WHEREAS, pursuant to Sections 53850 *et. seq.*, of the Government Code of the State of California (herein called the "Government Code") (being Article 7.6, Chapter 4, Part 1, Division 2, Title 5 of said Government Code), on or after the first day of any fiscal year (being July 1) a local agency may borrow money by issuing notes for any purpose for which the local agency is authorized to expend moneys, including but not limited to current expenses, capital expenditures, investment and reinvestment and the discharge of any obligation or indebtedness of the local agency; and

for such purpose as soon as possible on or after July 1, 2009, the first day of the fiscal year for which such borrowing is made (Fiscal Year 2009-10); and

WHEREAS, the Board of Trustees of the District has found and determined that said principal amount, when added to the interest payable thereon, does not exceed 85% of the estimated amount of the uncollected taxes, income, revenue, cash receipts and other moneys to be received by or which will accrue to the District for the General Fund of the District during Fiscal Year 2009-10 and which will be available for the payment of the principal of and the interest on said notes of the District, and that said sum is needed to satisfy obligations of the District, and that it is necessary that said sum be borrowed for such purpose at this time; and

WHEREAS, the District has requested that the Notes be sold by a negotiated sale to an underwriter to be determined through a competitive bidding process (the "Underwriter"); and

WHEREAS, there has been submitted to this Board of Supervisors, and is now on file with the Clerk of this Board of Supervisors, a form of Purchase Contract with respect to the purchase and sale of said notes (the "Purchase Contract"), by and among the District, the County, and the Underwriter;

NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED:

Section 1. Recitals True and Correct: All the above recitals are true and correct.

Section 2. Authorization of Notes: For the purpose of satisfying obligations payable from the General Fund of the District, and in anticipation of taxes, income, revenue, cash receipts and other moneys to be received by or which will accrue

to the District for the General Fund of the District during Fiscal Year 2009-10, and not pursuant to any common plan of financing, the County hereby determines to and shall issue (for and on behalf of the District) temporary notes pursuant to Sections 53850 and following of the Government Code. Said notes shall be designated the "Sequoia Union High School District 2009-10 Tax and Revenue Anticipation Notes" (the "Notes").

Section 3. Amount of Borrowing: The aggregate principal amount of the Notes shall not exceed \$25,000,000, or such lesser amount as to which Orrick, Herrington & Sutcliffe LLP, San Francisco, Bond Counsel to the District with respect to the Notes ("Bond Counsel"), will deliver an approving opinion regarding the exclusion from gross income for federal tax purposes of interest thereon. The aggregate principal amount of the Notes so determined upon the sale of the Notes shall be specified in the Purchase Contract described in Section 9 hereof.

Section 4. Terms of Notes: The Notes shall be dated the date of their delivery. The Notes shall mature on a date which is no more than 366 days subsequent to their date of delivery, which date shall be determined at the time of sale thereof and set forth in the Purchase Contract. The Notes shall bear interest commencing on the date thereof, computed on the basis of a 360-day year consisting of twelve 30-day months, at the rate determined at the time of sale thereof and set forth in the Purchase Contract, as provided in Section 9 hereof. The principal of and interest on the Notes shall be payable as described in Section 5 hereof. The Notes shall be issued in fully registered form in denominations of \$5,000 principal amount or any integral multiple thereof.

Section 5. Payment of Notes; Pledged Revenues; Repayment Fund:
(a) **Payment of Principal and Interest.** The principal amount of the Notes shall be payable only at the maturity thereof, without option of prior redemption. Interest on the Notes shall be payable at the maturity of the Notes. The principal of and the interest on the Notes shall be payable in lawful money of the United States of America to the registered owners of the Notes, as shown on the registration books required to be maintained by the Paying Agent (as defined in Section 7 hereof), pursuant to Section 7(c) hereof.

Principal and interest due at maturity shall be paid to the registered owner of Notes only upon surrender of such Notes at the principal corporate trust office of the Paying Agent (as defined in Section 7 hereof). No interest shall be payable on any Notes for any period after maturity of the Notes during which the registered owner thereof fails to properly present said Notes for payment.

