ARTICLE I. DEFINITIONS

- A. **Contractor** means the Area Agency on Aging (AAA) and are used interchangeably.
- B. **Eligible Service Population** means individuals defined as Medicare eligible beneficiaries likely to be qualified for the Medicare Part D Low-Income Subsidy (LIS), Medicare Savings Program (MSP), and the Medicare Part D Prescription Drug Program, including individuals in rural areas.
- C. **Enhanced Outreach** means outreach activities above and beyond routine activities planned in response to other funding (e.g., Basic State Health Insurance Assistance Program (SHIP) Funds, SHIP Supplemental LIS Funds, or Older Americans Act (OAA) Outreach Funds). These activities should also give consideration to Medicare eligibility changes that go into effect January 1, 2010, equating the MSP asset limit to that of the full Medicare Part D LIS asset limit, thereby increasing the number of Medicare low income assistance eligible beneficiaries.
- D. **Enrollment Assistance** means assistance to beneficiaries in completing and submitting LIS and MSP applications. Enhanced outreach alone does not meet the requirement for enrollment assistance.
- E. **Enrollment Assistance Centers** means locations equipped and designated for Medicare Part D, LIS and MSP enhanced outreach and enrollment assistance that have been publicly advertised and identified for these purposes.
- F. **Indirect Costs** means costs incurred for a common or joint purpose benefiting more than one cost objective and not readily assignable to the cost objective specifically benefited, without effort disproportionate to the results achieved.
- G. **Low Income Subsidy (LIS)** means financial assistance with Part D premiums and cost sharing for certain low-income Medicare beneficiaries referred to as the low-income subsidy.
- H. **Medicare Improvements for Patients and Providers Act (MIPPA) of 2008** means legislation which amended Titles XVIII and XIX of the Social Security Act to extend expiring provisions under the Medicare Program; to improve beneficiary access to preventive and mental health services; to enhance low-income benefit programs; and to maintain access to care in rural areas, including pharmacy access.
- I. **Medicare Prescription Drug Improvement and Modernization Act of 2003** (also known as the “Medicare Modernization Act” or “MMA”) means legislation that imposed the most sweeping changes to the Medicare program since its inception, including the addition of a prescription drug benefit through a new Medicare “Part D.”

ARTICLE I. DEFINITIONS (Continued)

- J. **Medicare Savings Program (MSP)** - As of January 1, 2010, low-income Medicare beneficiaries who do not qualify for Medi-Cal may be enrolled in one of three Medicare Savings Programs that will automatically provide these individuals with the Low Income Subsidy (LIS). The Medicare Savings Programs include the following: Qualified Medicare Beneficiaries (QMB); Specified Low-Income Medicare Beneficiaries (SLMB); and Qualified Individuals (QI).
- K. **Program Income** means revenue generated by the Contractor or subcontractor from contract-supported activities. Program income is:
1. Voluntary contributions received from a participant or responsible party as a result of services.
 2. Income from usage or rental fees of real or personal property acquired with funds provided under this Agreement.
 3. Royalties received on patents and copyrights from contract-supported activities.
 4. Proceeds from sale of items fabricated under a contract agreement.
- L. **Rural** means all territory, population and housing units not classified as urban. Rural classification cuts across other hierarchies and can be in metropolitan or non-metropolitan areas.
- M. **State Health Insurance Assistance Program (SHIP)** means a national program supported by the federal Centers for Medicare and Medicaid Services (CMS) that offers one-on-one counseling and assistance to people with Medicare and their families. Through federal grants directed to states, SHIPs provide free counseling and assistance via telephone and face-to-face interactive sessions, public education presentations and programs, and media activities. In California SHIP is the same program as the Health Insurance Counseling and Advocacy Program (HICAP).
- N. **Urban** means all territory, population and housing units in urban areas, which include urbanized areas and urban clusters. An urban area generally consists of a large central place and adjacent densely settled census blocks that together have a total population of at least 2,500 for urban clusters, or at least 50,000 for urbanized areas. Urban classification cuts across other hierarchies and can be in metropolitan or non-metropolitan areas.

