C. Program Requirements

1. **Program Requirements** means requirements found in the Older Americans Act (OAA), Title III, Part E, Sections 371 through 374;
2. **Program Requirements** means Title III program requirements found in the Older Americans Act (OAA 42 USC Section 3001-3058), Code of Federal Regulations (45 CFR XIII, 1321); Title 22, California Code of Regulations (CCR), Section 7000 et seq., and Department Program Memoranda.
3. **Eligible Service Population** for Title III E means:
 - a. A Family Caregiver; and
 - b. A Grandparent or Older Individual Who is a Relative Caregiver.
4. **A Family Caregiver** is defined in Title III, Part A, Sections 302(3) of the OAA as an adult family member or another individual who is an informal provider of in-home and community care to an older individual or to an individual (of any age) with Alzheimer's disease or a related disorder with neurological and organic brain dysfunction. "Family Caregiver" is used interchangeably with "informal caregiver". "Informal" means that the care is not provided as part of a public or private formal service program.

A Family Caregiver provides care without pay. Family Caregiver Support Program (FCSP) funds cannot be used to pay the Family Caregiver a stipend or salary for providing care. FCSP funds may be used to pay another family member or friend to provide respite care or supplemental services to the Family Caregiver.

The broader term "Caregiver" as defined in Title I, Section 102(18)(B) of the OAA is not applicable to Title III of the OAA since it also means an individual who—voluntarily or because of compensation—has responsibility for the care of an older individual and is providing this care on behalf of the Family Caregiver or on behalf of a public or private agency or organization.

5. **A Grandparent or Older Individual Who is a Relative Caregiver** is defined as a grandparent or step-grandparent of a child, or a relative of a child by blood, marriage, or adoption, who is 55 years of age or older, and who meets the following additional criteria in Title III, Part E, Section 372 (3) of the OAA:
 - a. Lives with a child (but is not the older adult parent of the child or individual of any age with a disability);

- b. Is the primary caregiver of the child because the biological or adoptive parents are unable or unwilling to serve as the primary caregiver of the child; and
 - c. Has a legal relationship with the child, such as legal custody or guardianship, or is raising the child informally.
- 6. **An Older Individual Receiving Care (Care Receiver)** is defined as one who is 60 years of age or older, or an individual (of any age) with Alzheimer's disease or a related disorder with neurological and organic brain dysfunction [Title III, Part, A Section 302(3); Title I, Section 102(22)]. Family Caregivers cannot receive FCSP-funded respite and supplemental services specified in paragraph 7 of this section unless the Care Receiver meets the more restrictive eligibility criteria specified in Title III, Part E, Section 373 (c) (1) (B) of the OAA and the definition of "frail" in OAA Section 102 (26), which requires that the Care Receiver is unable to perform at least two activities of daily living (ADLs) [e.g., human assistance is needed for eating, toileting, continence, transferring in/out of bed or chair, bathing, dressing] or requires substantial supervision due to a cognitive or other mental impairment.
- 7. **A Child (who receives care from a Grandparent or Older Individual who is a Relative Caregiver)** is defined in Title III, Part E, Section 372(a)(1) of the OAA as an individual who is not more than 18 years of age or is an individual (of any age) with a disability.
- 8. **Individual with Severe Disabilities** is defined in Title I, Section 102(48) of the OAA as a person with a severe, chronic disability attributable to mental or physical impairment, that is likely to continue indefinitely and results in substantial limitation in 3 or more of the following areas of major life activity:
 - a. Self-care
 - b. Receptive and expressive language
 - c. Learning
 - d. Mobility
 - e. Self-direction
 - f. Capacity for Independent Living
 - g. Economic self-sufficiency
 - h. Cognitive functioning
 - i. Emotional adjustment
- 9. **Title III E (Family Caregiver Support Program)** is defined in Title III, Part E, Section 373(b) as support services that include (1) information to caregivers, potential caregivers, and those who may assist caregivers about available services; (2) assistance to caregivers in gaining access to

the services; (3) individual counseling, organization of support groups, and caregiver training (individual or group) to assist the caregivers in the areas of health, nutrition, and financial literacy, and in making decisions and solving problems relating to their caregiving roles; (4) respite care to enable caregivers to be temporarily relieved from their caregiving responsibilities; and (5) supplemental services, on a limited basis, to complement the care provided by caregivers. In accordance with Title III, Part E, Section 373(e) (1), the State has established for the five support service categories additional service standards that must be met. These standards are documented in the FCSP Service Matrix, which the State publishes periodically, as necessary.

