 - b. A Grandparent or Older Individual Who is a Relative Caregiver;
- 3. **A Family Caregiver** is defined in Title III, Part A, Sections 302(3) of the OAA as an adult family member or another individual who is an informal provider of in-home and community care to an older individual or to an individual (of any age) with Alzheimer’s disease or a related disorder with neurological and organic brain dysfunction. “Family Caregiver” is used interchangeably with “informal caregiver”. “Informal” means that the care is not provided as part of a public or private formal service program.

A Family Caregiver provides care without pay. FCSP funds cannot be used to pay the Family Caregiver a stipend or salary for providing care. FCSP funds may be used to pay another family member or friend to provide respite care or supplemental services to the Family Caregiver.

The broader term “Caregiver” as defined in Title I, Section 102(18)(B) of the OAA is not applicable to Title III of the OAA since it also means an individual who—voluntarily or because of compensation—has responsibility for the care of an older individual and is providing this care on behalf of the Family Caregiver or on behalf of a public or private agency or organization.

4. **A Grandparent or Older Individual Who is a Relative Caregiver** is defined as a grandparent or step-grandparent of a child, or a relative of a child by blood, marriage, or adoption, who is 55 years of age or older, and who meets the following additional criteria in Title III, Part E, Section 372 (3) of the OAA:

5. **An Older Individual Receiving Care (Care Receiver)** is defined as one who is 60 years of age or older, or an individual (of any age) with Alzheimer's disease or a related disorder with neurological and organic brain dysfunction [Title III, Part, A Section 302(3); Title I, Section 102(22)]. Family Caregivers cannot receive FCSP-funded respite and supplemental services specified in paragraph 7 of this section unless the Care Receiver meets the more restrictive eligibility criteria specified in Title III, Part E, Section 373 (c) (1) (B) of the OAA and the definition of "frail" in OAA Section 102 (26), which requires that the Care Receiver is unable to perform at least two activities of daily living (ADLs) [e.g., human assistance is needed for eating, toileting, continence, transferring in/out of bed or chair, bathing, dressing] or requires substantial supervision due to a cognitive or other mental impairment.

6. **A Child (who receives care from a Grandparent or Older Individual who is a Relative Caregiver)** is defined in Title III, Part E, Section 372(a)(1) of the OAA as an individual who is not more than 18 years of age or is an individual (of any age) with a disability.

7. **Individual with Severe Disabilities** is defined in Title I, Section 102(48) of the OAA as a person with a severe, chronic disability attributable to mental or physical impairment, that is likely to continue indefinitely and results in substantial limitation in 3 or more of the following areas of major life activity:

In accordance with Title III, Part E, Section 373(e) (1), the Department has established for the five support service categories additional service standards that must be met. These standards are documented in the FCSP Service Matrix, which the Department publishes periodically, as necessary.

- a. In providing Family Caregiver Support Program (FCSP) services to a family caregiver, or a grandparent or older individual who is a relative caregiver, priority shall be given for services under OAA, Section (373)(2) to:
 - (1) Family Caregivers who provide care for older individuals with Alzheimer’s disease and related disorders with neurological and organic brain dysfunction;
 - (2) Grandparents or other older relatives who provide care for children with severe disabilities;
 - (3) Family Caregivers and Grandparents or relative caregivers who are older individuals 60 year of age or older [as defined in Title I, Section 102(40)] with greatest social need, with greatest economic need, and with particular attention to low-income individuals; and
