The Board of Supervisors of the County of San Mateo, State of California,

ORDAINS as follows

SECTION 1. The Board of Supervisors of the County of San Mateo declares as follows:

- A. California Government Code section 65103 requires that the County of San Mateo's capital improvement program be reviewed by the County Planning Agency on an annual basis for consistency with the County's General Plan
- B. California Government Code section 65100 authorizes the Board of Supervisors to delegate, by ordinance, County Planning Agency functions to the Planning Commission, including but not limited to the responsibility to conduct the annual review of the capital improvement program.
- C. Assignment of responsibility to conduct this review to the Planning Commission is appropriate in light of that body's extensive knowledge of the County General Plan, and because such delegation will allow for a comprehensive and transparent review process.
