Dear Mr. Porter:

This letter is to inform you that the City and County Association of Governments (C/CAG) as the Local Task Force (LTF) to the California Integrated Waste Management Board (CIWMB) has reviewed the elements of the existing Countywide Integrated Waste Management Plan (CIWMP).

We find that the original planning documents and those updated in the annual reports of each jurisdiction, are still applicable and useful planning tools with one exception, the countywide non-disposal facility element (NDFE).

The County of San Mateo, in its 2004 five-year review cycle, established a countywide NDFE for the jurisdictions in San Mateo County to use as a reference for updating their individual NDFE's. There have been additions to and changes at some of the facilities in that NDFE list since 2004.

The County of San Mateo, Department of Public Works staff should complete the five-year review report and determine if these revisions are necessary.

Very truly yours,

Tom C. Kasten, Chair
City/County Association of Governments