ARTICLE I. FUNDS

A. Expenditure of Funds

1. The Contractor shall expend all funds received hereunder in accordance with this Agreement.
2. Any reimbursement for authorized travel and per diem shall be at rates not to exceed those amounts paid by the State in accordance with Department of Personnel Administration's rules and regulations.
 - Travel -
<http://www.dpa.ca.gov/textdocs/freepmls/PML2008019.pdf>
 - Per Diem (meals and incidentals) -
<http://www.dpa.ca.gov/personnel-policies/travel/meals-and-incidentals.htm>
 - Lodging –
<http://www.dpa.ca.gov/personnel-policies/travel/short-term-travel.htm>

This is not to be construed as limiting the Contractor from paying any differences in costs, from funds other than those provided by this Department, between the Department of Personnel Administration rates and any rates the Contractor is obligated to pay under other contractual agreements. No travel outside the State of California shall be reimbursed unless prior written authorization is obtained from the State. (CCR, Title 2 Section 599.615 et seq.)

Contractor agrees to include these requirements in all contracts it enters into with subcontractors/vendors to provide services pursuant to this Agreement.

3. The Department reserves the right to refuse payment to the Contractor or disallow costs for any expenditure, as determined by the Department to be: out of compliance with this Agreement, unrelated or inappropriate to contract activities, when adequate supporting documentation is not presented, or where prior approval was required but was either not requested or not granted.

B. Accountability for Funds

The Contractor shall maintain accounting records for funds received under the terms and conditions of this Agreement. These records shall be separate from those for any other funds administered by the Contractor, and shall be maintained in accordance with Generally Accepted Accounting Principles and Procedures and the Office of Management and Budget's Cost Principles.

ARTICLE I. FUNDS (Continued)

C. Unexpended Funds

Upon termination, cancellation, or expiration of this Agreement, or dissolution of the entity, the Contractor shall return to the State immediately upon written demand, any funds provided under this Agreement, which are not payable for goods or services delivered prior to the termination, cancellation, or expiration of this Agreement, or the dissolution of the entity.

D. Availability of Funds

1. Federal funds will be made available in two increments. The Federal Government disburses 50 percent of the total allocation for this project for expenditures for Fiscal Year 2009-10. The second half of funding is contingent upon CMS and AoA approval of performance data submitted for the initial first phase report, due to CDA March 1, 2010, with any modifications to the initial MIPPA Project Plan. If awarded, these funds will be disbursed for Fiscal Year 2010-11.
2. It is understood between the parties that this Agreement may have been written before ascertaining the availability or appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays that would occur if this Agreement were executed after that determination was made.
3. This Agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government or the Budget Acts of the appropriate fiscal years for the purpose of these programs. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this Agreement in any manner.
4. Limitation of State Liability

Payment for performance by the Contractor shall be dependent upon the availability of future appropriations by the Legislature or Congress for the purposes of this contract and approval of an itemized MIPPA Budget (CDA 229m). No legal liability on the part of the State for any payment may arise under this contract until funds are made available, the itemized budget is received and approved by the State, and the Contractor has received an executed contract.

ARTICLE I. FUNDS (Continued)

5. Funding Reduction(s)

- a. If funding for any State fiscal year is reduced or deleted by the State or federal government, the State shall have the option to either:
 - Terminate the Contract pursuant to Exhibit D, Article XII, B.
 - Offer a contract amendment to the Contractor to reflect the reduced funding for this contract.
- b. In the event that the State elects to offer an amendment, it shall be mutually understood by both parties that (1) the State reserves the right to determine which contracts, if any, under this program shall be reduced and (2) some contracts may be reduced by a greater amount than others, and (3) that the State shall determine at its sole discretion the amount that any or all of the contracts shall be reduced for the fiscal year.

E. Interest Earned

1. If, as a result of advanced funds, the project earns interest on funds awarded by the State, that interest shall be identified as income to the program and used for program expenditures, with full documentation on file for all programs.
2. For MIPPA program:
 - a. Nonprofits shall maintain advances of federal funds in interest bearing accounts, unless (1), (2), or (3) apply.
 - (1) The recipient receives less than \$120,000 in federal awards per year.
 - (2) The best reasonably available interest bearing account would not be expected to earn interest in excess of \$250 per year on federal cash balances.
 - (3) The depository would require an average or minimum balance so high that it would not be feasible within the expected federal and non-federal cash resources.

