

COUNTY OF SAN MATEO
Inter-Departmental Correspondence
Health System

DATE: July 31, 2009
BOARD MEETING DATE: August 25, 2009
SPECIAL NOTICE/HEARING: None
VOTE REQUIRED: Majority

TO: Honorable Board of Supervisors

FROM: Jean S. Fraser, Chief, Health System
Louise Rogers, Director, Behavioral Health & Recovery Services

SUBJECT: Agreement with Edgewood Center for Children and Families

RECOMMENDATION:

Adopt a Resolution:

- 1) Authorizing the President of the Board to execute an Agreement with Edgewood Center for Children and Families for mental health services for the term July 1, 2009 through June 30, 2010, for a maximum obligation of \$1,017,277; and
- 2) Authorizing the Chief of the Health System or designee to execute contract amendments which modify the County's maximum fiscal obligation by no more than \$25,000 (in aggregate), and/or modify the contract term and/or services so long as the modified term or services is/are within the current or revised fiscal provisions.

BACKGROUND:

Edgewood Center for Children and Families (Edgewood) has been providing school-based mental health services to San Mateo County children and youth since 1996. Edgewood provides three types of school-based mental health services for San Mateo County youth: day treatment, outpatient mental health services, and therapeutic behavioral services (TBS). Edgewood has also provided mental health outpatient services to youth and their families under the Mental Health Plan (MHP) since 1999.

In May of 2007 Behavioral Health and Recovery Services (BHRS) issued a Request for Proposals (RFP) for the provision of outpatient mental health services through the MHP. Edgewood responded with a proposal that was accepted. In February 2009 an RFP for child abuse treatment services was issued by BHRS. Edgewood, in collaboration with Youth and Family Enrichment services, submitted a proposal that was subsequently selected for the provision of these services.

DISCUSSION:

BHRS is recommending a contract with Edgewood for FY 2009-10 for the provision of school-based mental health services, mental health outpatient services authorized by the MHP, and child abuse treatment services. Child abuse treatment services are provided jointly by Children and Family Services of the Human Services Agency (HSA) and BHRS.

The Agreement has been reviewed and approved by County Counsel and Risk Management. The contractor has assured compliance with the County's Contractor Employee Jury Service Ordinance, as well as all other contract provisions that are required by County ordinance and administrative memoranda, including but not limited to insurance, hold harmless, non-discrimination and equal benefits. This Agreement is on the Continuing Resolution.

The Agreement contributes to the Shared Vision 2025 outcome of a Healthy Community by providing mental health services to children and families. BHRS provides a range of services to promote wellness and recovery and to support consumers remaining in the lowest possible level of care. The provision of child abuse treatment services is one established level of care. The services provided through this Agreement contribute to this measure. It is expected that 95% of families receiving child abuse treatment services for at least six months will have no recurrence of reported abuse, molestation or neglect.

Performance Measure:

Measure	FY 2008-09 Actual	FY 2009-10 Target
Percentage of families receiving child abuse treatment services for at least 6 months with no recurrence of reported abuse, molestation, or neglect during course of treatment.	92%	95%

FISCAL IMPACT:

The term of the Agreement is July 1, 2009 through June 30, 2010, and the maximum obligation is \$1,017,277. Of that amount, it is anticipated that Medi-Cal Federal Financial Participation (FFP) will fund \$439,237, Early Periodic Screening Diagnosis and Treatment (EPSDT) will fund \$187,034, Healthy Kids and Healthy Families will fund \$13,153, Medicare will fund \$5,050, HSA will provide \$158,889 for child abuse treatment services, and sales tax through realignment will fund \$141,071. The Net County Cost is \$72,843. Funds for these services have been included in the BHRS tentatively Adopted FY 2009-10 Budget.