(b) **Pledged Revenues.** The principal of and interest on the Notes shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by or accrue to the District for the General Fund of the District for the Fiscal Year 2009-10 and which are lawfully available for the payment of current expenses and other obligations of the District (the "Unrestricted Revenues").

As security for the payment of the principal of and interest on the Notes, the District has covenanted in the District Resolution to deposit in trust for the registered owners of the Notes in a special fund designated as the "Sequoia Union High School District 2009-10 Tax and Revenue Anticipation Note Repayment Fund" (the "Repayment Fund"), such amounts as shall be necessary to provide for payment of all such sums when due from the first Unrestricted Revenues to be received by the District in each of several periods, as shall be specified in the Purchase Contract for the Notes described in Section 9 hereof, and has requested the County Controller, to create and hold the Repayment Fund, acting as the responsible agent to maintain such fund until the payment of the principal of the Notes and the interest thereon.

For and on behalf of the District, and in order to provide security for the payment of the principal of and interest on the Notes, this Board hereby directs the County Controller to create the Repayment Fund in the funds of the District held by the Treasurer-Tax Collector of the County (the "Treasurer-Tax Collector) and to set aside and deposit therein in trust for the registered owners of the Notes such amounts as shall be necessary to provide for payment of all such sums when due, on the dates and in the amounts, or in the proportions of the total amount due, as shall be specified in the Purchase Contract for the Notes described in Section 9 hereof, from the Unrestricted Revenues to be received by the District in each period specified in the Purchase Contract, and to hold and maintain such fund until the payment of the principal of the Notes and the interest thereon. The Unrestricted Revenues and the Other Pledged Moneys, as described in this Section, are pledged for repayment of the Notes and the interest thereon.

The amounts to be deposited into the Repayment Fund from the Unrestricted Revenues of the District received during each indicated period are hereinafter called the "Pledged Revenues", and the principal of and the interest on the Notes shall constitute a first lien and charge thereon and shall be payable therefrom, and to the extent not so paid shall be paid from any other money of the District lawfully available therefor.

(c) Other Pledged Moneys. In the event that there have been insufficient Unrestricted Revenues received by the District by the third business day prior to the end of any period in which a deposit in the Repayment Fund is required to be made to permit the required deposit, then the amount of any deficiency in the Repayment Fund shall be satisfied and made up from any other money of the District lawfully available for the payment of the principal of the Notes and the interest thereon (all as provided in Sections 53856 and 53857 of the Government Code) (the "Other Pledged Moneys") on such date or thereafter on a daily basis, when and as such Pledged Revenues and Other Pledged Moneys are received by the District.

(d) Limited County Liability. No part of any fund of the County is pledged or obligated to repayment of the Notes, and the Notes do not constitute a debt of the County. The Notes are payable only from the Pledged Revenues and Other Pledged Moneys belonging to the District, as provided herein.

(e) Repayment Fund. All Pledged Revenues, and any other deposits required to be made into the Repayment Fund, shall, when received, be deposited in the Repayment Fund. All moneys in the Repayment Fund shall be invested as provided in Section 11 hereof.

Any money placed in the Repayment Fund shall be for the benefit of the registered owners of the Notes, and until the principal of the Notes and all interest thereon are paid or until provision has been made for the payment of the principal of the Notes at maturity with interest to maturity, the money in the Repayment Fund shall be applied only for the purposes for which the Repayment Fund is created.

On the date of maturity of the Notes, the money in the Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest on the Notes. Any money remaining in or accruing to the Repayment Fund after the principal of the Notes and the interest thereon have been paid in full, or provision for such payment has been made, shall be transferred to the General Fund of the District.

