WHEREAS, it is necessary and desirable that Contractor be retained for the purpose of the professional services hereinafter described for the Health Systems Department.

NOW, THEREFORE, IT IS HEREBY AGREED BY THE PARTIES HERETO AS FOLLOWS:

The following exhibits and attachments are included hereto and incorporated by reference herein:

- Exhibit A—Services
- Exhibit B—Payments and rates
- Attachment I—§504 Compliance

2. Services to be performed by Contractor

In consideration of the payments set forth herein and in Exhibit "B," Contractor shall perform services for County in accordance with the terms, conditions and specifications set forth herein and in Exhibit "A."

3. Payments

In consideration of the services provided by Contractor in accordance with all terms, conditions and specifications set forth herein and in Exhibit "A," County shall make payment to Contractor based on the rates and in the manner specified in Exhibit "B." The County reserves the right to withhold payment if the County determines that the quantity or quality of the work performed is unacceptable. In no event shall the County's total fiscal obligation under this Agreement exceed, in aggregate with all other hospitals that have contracted with Behavioral Health and Recovery Services, EIGHT HUNDRED EIGHTY-TWO THOUSAND FOUR HUNDRED ELEVEN DOLLARS (\$882,411).

4. Term and Termination

Subject to compliance with all terms and conditions, the term of this Agreement shall be from July 1, 2009 through June 30, 2010.

This Agreement may be terminated by Contractor, the Director of Behavioral Health and Recovery Services (BHRS) or designee at any time without a requirement of good cause upon thirty (30) days' written notice to the other party.

In the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and materials (hereafter referred to as materials) prepared by Contractor under this Agreement shall become the property of the County and shall be promptly delivered to the County. Upon termination, the Contractor may make and retain a copy of such materials. Subject to availability of funding, Contractor shall be entitled to receive payment for work/services provided prior to termination of the Agreement. Such payment shall be that portion of the full payment which is determined by comparing the work/services completed to the work/services required by the Agreement.

5. Availability of Funds

The County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon unavailability of Federal, State, or County funds, by providing written notice to Contractor as soon as is reasonably possible after the County learns of said unavailability of outside funding.

6. Relationship of Parties

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent Contractor and not as an employee of the County and that Contractor acquires none of the rights, privileges, powers, or advantages of County employees.

7. Hold Harmless

Contractor shall indemnify and save harmless County, its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description, brought for, or on account of: (A) injuries to or death of any person, including Contractor, or (B) damage to any property of any kind whatsoever and to whomsoever belonging, (C) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended, or (D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County, its officers, agents, employees, or servants, resulting from the performance of any work required of Contractor or payments made pursuant to this Agreement, provided that this shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth herein, shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

8. Assignability and Subcontracting

Contractor shall not assign this Agreement or any portion thereof to a third party or subcontract with a third party to provide services required by contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without the County's prior written consent shall give County the right to automatically and immediately terminate this Agreement.

The Contractor shall furnish the County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending the Contractor's coverage to include the contractual liability assumed by the Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to the County of any pending change in the limits of liability or of any cancellation or modification of the policy.

- (2) **Liability Insurance** The Contractor shall take out and maintain during the life of this Agreement such Bodily Injury Liability and Property Damage Liability Insurance as shall protect him/her while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from contractors operations under this Agreement, whether such operations be by himself/herself or by any sub-contractor or by anyone directly or indirectly employed by either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall be not less than the amount specified below.

Such insurance shall include:

(a) Comprehensive General Liability	\$1,000,000

In the event of the breach of any provision of this section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, the County of San Mateo at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work pursuant to this Agreement.

In consideration of the payments set forth in Exhibit "B", Contractor shall provide the following services:

I. Description of Services

A. Program Services

In full consideration of the payments herein provided for, Contractor shall provide psychiatric inpatient hospital services in a manner consistent with the terms and provisions of the Agreement, and consistent with the San Mateo County Mental Health Plan Inpatient Manual (hereinafter "MHP Inpatient Manual"), which is incorporated by reference herein.

