**WHEREAS**, the Controller's office provides auditing services to County departments and committees, and would audit the policies and procedures of the Deferred Compensation Committee if not for the Controller's presence on the committee

itself; and

**WHEREAS**, based on the recommendation of the County Manager, the Board believes it would be beneficial and proper for the Controller to undertake this auditing function with respect to the policies and procedures of the Deferred Compensation Committee;

Notwithstanding any other provision of the County's Deferred Compensation Plan, the composition of the Deferred Compensation Committee shall be amended to eliminate the requirement that the County Manager appoint a representative from the Controller's Office and to increase the number of management employees to be appointed by the County Manager from two to three; and

**IT IS FURTHER DETERMINED AND ORDERED THAT** that the Deferred Compensation Committee shall consist of the following nine (9) persons: the Personnel Director, the Tax Collector-Treasurer, three management employees appointed by the County manager, and four non-management employees selected in accordance with procedures to be established by the County Manager and all of whom shall serve at the pleasure of the County Manager.