Section 6. Form and Execution of Notes: The Notes shall be issued without coupons and shall be substantially in the form and substance set forth in Exhibit A attached hereto and by reference incorporated herein. The Treasurer-Tax Collector is hereby authorized to cause the blank spaces of the Notes to be filled in, in accordance with the terms of the Notes specified in the Purchase Contract and as the Treasurer-Tax Collector may otherwise deem to be appropriate. The Treasurer-Tax Collector or a duly appointed deputy Treasurer-Tax Collector is hereby authorized to execute the Notes by manual signature, and the Clerk of this Board of Supervisors or a duly appointed deputy is hereby authorized to countersign the Notes by manual or facsimile signature. The Notes shall be authenticated by the manual signature of a duly authorized officer of the Paying Agent.

Section 7. Paying Agent: (a) Appointment. The Treasurer-Tax Collector of the County of San Mateo, in Redwood City, California, is hereby appointed the initial Paying Agent with respect to the Notes (the "Paying Agent").

(b) Principal Corporate Trust Office. Unless otherwise specifically noted, any reference herein to the Paying Agent shall initially mean the Treasurer-Tax Collector of the County of San Mateo, and any reference herein to the "principal corporate trust office" of the Paying Agent for all purposes shall initially mean the office of the Treasurer-Tax Collector of the County of San Mateo in Redwood City, California; provided, however, that in any case "Paying Agent" shall refer to any successor paying agent/registrar or transfer agent for the Notes, and "principal corporate trust office" shall include the principal corporate trust office or other office of such successor Paying Agent designated thereby for a particular purpose.

(c) Registration Books. The Paying Agent will keep or cause to be kept, at its principal corporate trust office, sufficient books for the registration and transfer of the Notes, which shall at all times be open to inspection by the District and the County. Upon presentation for such purpose, the Paying Agent shall, under such

reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such books, Notes as hereinbefore provided.

Section 8. Use of Depository; Registration; Transfer: (a) The Notes shall be initially issued and registered in the name of "Cede & Co.," as nominee of The Depository Trust Company, New York, New York (hereinafter, Cede & Co. and The Depository Trust Company are referred to collectively as "The Depository Trust Company") and shall be evidenced by a single note certificate, in accordance with procedures of The Depository Trust Company. Registered ownership of the Notes, or any portion thereof, may not thereafter be transferred except as set forth in subsection (b) of this Section.

(b) Registered ownership of the Notes, or any portions thereof, may not be transferred after initial registration except:

(i) to any successor of The Depository Trust Company, or its nominee, or of any substitute depository designated pursuant to clause (ii) of this subsection (b) (a "Substitute Depository"); provided, that any successor of The Depository Trust Company or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(ii) to any Substitute Depository not objected to by the County or the District, upon (1) the resignation of The Depository Trust Company or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the County or the District to substitute another depository for The Depository Trust Company (or its successor) because it is no longer able to carry out its functions as depository; provided, that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) to any person as provided below, upon (1) the resignation of The Depository Trust Company or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the County or the District to discontinue using a depository.

(c) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (b) of this Section, upon receipt of all outstanding Notes by the Paying Agent, a single new Note shall be executed and delivered as provided in Section 6 hereof and registered in the name of such successor or such Substitute Depository, or its nominee, as the case may be. In the case of any transfer pursuant to clause (iii) of subsection (b) of this Section, upon receipt of all outstanding Notes by the Paying Agent, new Notes, which shall be prepared in accordance with Section 6 hereof, shall be executed and delivered in such denominations and registered in the names of such persons as are determined by the Paying Agent pursuant to a written request of the County or the District.

(d) Following the resignation or the removal of the depository pursuant to clause (iii) of subsection (b) of this Section, any Note may, in accordance with its terms, be transferred or exchanged for a like aggregate principal amount of Notes in authorized denominations, upon the books required to be kept by the Paying Agent pursuant to the provisions hereof, by the person in whose name it is registered, in person or by such person's duly authorized attorney, upon surrender of such Note for cancellation, and, in the case of a transfer, accompanied by delivery of a written instrument of transfer, duly executed in form approved by the Paying Agent.