B. Authorization

1. Psychiatric Inpatient Hospital Services

County is responsible for authorization for payment of medically necessary, acute psychiatric inpatient hospital services and associated administrative days for Medi-Cal beneficiaries, and uninsured clients who are referred by San Mateo Medical Center (SMMC) Psychiatric Emergency Services (PES). Uninsured individuals who present directly to the hospital may be authorized for payment by County if they are already receiving services through the County. Contractor shall communicate with PES to determine if client is already open to County, and submit notifications and other documentation in accordance with the MHP Inpatient Manual. All inpatient services are retrospectively reviewed for medical necessity and payment by the County.

2. Transitional Services

County is responsible for authorization of payment for transitional services provided within Contractor's emergency room solely under the conditions described in Exhibit B and the Transitional Services Protocol, described in Exhibit A, II, Section F. Payment for transitional services will not include ancillary services. Contractor shall communicate with PES and submit notifications and other documentation as described in Exhibit B.

II. Administrative Services

A. Quality Management and Utilization Review

Contractor shall comply with policies established in the MHP Inpatient Manual including utilization controls, Department of Mental Health Letters and Notices, and relevant state and federal codes and regulations governing inpatient practice in California.

Contractor shall comply with existing federal regulations for utilization review pursuant to Title 42, Code of Federal Regulations, Subpart D. These shall include certification of need for care, evaluation and medical review, plans of care and utilization review plan. Contractor shall establish a Utilization Review Committee with the function to determine that admissions and length of stay are appropriate to that level of care and to identify problems with quality of care. Composition of the committee shall meet minimum federal requirements.

Contractor shall provide a brief statement, hereafter identified as Contractor's Quality Management Plan, to the Mental Health Plan, which describes how Contractor will conduct Utilization Review, clinical Peer Review, and Medication Monitoring for services provided to Mental Health Plan beneficiaries.

B. Records

Paragraph 13 of the Agreement and paragraph N.3 of Exhibit B notwithstanding, Contractor shall maintain medical records required by the California Code of Regulations. Notwithstanding the foregoing, Contractor shall maintain beneficiary medical and/or clinical records for a period of seven (7) years, except that the records of persons under age eighteen (18) at the time of treatment shall be maintained: a) until one (1) year beyond the person's eighteenth (18th) birthday or b) for a period of seven (7) years beyond the date of discharge, whichever is later.

C. Assurances

Individual physicians and other mental health professionals will render professional services to eligible voluntary or involuntary clients on the same basis as they care for other clients in Contractor's facility and will not discriminate against these clients in any manner, including admission practices, placement in special wings or rooms, or provision of special or separate meals.

Attending psychiatrists and psychologists shall be members of the medical staff of Contractor, be subject to the rules and regulations of said staff, and shall also be active contractors with the County. Duration and limitation of services will be under the control of the attending psychiatrist or psychologist but will at all times meet broadly accepted community standards of quality of care and be subject to Contractor utilization review decisions.

D. Outcome Objectives

1. For completed episodes, there will be no more than ten percent (10%) recidivism of clients within thirty (30) days following discharge.
2. For completed episodes, Contractor will maintain or reduce the 2008-2009 combined average length of stay.

Contractor will make best efforts to meet such goals, but failure to meet any or all of these goals does not constitute a breach, material, or otherwise of the Agreement. County's payment obligation is in no way contingent on meeting any of the stated goals.

E. Definitions

The following definitions apply to this Agreement:

1. **Acute Psychiatric Inpatient Hospital Services:** Those routine hospital services and hospital-based ancillary services provided by a hospital to eligible beneficiaries for whom the facilities, services and equipment are medically necessary for diagnosis or treatment of a mental disorder.
2. **Administrative Days:** Those services provided to a beneficiary who has been admitted to the hospital for acute psychiatric inpatient services, and the beneficiary's stay at the hospital must be continued beyond the beneficiary's need for acute psychiatric inpatient hospital services due to a temporary lack of residential placement options at appropriate, non-acute treatment facilities.
3. **Hospital-based Ancillary Services:** Those services including but not limited to prescription drugs, laboratory services, x-ray, electroconvulsive therapy (ECT) and magnetic resonance imaging (MRI), that are received by a beneficiary admitted to a hospital, other than routine hospital services.

9. Any claim for transitional services must be accompanied by a notification form indicating elapsed time.
10. In the case of disagreements with allowed claims, MHP Quality Improvement staff will review notification form and chart notes in an effort to reconcile the discrepancy. Contractor may appeal the findings of this review to the BHRS Director. Since these services are not claimed to Medi-Cal, no state appeal process may be applied.
