protected person, evidence of which is shown on Certificates of Insurance on file with us, but only with respect to liability arising out of ownership, use maintenance, loading or unloading of a covered auto.

Leased autos, as per the schedule on file with us, will be covered as if they are autos you own, not hired autos. But coverage on any leased auto will end on the expiration date of the lease; or when the person or organization who leased the auto to you or their agent takes back the auto; or when the policy ends; whichever happens first.

Leased auto means an auto, including any substitute or replacement auto that you've leased under a written agreement that requires you to provide direct primary insurance on the auto.

Cancellation

The Cancellation section in the General Rules is changed by adding the following:

Should any of the above described policies be cancelled before the expiration date thereof, the issuing insurer will endeavor to mail 30 days written notice to the certificate holder named to the left, but failure to do so shall impose no obligation or liability of any kind upon the insurer, its agents or representatives.

Other Terms

All other terms of your policy remain the same.

Those persons or organizations aren't responsible for paying premiums for your insurance.