Whenever any Note shall be surrendered for transfer or exchange, the Paying Agent shall deliver a new Note or Notes of the same series of authorized denominations and the same nominal interest rate for a like aggregate principal amount, in form substantially as described in Section 6 hereof. The Paying Agent shall require the registered owner requesting such transfer or exchange to pay any tax or other governmental charge required to be paid with respect to such transfer or exchange.

(e) The District, the County, and the Paying Agent shall be entitled to treat the person in whose name any Note is registered as the owner thereof for all purposes of this resolution and for purposes of payment of principal and interest on such Note, notwithstanding any notice to the contrary received by the District, the County or the Paying Agent; and the District, the County, and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Notes. Neither the District, the County nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including The Depository Trust Company or its successors (or any Substitute Depository or its successor), except to the registered owner of any Notes, and the Paying Agent may rely conclusively on its records as to the identity of the registered owners of the Notes.

(f) Notwithstanding any other provisions of this resolution and so long as all outstanding Notes are registered in the name of Cede & Co. or its registered assigns, the District, the County, and the Paying Agent shall cooperate with Cede & Co. or its registered assigns as sole registered owner, in effecting payment of the principal of and interest on the Notes by arranging for payment in such manner that funds for such payments are properly identified and are made available on the date they are due; all in accordance with the letter of representations from the District to The Depository Trust Company, the provisions of which the Paying Agent may rely upon to implement the foregoing procedures notwithstanding any inconsistent provisions herein.

(g) If any Note shall become mutilated, the Paying Agent, at the expense of the owner of such Note, shall deliver a new Note, prepared in accordance with Section 6 hereof, of like tenor bearing a different number in exchange and substitution for the Note so mutilated, but only upon surrender to the Paying Agent of the Note so mutilated. If any Note shall be lost, destroyed or stolen, evidence of the ownership thereof, and of such loss, destruction or theft, may be submitted to the County and the Paying Agent and, if such evidence be satisfactory to both and indemnity satisfactory to them shall be given, the Paying Agent, at the expense of the

owner of such Note, shall deliver a new Note, prepared in accordance with Section 6 hereof, of like tenor and bearing a different number in lieu of and in substitution for the Note so lost, destroyed or stolen (or, if any such Note shall have matured, instead of issuing a substitute Note, the Paying Agent may pay the same without surrender thereof). The Paying Agent may require payment by the registered owner of a Note of a sum not exceeding the actual cost of preparing each new Note issued pursuant to this paragraph and of the expenses which may be incurred by the County and the Paying Agent. Any Note issued under these provisions in lieu of any Note alleged to be lost, destroyed or stolen shall be entitled to the benefits of this resolution.

(h) All Notes surrendered for payment or registration of transfer, if surrendered to any person other than the Paying Agent, shall be delivered to the Paying Agent and shall be promptly cancelled by it.

Section 9. Sale of Notes; Purchase Contract: (a) The Purchase Contract for the Notes, in substantially the form submitted to and on file with the Clerk of this Board of Supervisors, is hereby approved, and the Treasurer-Tax Collector (or duly appointed deputy Treasurer-Tax Collector) is hereby authorized and directed on behalf of the County to execute and approve the Purchase Contract providing for the negotiated sale of the Notes by the Board of Supervisors of the County and the purchase thereof by the Underwriter at a purchase price to be set forth therein which the Treasurer-Tax Collector and the authorized District representative find to be acceptable; provided, that (i) the net interest cost for the Notes shall not exceed 3.5%, (ii) the nominal interest rate on the Notes shall not exceed 5.0% per annum, (iii) the price to be paid for the Notes shall not be less than the aggregate principal amount of the Notes, and (iv) the Notes shall otherwise conform to the limitations specified herein; and provided further, that such execution and approval shall constitute conclusive evidence of the approval by this Board of Supervisors of any changes or revisions therein from the form of Purchase Contract filed herewith.

