Date	In Favor	Oppose	Comments	Response
02/23/11		X	It would be better to educate parents on safe driving. The previous school owner had a drop-off and pick-up plan that worked well. Want to make sure that the students are still safe.	Staff will recommend to the school owner that he discuss safe drop-off and pick-up practices with parents. A no parking zone will remain around the crosswalk for pedestrian sight distance.