The following apply to the Respite service category above:

- a. “Respite Care” is the provision of temporary, substitute supports or living arrangements for care receivers and may be provided (1) in the home (and include the provision of personal, homemaker, and chore services to the care receiver), (2) by attendance of the care receiver at day care or other non-residential day center or program (including recreational outings for children), and (3) by attendance of the care receiver in a facility for an overnight stay on an occasional or emergency basis (such as a nursing home for older adults or summer camp for grandchildren).
- b. “Temporarily” means a brief period of relief or rest from a caregivers responsibilities during a limited time period, and could be provided on the following basis:
 - (1) Intermittent—Time off a few hours once a week for a limited time to give the caregiver a planned or unscheduled break;
 - (2) Occasional—Time off for the caregiver to attend a special event;
 - (3) Emergency—Extended break to address an intervening circumstance, such as caregiver emotional stress or hospitalization and recovery.
- c. Title III E funds cannot be used to support the following activities:
 - (1) To pay the costs for a family caregiver to attend a camp, spa, resort, or restaurant;
 - (2) To temporarily relieve workers from formally paid services (e.g., In-Home Supportive Services or services required to be provided in a licensed facility such as a Residential Care Facility for the Elderly); and

- (3) To supplement the service unit cost of “a participant day” at an adult day care program.
- d. Title III E funds cannot be used to support the following activities:
 - (1) Assisting a care receiver, unless there is an identified caregiver need that is met through assistance to the care receiver;
 - (2) Providing ongoing assistance to a care receiver living alone;
 - (3) Same level of service provided to all caregivers, rather than assistance based on caregiver level of need and priority; and
 - (4) One-time, end-of-the-year assistance without an identified individual caregiver need.
10. FCSP services are to be delivered according to the following priorities:
 - a. Caregivers who are older individuals (60 years of age or older) with greatest social need and greatest economic need (with particular attention to low-income). [OAA 373(c)(2)(A)].
 - b. If serving caregivers of individuals with Alzheimer’s disease or related disorders, priority shall be given to those caring for older individuals (60 years of age or older) [OAA 372(b)(1)].
 - c. If serving grandparents or other older relatives of a child, priority shall be given to those caring for children with severe disabilities. [OAA 372(b)(2)]. NOTE: The term “severe disability” is defined in Section 102(a)(48) of the OAA, and the term “children” applies to individuals of any age with a severe disability, but not to children of older “parents.”
11. An individual’s receipt of services under the In-Home Supportive Service Program shall not be the sole cause for denial of any services provided by the AAA or its contractors.
12. The Contractor and/or subcontractor shall make use of trained volunteers to expand the provision of FCSP activities in accordance with Title III, Part E, Section 373(d) of the OAA and, if possible, work in coordination with organizations that have experience in providing training, placement, and stipends for volunteers or participants in community service settings (and programs).

13. Expansion of Services: Provided services must clearly be for caregivers and must not replace existing services or funding sources. FCSP funds are intended to supplement, not supplant existing funding.
14. Direct Payment to Caregivers: Funds distributed directly to caregivers or paid to non-agency individuals for respite services must include documentation regarding the following: name of the client, name and address of respite provider; dates and times of respite services provided; total hours provided; hourly rate; signature of the respite provider and authorization by the case manager or contract agency staff person.
15. Contractor agrees to:

Comply with the data standards of California Department of Aging (CDA) that will be reported through the California Aging Reporting System (CARS).

Contractors will be required to collect and document specific caregiver and care receiver data elements required for AAS.

CARS is the web-based system that is capable of providing the State with client-level data of services provided. The system allows the State to compare service utilization patterns. Providers of the FCSP will not be required to submit data directly into the CARS system. AAS will submit data from the AAS Q system to the State via CARS. Providers will be required to collect and document the specific client—level data elements required for AAS. Attachment F is the current data element requirements from the State. Data elements that are identified as required for FCSP in the column titled “Required/Optional for Reporting” will be required for FCSP.
16. Contractor assures that:
 - a. Means tests shall not be used by any Contractor;
 - b. Services shall not be denied to any client that does not contribute toward the cost of the services received;
 - c. Methods used to solicit voluntary contributions shall be non-coercive;
 - d. Donation letters sent to clients shall stipulate that contributions are voluntary and not required to receive service; and
 - e. Proof of age or citizenship shall not be required as a condition of receiving services.