(b) The Purchase Contract shall recite the aggregate principal amount, issuance date, maturity date, and interest rate of the Notes, and shall set forth the dates of deposit and amounts or proportions of Pledged Revenues to be deposited in the Repayment Fund on each such date, all as shall be agreed among the District, the Treasurer-Tax Collector, and the Underwriter at the time of sale of the Notes, and the Notes as finally executed and delivered shall conform in all respects with the terms recited in the Purchase Contract. The Purchase Contract may specify up to five periodic deposits; provided, that the last such deposit shall be made no later than June 30, 2010, and such payment shall be in an amount sufficient (when all previous deposits and earnings on the Repayment Fund are taken into account) to pay all principal and interest with regard to the Notes.

Section 10. Disposition of Note Proceeds; Proceeds Fund: There is hereby established a separate fund in the County treasury for the purpose of ensuring the application of the proceeds representing principal received from the sale of the Notes for the purpose specified in Section 2 hereof for which the Notes are to be issued, which separate fund is hereby designated the "Sequoia Union High School District

2009-10 Tax and Revenue Anticipation Note Proceeds Fund" (the "Proceeds Fund"). The Treasurer-Tax Collector shall, immediately upon receiving the proceeds of the sale of the Notes, deposit in the Proceeds Fund all amounts received from such sale on behalf of the District, including any premium. All money held by the Treasurer-Tax Collector in the Proceeds Fund shall be invested as provided in Section 11 hereof. The County makes no assurance regarding the use or application of the proceeds of the Notes.

Amounts in the Proceeds Fund shall be withdrawn and deposited in the General Fund of the District, and expended for any purpose for which the District is authorized to expend funds from its General Fund, but only after exhausting funds otherwise available for such purposes (which are not restricted funds) and only to the extent that on any given day such other funds are not then available. For purposes of this paragraph, funds otherwise available excludes amounts that are held or set aside in a reasonable working capital reserve (as set forth in the Tax Certificate of the District described in Section 13 hereof), which shall be no greater than 5% of the District's working capital expenditures from its available funds in Fiscal Year 2008-09. The District has covenanted that, if on the date that is six months from the date of issuance of the Notes, all amounts in the Proceeds Fund (including investment earnings thereon) shall not have been so withdrawn and spent, it will promptly notify Orrick, Herrington & Sutcliffe LLP ("Bond Counsel"), and, to the extent of its power and authority, comply with the instructions from Bond Counsel as to the means of satisfying the rebate requirements of Section 148 of the Internal Revenue Code of 1986. For purposes of this Section, the "proceeds" of the Notes are equal to the initial offering price of the Notes to the public, as certified by the Underwriter.

Section 11. Investment of Funds: All money held by the Treasurer-Tax Collector in the Proceeds Fund and in the Repayment Fund shall be invested to the greatest extent possible at the Treasurer-Tax Collector's discretion in the County's Pooled Investment Fund and as otherwise permitted by the Government Code and the investment policy of the County, and the proceeds of such investments shall be retained in each such respective Fund; provided, that no proceeds shall be invested for a term that exceeds the term of the Notes.

Section 12. Further Assurances: It is hereby covenanted and warranted by this Board of Supervisors that the County, and its appropriate officials, have duly taken all proceedings necessary to be taken by them, and will take any additional proceedings necessary to be taken by them, for the levy, collection and enforcement of the Pledged Revenues in accordance with law for carrying out the provisions of this resolution and the Notes.

Section 13. Tax Covenants; Rebate Fund: (a) General. The County acknowledges and relies upon the fact that the District has covenanted and represented that it shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Notes under Section 103 of the Internal Revenue Code of 1986, as amended (as used in this Section, the "Code"), and that the District will comply with the

requirements of the Tax Certificate with respect to the Notes, to be entered into by the District as of the date of issuance of the Notes, and that the District further stipulates that such representation and covenant shall survive payment in full or defeasance of the Notes.

