Attachment C
Election of Third Party Billing Process

San Mateo County Mental Health Services is required to bill all other insurance (including Medicare) before billing Medi-Cal for beneficiaries who have other coverage in addition to Medi-Cal. This is called "serial billing." All claims sent to Medi-Cal without evidence of other insurance having been billed first will be denied.

In order to comply with the serial billing requirement you must elect which of the two following options to use in our contract with you. In either case, you will need to establish the eligibility of your clients through the completion of the standard form (Payor Financial Form) used to collect this information. Please select and complete one of the two options below:

Option One

Our agency will bill other insurance, and provide San Mateo County Mental Health Services (SMCMHS) with a copy of the Explanation of Benefits provided by that insurance plan before billing SMCMHS for the remainder.

We _____ (agency name) elect option one.

Signature of authorized agent

Name of authorized agent

Option Two

This will include completing the attached client Payor Financial Form and providing it to the SMCMHS Billing Office with the completed "assignment" that indicates the client's permission for SMCMHS to bill their insurance.

We Ymca of San Francisco (agency name) elect option two.