SCHEDULE B

FAMILY CAREGIVER ALLIANCE

FY 2009-2010 FISCAL SUMMARY

Contractor shall operate the following Older Americans Act (OAA) and/or Community-Based Services (CBSP) programs(s): the Family Caregiver Support Program. Services described in this Schedule B reflect program funding and payment methods during fiscal year July 1, 2009 through June 30, 2010. This program shall operate in accordance with the California Department of Aging and/or State licensing regulations, applicable federal laws, and the standards and requirements established by Aging and Adult Services of San Mateo County.

I. FAMILY CAREGIVER SUPPORT PROGRAM

Aging and Adult Services (AAS) will pay the Contractor in consideration of Family Caregiver Support Program services rendered through OAA Title III-E funds. The reimbursement amounts are calculated based on the following formula: **Actual Expenditure** minus (-) **Total Revenue** (Matching and Non-Matching Contributions and Project Income) equals (=) **Total Reimbursement** amount. If the Contractor prefers to have the reimbursement amount equally spread throughout the contract year, this can be achieved by utilizing the reimbursement formula indicated above, as long as the total reimbursement amount does not exceed the total cost of the services rendered.

The maximum reimbursement for the Family Caregiver Support Program during the contract term July 1, 2009 through June 30, 2010 shall not exceed: \$10,000 for Information Services, \$9,000 for Access Assistance, \$67,202 for Supportive Services, and \$12,000 for Respite Care for a total of NINETY-EIGHT THOUSAND TWO HUNDRED TWO DOLLARS (\$98,202).

Contractor agrees to the following:

- A. Contractor is responsible for covering the cost of all components of each program outlined above and shall be reimbursed for actual expenditures on the approved budget for each program;
- B. A mid-year review, scheduled for January 2010, will require a reconciliation of year-to-date outcomes. Based on these outcomes, a budget revision may be required;

- C. The Contractor will submit invoices and monthly program reports to Aging and Adult Services (AAS) by the tenth (10th) of each month. Upon notification from AAS, the Contractor must correct inaccurate invoices and corresponding reports in order to receive reimbursement. Invoices submitted more than two months past the month of service may not be reimbursed. Invoice(s) for June 2010 will be due by July 7, 2010 to facilitate timely payment;
- D. Offer services throughout the twelve-month contract period, unless prior written approval is received from Aging and Adult Services;
- E. Submit a closing report with supporting documentation of expenses by July 23, 2010;

Examples of documentation are as follows:

- General ledger of expenditures for the contracted program
 - Applicable payroll register
 - Lease agreements and allocation percentage for rent cost
 - Equipment invoices
 - Vendor invoices for large purchases
 - CDA 32 form—Report of Property Furnished/Purchased
- F. Program Income must be reported and expended under the same terms and conditions as the program funds from which it is generated; and
 - G. Program Income must be used to pay for current allowable costs of the program in the same fiscal year that the income was earned.

The maximum reimbursement for contracted services between San Mateo County Aging and Adult Services and Family Caregiver Alliance is \$98,202 in OAA funds for a total amount of NINETY-EIGHT THOUSAND TWO HUNDRED TWO DOLLARS (\$98,202) for the contract term July 1, 2009 through June 30, 2010.

CARS Specifications for NAPIS and Family Caregiver Support Program Reporting

Revised 4/30/2008

Instructions: Each section represents a separate tab delimited flat file (five total). Respond to each data element in order. If a specific data element was not collected by your site (or is not relevant for a given individual), leave it blank. Most fields have defined values to ensure cross-site consistency (please see the worksheet labeled "Lookup Tables" for these values). For added security, we request that sites do not include any labels in the data file. Note: Client identifiers will be used by the CARS system to improve data quality (for example, clients can be deduplicated across PSAs, if desired). Submitted client identifiers will be stored in an encrypted database, and will not be accessible by any CDA staff.