(b) Rebate Exception. The County acknowledges and relies upon the fact that the District has covenanted and represented that in the event the Notes shall be subject to the rebate requirements of Section 148 of the Code, the District shall be responsible for making all calculations in a reasonable and prudent fashion relating to any rebate of excess investment earnings on the proceeds of the Notes due to the United States Treasury. If so directed by the District, the Treasurer-Tax Collector shall segregate and set aside from the lawfully available sources held by the Treasurer-Tax Collector on behalf of the District, the amount such calculations indicate may be required to be paid to the United States Treasury, and shall otherwise at all times, upon the direction of the District, do and perform all acts and things necessary and within its power and authority, including complying with each applicable requirement of Section 103 and Sections 141 through 150 of the Code and complying with the instructions of Bond Counsel to ensure that interest paid on the Notes shall, for the purposes of federal income taxes and California personal income taxation, be excludable from the gross income of the recipients thereof and exempt from such taxation. If so directed by the District, the Treasurer-Tax Collector will immediately set aside from District revenues received or accrued during Fiscal Year 2009-10 or, to the extent not available from such revenues, from any other money lawfully available, the amount of any such rebate in a separate fund which the County Controller shall create and which the Treasurer-Tax Collector shall maintain on behalf of the District and to designate as the "Sequoia Union High School District 2009-10 Tax and Revenue Anticipation Note Rebate Fund".

(c) Remedies Limited to Note Owners. Notwithstanding any other provision of this resolution to the contrary, upon the District's or County's failure to observe, or refusal to comply with, the covenants contained and described in this Section, no one other than the owners or former owners of the Notes shall be entitled to exercise any right or remedy under this resolution on the basis of the District's or County's failure to observe, or refusal to comply with, such covenants.

(d) Reliance on Opinion of Bond Counsel. Notwithstanding any provision of this Section, if the District shall provide to the Treasurer-Tax Collector an opinion of Bond Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from gross income for federal income tax purposes of interest on the Notes, the Treasurer-Tax Collector may conclusively rely on such opinion in complying with the requirements of this Section, and the covenants hereunder shall be deemed to be modified to that extent.

(e) Survival of Covenants. The County's covenants contained in this Section shall survive the payment of the Notes.

Section 14. Approval of Actions: All actions heretofore taken by the officers and agents of the County or this Board of Supervisors with respect to the issuance and sale of the Notes are hereby approved, confirmed and ratified, and the employees and officers of the County, including the President of this Board of Supervisors, the Clerk of this Board of Supervisors, the County Counsel, the Treasurer-Tax Collector, the Controller of the County, and the designees of any of them, shall be and they are hereby authorized and directed to execute and deliver any and all certificates and representations, including signature certificates, no-litigation certificates, certificates regarding continuing disclosure, and other certificates proposed to be distributed in connection with the sale of the Notes, which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Notes in accordance with this resolution.

Section 15. Limited Responsibility for Official Statement: Neither the Board of Supervisors nor any officer of the County has prepared or reviewed the official statement of the District describing the Notes (the "Official Statement"), and this Board of Supervisors and the various officers of the County take no responsibility for the contents or distribution thereof; provided, however, that solely with respect to a section contained or to be contained therein describing the County's investment policy, current portfolio holdings, and valuation procedures, as they may relate to funds of the District held by the Treasurer-Tax Collector, the Treasurer-Tax Collector is hereby authorized and directed to prepare and review such information for inclusion in the District's Official Statement and in a preliminary Official Statement, and to certify to the District prior to or upon the issuance of the Notes that the information contained in such section does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they are made, not misleading.

Section 16. Continuing Disclosure Certificate: The County acknowledges and relies upon the fact that the District has represented that it shall execute a Continuing Disclosure Certificate containing such covenants of the District as shall be necessary to comply with the requirements of Securities and Exchange Commission Rule 15c2-12, and that it will comply with and carry out all of the provisions of such Continuing Disclosure Certificate. The County assumes no responsibility for continuing disclosure requirements with respect to the Notes.

Section 17. Effective Date: This resolution shall take effect from and after its adoption.