ARTICLE I. FUNDS (Continued)

- b. For nonprofit entities, interest earned in excess of \$250 on federal advances deposited in interest bearing accounts shall be remitted annually to the Department

F. Program Income

1. Program Income must be reported and expended under the same terms and conditions as the program funds from which it is generated.
2. Program Income must be used to pay for current allowable costs of the program.
3. Program Income must be used to expand services

H. MIPPA Administration

MIPPA Administration shall be no more than 8 % of the total MIPPA allocation.

ARTICLE II. BUDGET AND BUDGET REVISION

- A. The Contractor shall be compensated for expenses only as itemized in the approved MIPPA Budget (CDA 229m) and shall not be entitled to payment for these expenses until the MIPPA Budget (CDA 229m) is reviewed and approved by the Department. The approved MIPPA Budget is hereby incorporated by reference into this Agreement as a part of Exhibit B.
- B. The Contractor shall submit electronically the original CDA 229m no later than 30 days after receiving this contract.
- C. The CDA 229m must set forth in detail the reimbursable items, unit rates and extended total amounts for each line item. The Contractor's budget shall include, at a minimum, the following items when reimbursable under this Agreement:

 3. Rental reimbursement items should specify the unit rate, such as the rate per square foot.
 4. If purchase of equipment is a reimbursable item, the equipment to be purchased should be specified.
 5. Any travel outside the State of California.
 6. A detailed list of other operating expenses.

ARTICLE II. BUDGET AND BUDGET REVISION (Continued)

- D. The Contractor shall ensure that subcontractors submit a budget, which shall be incorporated by reference into the subcontract and will have, at a minimum, the categories listed in Section C, above.
- E. The Contractor may make changes in budget allocations, subject to the following conditions:
1. The Contractor may transfer contract funds from each line item in accordance with OMB, 45CFR subpart 92, section .30 (common rules).
 2. The Contractor shall maintain a written record of all budget changes and clearly document line item changes. The record shall include the date of the transfer, the amount, and the purpose. This record shall be available to the Department upon request and shall be maintained in the same manner as all other financial records.
 3. Allocations for program costs may not be transferred to the AAA administration allocation.
 4. In the event that programs are changed from DIRECT to CONTRACTED or CONTRACTED to DIRECT, the Contractor shall submit a revised budget to the Department. An amendment to this Agreement shall be required in accordance with Exhibit D, Article XV.
- E. The Contractor shall submit electronically a budget revision 30 days after receiving an amended MIPPA Budget Display with changes in funding levels, unless otherwise instructed by the Department.
- F. The final date to submit a budget revision is April 30, 2011, unless otherwise specified by CDA.
- H. Indirect Costs
1. The maximum reimbursement amount allowable for indirect costs is 8% of Contractor's direct costs, excluding in-kind contributions and nonexpendable equipment.

Contractor agrees to include this requirement in all contracts it enters into with subcontractors/vendors to provide services pursuant to this Agreement.
 2. Contractors requesting reimbursement for indirect costs shall retain on file an approved indirect cost rate or an allocation plan documenting the methodology used to determine the indirect costs.
 3. Indirect costs exceeding the 8% maximum may be budgeted as in-kind.

ARTICLE III. PAYMENTS

- A. The Contractor shall prepare and submit electronically by the 30th of each month to the AAA-Based Team the MIPPA Monthly Report of Expenditures/Requests for Funds (CDA 245m) unless otherwise specified by the Department.
- B. Advance Payments
1. The Contractor may request one advance payment within the first quarter of each fiscal year, which shall not exceed twenty-five percent (25%) of the amount awarded for the fiscal year, for each funding source under the terms of this Agreement, unless otherwise specified by the Department. To receive an advance payment, the Contractor shall submit electronically an Annual Advance - Request for Funds (CDA 245m).
 2. One-sixth of the advanced payment shall be deducted each month from reimbursement amounts due the Contractor until the advance is fully liquidated.
 3. If at the time of the Closeout Report for each fiscal year, or upon completion or termination of this Agreement, the advance payment has not been fully liquidated, the Contractor agrees to pay the balance to the Department immediately upon written demand.
 4. If the Contractor has received an advance payment, the Contractor shall advance to the subcontractor, upon execution of the subcontract, one advance payment of up to twenty-five percent (25%) of the subcontract amount for that fiscal year. If the Contractor receives an advance payment in the second fiscal year, the Contractor shall advance to the subcontractor, one advance payment of up to twenty-five percent (25%) of the subcontract amount for the second fiscal year.
